Dear Parents/Guardians and Students,

Welcome to Green Valley Elementary School! Thank you for choosing Green Valley to educate your child. We want you to be an important part of the team dedicated to your child’s school success. Please take a few minutes to thoroughly review our student handbook as we have added several items this year.

Our team of teachers and instructional support staff members are ready to make this a great year of learning and growing for your child. Our goal is to ensure high levels of learning for all students. Our team strives for continuous improvement through our work as a Professional Learning Community (PLC). As a PLC, we work in collaborative teams to find answers to the following questions:

- What should each child know and be able to do?
- How will we know if they have learned it?
- What will we do if they are not learning?
- What will we do if they already know it?

This approach to instruction keeps us focused on student learning to ensure that each child’s academic needs are identified and learning plans to meet those needs are created, implemented, monitored, and modified as needed.

At the heart of every great school is a strong sense of community and parental involvement. It is our hope that every parent and/or guardian feels like he or she can make a positive contribution to the overall success of their child. Green Valley invites you to become actively involved throughout the year by attending our family events, attending kindergarten parent sessions, or by volunteering your time. We sincerely invite you to share your suggestions and ideas on how we can continue to make our school the best that it can be.

This handbook is designed to help answer any questions that you may have during the school year. If at any time the handbook does not answer all of your questions, please do not hesitate to contact your child’s teacher, counselor, or the school office.

We look forward to working with you to make Green Valley a great place for your child to learn and grow throughout the school year!

Sincerely,

Dr. Brian L. Kehrer
Principal

ARRIVAL AND DISMISSAL PROCEDURES

Please notify the school office by 1:30 p.m. any changes in dismissal. This will allow us to get the information to the classroom teachers and students.

Car Riders – Children brought to school as car riders should not arrive at school before 7:40 a.m. Drivers should use the car rider entrance to the left of the building. Proceed behind the building in a single file line to drop off students at the back, car rider entrance. Car riders will also be dismissed from this area. Gates will open at 2:15 p.m. for afternoon dismissal. Gates to the car rider entrance are locked during the school day. Parents must accompany children to the office to sign-in when arriving after 8:00 a.m.

Helpful Reminders:
1. Make sure your number is clearly visible as you approach the gym door.
2. Follow the directions of the school personnel.
3. Pull your car forward to allow personnel to load several cars at one time.
4. Please remain in your vehicle and allow the school personnel to assist your child in entering or exiting the car.
5. Do not block Green Valley Road. You may have to circle the block to avoid blocking traffic. No vehicle may block traffic along a city street.

*No students picked up in cars will be dismissed to the lobby area except for an occasional after school appointment. Any other special circumstances must be cleared with the principal.

Walkers – An adult should accompany students walking to and from school. These students should enter the school through the main entrance. Students will not be permitted to walk home without an adult unless a note from the parents is sent in to the office.

Bus Riders - Students traveling in buses will arrive and be dismissed through the main entrance. Primary bus rules are to stay seated with seat belts on, safe hands and words, and no body part outside of the bus.

Day Care Van Riders – Day care van riders will be dropped off at the car rider entrance in the morning.

ATTENDANCE POLICY AND PROCEDURES
The New Albany Floyd County Consolidated School Corporation requires that students attend each day the school is in session. Each day of school is part of a sequential learning process therefore; missing even one day without good cause should be avoided.

Reporting Absences to School
Parents are to notify the office of a student’s absence. When reporting the absence please use the attendance line 812-542-6101 and provide complete information as to child’s name, teacher, request for picking up home practice, and the reason for the absence. Failure to contact the school office with information regarding the student’s absence may result in an unexcused absence.

Physician, dental and counseling appointments should be scheduled after school hours whenever possible. If unavoidable, please notify the office and have the child attend classes both before and after the
scheduled appointments. A physician’s statement of diagnosis may be required at any point for an absence or extended absences. After ten days absence, a doctor’s statement is required each time a student is absent for the remainder of the year. A statement from a licensed medical professional documenting an absence may allow an unexcused absence to be changed to an excused absence.

If one or more of the following occurs, your child will be sent home: temperature of 100 or higher, vomiting, severe pain in the chest or stomach, fainting, live lice is found in hair, and/or injury. Please have two current emergency contacts listed on your child’s enrollment form. Please contact the school immediately if this information changes during the year.

**Excused Absence-Definition**
Absences for the following reasons will be considered as *excused absences*:

- Illness that involves fever, vomiting, injuries, or situations when a physician recommends the students be absent from school. The reason is to be reported to the school office.
- Death of immediate family member
- Medical or dental appointments which cannot be scheduled outside the school day (a written doctor’s statement is to be given to the school office)
- Religious Holidays
- Court ordered absences
- Other unusual circumstances when approved by the principal and requested in advance of the event
- Travel for a limited time period involving new educational experiences for a student, which is requested on an infrequent basis by parents or guardian at least one week in advance of the proposed absence. Letters should be submitted to the school principal for approval.

**Unexcused Absence-Definition**
Absences for the following reasons will be considered as unexcused absences:

- “Long weekends” and vacations without prior approval
- Moving days (change of residence)
- Transportation problems
- Medical or dental appointment without a doctor’s written statement
- Appointments for non-essential activities such as haircuts, shopping, etc….
- Extended absences for head lice treatment

**Tardy to School-Definition**
Students who arrive at school after 8:00 a.m. are considered tardy. Those who arrive after 8:00 a.m. are to report to the office to obtain a pass that will permit them into the classroom. The student’s parent or guardian is to sign in at the office and indicate the reason the student in tardy. The tardy will be documented in the office.

Excused tardies are those that are verified in writing by a medical professional, counselor, etc…or those that have been approved by the building principal due to extenuating circumstances.
**Early Dismissal-Definition**

Request to release children from school early creates a disruption to the learning environment. Excused early departures are those departures that are verified in writing by a medical professional, counselor, etc… or those departures approved by the building principals for extenuating circumstances. If early dismissal is unavoidable, please follow this procedure:

- Send a note to your child’s teacher including the date, time, and reason for early dismissal.
- Report to the office at the designated time. Your child will be called to the office when you arrive.

**Procedure for Dealing with Excessive Absences, Tardies, or Early Dismissals**

Once a student obtains ten unexcused absences, a referral will be submitted to Department of Child Services per Indiana Code. Referral documentation includes:

- Evidence that the school has communicated attendance concerns to the parents
- An academic impact statement including grades and performance concerns
- Attendance records

Anytime a student misses any portion of the school day (early dismissal, tardy, appointments during the day) the student will be marked tardy for accurate record-keeping. If the period of time exceeds one-half of the student day, the student will be marked half-day absent.

**BEHAVIOR EXPECTATIONS**

Our goal is to provide an atmosphere throughout the school is which children will be safe, secure, happy, and have a maximum opportunity to learn. Teachers and/or school administration will be in contact with parents regarding behavior concerns in the classroom. Please read the *New Albany-Floyd County Consolidated Schools Student Guide for Student Rights and Responsibilities* located at the end of this handbook for information regarding disciplinary actions, suspensions, and expulsions. Each student is responsible for knowing and following school rules. The following behavior is unacceptable at school:

- Fighting
- Verbally or physically hurting another person
- Destruction of school property or the property of another student
- Unacceptable language or gestures, profanity, or vulgarity
- Repeated disruption in the classroom
- Cheating
- Theft
- Obscene or suggestive dress
- Bullying
- Trading personal belongings with others
- Racial/sexual jokes, remarks, or harassment
- Use or possession of cigarettes, drugs, alcohol, or look-alikes

**Anti-Bullying**

(a) Bullying is **prohibited** by the School Corporation. Students who commit any acts of bullying are subject to discipline including but not limited to suspension, expulsion, arrest, and/or prosecution.

(b) **Definition:** "Bullying" is defined as overt, unwanted, repeated acts or gestures, including verbal or written communications or images transmitted in any manner (including digitally or electronically); physical acts committed; aggression; or any other behaviors committed by a student or group of students against another student with the intent to harass, ridicule, humiliate, intimidate, or harm the targeted student, creating for the targeted student an objectively hostile school environment that:

1. places the targeted student in reasonable fear of harm to his or her person or property;
2. has a substantially detrimental effect on the targeted student's physical or mental health;
3. has the effect of substantially interfering with the targeted student's academic performance; or
4. has the effect of substantially interfering with the targeted student's ability to participate in or benefit from the services, activities, or privileges provided by the school.

Bullying does **not** include:

- participating in a religious event;
- acting in an emergency involving the protection of a person or property from an imminent threat of serious bodily injury or substantial danger;
- participating in an activity consisting of the exercise of a student's freedom of speech rights;
- participating in an activity conducted by a nonprofit or governmental entity that provides recreation, education, training, or other care under the supervision of one (1) or more adults;
- participating in an activity undertaken at the prior written direction of the student's parent; or
- engaging in interstate or international travel from a location outside Indiana to another location outside Indiana.

(c) **Applicability:** The School Corporation prohibits bullying in all forms. This policy may be applied regardless of the physical location in which the bullying behavior occurred, whenever the individual committing the bullying behavior and any of the intended targets of the bullying behavior are students attending a school within the School Corporation and disciplinary action is reasonably necessary to avoid substantial interference with school discipline or prevent an unreasonable threat to the rights of others to a safe and peaceful learning environment. The School Corporation prohibits bullying through the use of data or computer software that is accessed through any computer, computer system, or computer network.

(d) **Education:** All students in grades K-12 will be provided age appropriate instruction focusing on bullying prevention.

(e) **Reporting:** Anyone who believes that a student has possibly been or is the victim of bullying is encouraged to **immediately** report the situation to an appropriate staff member such as a teacher, school counselor, or administrator (including the Superintendent). All staff who observe or receive a report of suspected bullying shall **immediately** notify a designated school administrator in charge of receiving reports of suspected bullying. If a staff member does not know who to make a report to, he or she should report directly to the building principal or Superintendent. Bullying reports to the Department of Child Services and/or law enforcement must be made as required by law, such as when a staff member believes that a student is the victim of abuse or neglect. Any person who makes a report of bullying and requests to remain anonymous will not be personally identified as the reporter or complainant to extent permitted by law. The School Corporation will act appropriately to discipline staff members who fail to initiate or conduct an investigation of a bullying incident and for persons who falsely report an incident of bullying.

(f) **Investigation:** Once a report of suspected bullying is received by the designated school administrator, an
expedited investigation shall follow. The investigation should be facilitated by the designated school administrator or other appropriate school staff. Information relating to the investigation will be gathered using means including, but not limited to: witness interviews, request for written witness statements, record identification and review an assessment of whether bullying occurred. The investigation will be initiated within one (1) business day of the report to the designated school administrator and will ordinarily be completed within thirty (30) calendar days.

(g) **Intervention/Responses:** If a report of suspected bullying is substantiated through an investigation, then the School Corporation shall take appropriate intervention and responses as consistent with policy and procedure. The School Corporation will take prompt and effective steps reasonably calculated to stop the bullying, remedy the bullying, and prevent the bullying from recurring. Interventions and responses include, but are not limited to: separating the bully and the target; follow-up school counseling for the target; bullying education for the bully; and prompt disciplinary action against the bully. These steps should not penalize the target of the bullying. Disciplinary actions against the bully may include, but are not limited to: suspension and expulsion for students; discharge for employees; exclusion for parents, guests, volunteers, and contractors; and removal from any office for governing body members. Also, if the acts of bullying rise to the level of criminal offense the matter will be referred to law enforcement.

(h) **Parental Involvement:** Parents are encouraged to be involved in the process of minimizing bullying. Parents should report suspected acts of bullying to an appropriate school official. In addition, parents of students suspected of bullying will be notified with a phone call or through other appropriate means of communication. Conversely, parents of students suspected of being the target of acts of bullying will also be notified with a phone call or through other means of appropriate communication. Parent notifications will occur in an expedited manner within one (1) business day after the designated school administrator receives the report of suspected bullying. Parents of students who are disciplined for acts of bullying will be involved in the disciplinary process consistent with the law and the School Corporation policy.

**CANCELLATION OF SCHOOL**

In the event of a weather or other emergency cancelling school, the best source of information for parents is WNAS FM Radio at 88.1. All major local radio and TV stations will also carry news of school closings. Parents will be required to complete and Emergency Dismissal form at registration outlining dismissal procedures should school be cancelled during the school day. Early dismissal is used only in cases of emergency.

The NAFC Schools has implemented a phone parent notification system. This system is used to relay important information including school cancellation, delayed openings, or early dismissal. *Please make certain the school office is notified if your phone number changes so that you receive these important calls.*

**“CAT TALES” – OUR WEEKLY NEWSLETTER**

Green Valley sends home a copy of our weekly newsletter with students on the last day of the school week. This newsletter contains information concerning special activities, field trips, or events in the upcoming week. It also includes the breakfast and lunch schedule for the upcoming week.
CHECK IN/CHECK OUT
Parents are asked to avoid removing students from school during regular school hours. If an emergency occurs and you must remove your child, a parent will need to come to the school office to sign out the child. **Only a parent, legal guardian, or someone granted permission on the enrollment form will be allowed to sign out a student during school hours.** Adults signing students out may be asked for personal identification. Please try to schedule doctor, dentist or other appointments after school hours.

*Child custody and court orders sometimes dictate that children are not to be released to certain individuals. The school MUST have a copy of the court’s ruling on file to honor those orders.

CHILD CARE SERVICES
The YMCA provides child care services in our building. Information will be available at registration. You may also contact the local YMCA for program locations and additional information.

CLASSROOM PARTIES
Students in grade K-4 may have three classroom parties: fall, winter, and Valentine’s Day. The amount of assistance needed for the parties is up to the classroom teacher. If a parent wishes to send treats to school for his/her child’s birthday celebration, that parent must notify the child’s teacher at least one week in advance. All food items must be store-bought and include a list of ingredients due to numerous food allergies, NO NUTS please. **Passing out invitations to private parties will not be permitted at school.** The school office is not permitted to provide home addresses or phone numbers of students.

COMPUTER USE
Computers, Chrome Books, and iPads are available for students to use in the classroom. Green Valley uses technology to enhance learning and teaching not replacing it. With the use of technology, students have the responsibility to use it appropriately. If students damage technology, a financial bill for repair or replacement will be issued.

COUNSELING SERVICES
The school counselor provides classroom guidance lessons on a regular basis in each classroom. Lessons cover topics such as: self-esteem, conflict management, friendship skills, anger management, study skills, abuse and safety, peer pressure, and career awareness. We also have a partnership with an outside agency to provide more in-depth counseling. Please call the counselor if you have a need for this service.

DRESS CODE – PERSONAL APPEARANCE
Parents are responsible for seeing that their children arrive at school appropriately dressed, clean, and ready to learn. We have adopted the following dress code for students:

1. Clothing is to be clean, properly fitting, and appropriate for the weather. Clothing may not contain holes that expose skin.
2. Clothing with inappropriate writing or pictures is not permitted. This includes advertising for cigarettes or alcohol.
3. All skirts and shorts are to be of appropriate length. Skirts and shorts should reach the ends of the fingers with arms at the student’s side.
4. Students must wear appropriate shoes or boots. No flip-flops, high heels, platform heels, or shoes with wheels are allowed at any time. Sandals must have a strap to secure the shoe to the foot. Sneakers or athletic shoes are encouraged.
5. Students may not wear baggy clothing, tank or strapless/spaghetti-strap tops, or belly shirts.
6. Students may not wear hairstyles/colors, chains, tattoos, bandannas, artificial nails, hats, jewelry (no body piercing or dangly earrings), gang-associated or other clothing that may distract from the learning environment.
7. Hats/bandannas/hoods are not to be worn inside the school building.

**EMERGENCY DRILLS**
All schools are required by state law to conduct the following drills:
- monthly fire drill
- one take cover (manmade occurrence) drill per semester
- one take shelter (tornado) drill per semester
The purpose of these drills is to teach children how to respond in a rapid, orderly, and safe manner in emergency situations.

**FIELD TRIPS**
Each grade level will participate in one field trip during the school year. The trips are designed to enhance the educational opportunities for students. Parents may be asked to chaperone field trips with their child. All adults who attend field trips are required to pass a Limited Criminal History check which can be completed at the school office. Adults who attend may not bring other children on their trip, take their own child away from the trip, or take their own child home from the trip. Adult chaperones usually are not permitted to ride the school bus due to space limitations. **All students are to ride the bus to and from school on field trips.**

**FOOD SERVICES**
A nutritious breakfast and lunch program is offered daily. Monthly menus are included in the “Cat Tales.” A Fast Lane account is established for each student. Students are given an identification number that is entered on a keypad as they go through the lunch line. Students should memorize this number as quickly as possible. Currently, Green Valley is breakfast and lunch are free to all students thanks to a federal grant program. Students bringing a sack lunch may purchase milk. Applications for free or reduced price meals are available at registrations or through the school office. Glass containers are prohibited due to safety concerns. Parents are encouraged not to send carbonated beverages for lunch.

**Eating Lunch with your Child:** We love having our parents join their child for lunch. Due to allergy concerns, **you are allowed to eat with your child only, not their friends.** This is a great time to connect and spend quality time with your child.

**Breakfast in the Classroom**
Green Valley will participate in the Breakfast in the Classroom program. **Every child** will receive a **free breakfast & lunch** every day. This breakfast will be served in the classroom beginning at 7:50 each day. **If a child arrives later than 8:10, he or she might not receive breakfast.**
**GRADING SCALE**

Grade scales very between subjects and grade levels. Two basic formats are used. A traditional 90 and above A, 80-90 B, 70-80 C, 60-70 D, and below 60 F. The other format is On Level (OL), Below Level (BL), or Above Level (AL). Our goal is to have every child On or Above level.

**HOME PRACTICE POLICY – NAFC SCHOOLS**

Educators and parents want to insure the success of all students. Therefore, a clear policy for assigning and completing home practice is important. Home practice gives students opportunities to extend classroom learning and practice skills while developing self-discipline and study habits that will benefit them in school and beyond.

Students, parents, teachers, and administrators must work together to share responsibility for student success. Home practice is a valuable, relevant, and positive part of the instructional program. Please see your child’s teacher to review their home practice policy.

**LIBRARY**

Each class is assigned to a library period each week. During that time students may return and check-out books, listen to a story, or learn library skills. Students may also exchange books at other times with the permission of their teachers. The student checking out the book is responsible for returning the book. If a student has not returned a book, restrictions on checking out books may apply. Please treat all books with care to preserve the library for all students. If your child doesn’t return their books, there is a financial cost to their parent.

**LOST AND FOUND**

Children, naturally, will lose things. The lost and found area is located just outside of the gym doors. Please check this area often to claim lost items. Unclaimed items will be discarded or donated to the Salvation Army or Goodwill. Putting your child’s name in clothing items will help us return them to their owner.

**PARENT POLICY**

**Title I Parent Policy**

The following is the policy by which staff, parents, and students will work together to strengthen the education of the students at Green Valley Elementary School.

This information will be presented at the Annual Title I parent meeting held each fall and in the weekly newsletter.
3) Parents will be provided timely information concerning school activities, student performances, assessment, and curriculum through various forms of communication.

4) Parent Teacher Student Compacts will be distributed and used as a tool to help parents and students share responsibility for improved student achievement.

11) An annual evaluation of the parental involvement plan will be conducted with parents identifying any barriers to greater parental involvement and devising strategies to improve parental involvement.

12) Parent/Teacher Conferences will be held once each year to discuss student progress and achievement. Individual conferences will be held on an as needed basis or when requested by a parent.

Title I Parent Involvement Plan

1. Green Valley Elementary School Title I Committee will consist of teachers, school administrators, parents, Title I assistant, and the Title I Coordinator. This committee will plan review, and suggest changes needed in the Title I program. We will meet at least once each semester. Suggestions will be reviewed by the entire staff.

2. Our Annual Meeting will be held during the fall semester. At this general meeting we will inform parents of the Title I program, their parental rights and responsibilities, and opportunities for parents to work with staff to promote a cooperative learning environment.

3. Communication is imperative in raising academic achievement. Communication will be addressed through the following:

   *A parent handbook will be available to all parents. This will include general information about the school, policies, and procedures. In addition, the Title I Parent Involvement Policy and Parent Compact will be distributed at Parent/Teacher Conferences and will be
available from the Title I Coordinator. For students who enroll after the school year begins, the Title I Parent Involvement Policy and Parent Compact will be given and signed for upon enrollment.

*The weekly newsletter ‘Cat Tales’ will provide current information.

*Report cards will be sent home on a nine week schedule.

*Communication will also occur through flyers, general classroom notes, personal notes, phone calls, home visits, or email.

*Formal Parent/Teacher conferences will be held in the fall each year. Other conferences will be scheduled as needed.

4. Compacts have been designed to help create a partnership between home and school to promote high levels of student achievement. This will be discussed at conferences. Parents, students, and teachers will be asked to sign and follow through with the partnership. A signed copy of the compacts will be sent home with each student and a copy will be kept at school as well.

PARENT/TEACHER ACTIVITIES
Green Valley welcomes the active involvement and support of family members in our school. We often ask you for feedback about our instructional programming or changes to our policies. Our Assistant Principal/Title I Coordinator organizes several events for and with parents throughout the year. We do collect Box Tops for Education. We host an Open House in the first semester to allow parents to meet their child’s teacher and become familiar with the school.

PETS AT SCHOOL
Occasionally, children wish to bring pets to school. If the animal is unusual, there may be justification in bringing it to school. Generally, house pets do not qualify. **Before bringing an animal to school, the child must get the teacher and office permission.**

PROTECTION OF PUBLIC AND PERSONAL PROPERTY
This school is public property, and as such it is in the best interest of all residents to maintain it in excellent condition. We need the cooperation of all children who attend to respect and care for the building.

Care of personal property is an ever-present problem as it is lost, damaged, or stolen. Children should not bring items to school that are not necessary for classroom activities. Each child is to be responsible for his or her own belongings. Clothing (especially coats) should be marked with the child’s name. A child should never carry amounts of money, greater than necessary for the school day. The school is not responsible for lost or stolen items. Please leave money, Ipods, phones, and other electronics at home.

RECESS
Recess is an important part of the student’s day, both for physical exercise and social interaction. Your child should be prepared to go to recess each day, unless he/she has been ill. Students should have proper attire for recess. If your child must be excluded from recess due to medical reasons, please send a note stating the reason he/she should not participate. Our school nurse may contact you if she has a concern. We will be going outside as often as possible during winter months. Therefore, please make certain your child has outer garments for these times. Recess is approximately 20 minutes per day at the teacher’s discretion. The State Department of Education does not permit recess to be longer than 15 minutes per day. Students will not be permitted to play tackle-football, dodgeball, tag games, or do gymnastics due to safety concerns. Ropes are for jumping only. The school will provide all recess equipment. **Students should not bring basketballs or footballs from home.**
REPORT CARDS
Report cards are distributed every nine weeks. Parents should sign the report card and return it to school in a timely manner. Concerns regarding a student's grade(s) should be discussed with the child’s teacher. Midterm reports are sent home during the middle of each quarter. For teachers who send weekly reports, the weekly report in the middle of the quarter is your child’s midterm report.

RESTRICTED ITEMS
Students may not bring the following items to school as they are potentially dangerous or distract from the learning process. When these items are brought to school, they will be taken from the student and held until the parent reclams them. Items left at the end of the school year will be discarded. The list of items includes the following but is not limited to:

- Matches
- Lighters
- Cigarettes
- Fireworks
- Shells or any explosive device
- Knives
- Sharp instruments
- Spray paint
- Drugs of any kind
- Obscene pictures or literature
- Guns of any type, including toy guns
- Toys (except with teacher permission)
- Recording devices
- Cell phones
- Gameboy or other video games
- MP3 players/IPods

SAFE SCHOOL HOTLINE
The hotline is available for parents or community members to leave information concerning possible safety threats without leaving their names. The information is forwarded to a central office administrator and/or the school principal for investigation. The number to call if you have concerns regarding safety at school is 812-542-2230. This number service works the same for all schools in New Albany-Floyd County. Concerns may also be sent using the anonymous alert link on the NAFC website, www.nafcs.k12.in.us.

SCHOOL BUS RULES AND INFORMATION
Green Valley is served by six school buses. This year all buses will be equipped with seat belts and students will be expected to wear them at all times on the bus. Information on morning pickup and afternoon drop-off times are available at registration and in the office. Route information is also available. Pickups are not at student’s doors. All students are under the supervision, direction and control of the bus driver while being transported on a school bus. The bus driver has the right to suspend a student from riding the bus for one day. The building principal may add up to five additional days as they feel the incident warrants. Parents will be notified by phone when possible. Students will be given a bus suspension notice to give to their parents. In most cases, parents will have a day to arrange transportation for their student. Parents should always call the school to check if their child says they were put off the bus, but do not have a suspension notice from the school principal.

“All school children, while being transported on a school bus, shall be under the supervision, direction, and control of the school bus driver, and shall be subject to the discipline of the school bus driver and the governing body of the school corporation.” (1965 Acts of the General Assembly, Chapter 260.)
Safety Rules

1. Be at your bus pick-up ON TIME. An early start will assure this.
2. Wait your turn to load the bus. Avoid standing or playing on the road while waiting for the bus.
3. Obey the bus driver promptly and cheerfully. Realize that they have a big responsibility and that it is your job to help.
4. Watch your step going to and from your stop, and getting on and off the bus. Where there are no sidewalks, walk on the edge of the road FACING oncoming traffic.
5. Show consideration for the property where your bus stop is located.
6. Damage and destruction at the stops results in discontinuance of these stops.
7. Horseplay, littering, loud and boisterous conduct on the bus will not be allowed. This type of conduct distracts a driver and may result in a serious accident endangering everyone on the bus. Students are expected to stay seated at all times unless they are unloading at a stop.
8. Musical instruments that can be carried on a bus without taking up room of another student or blocking exits, may be carried on the bus.
9. Misconduct such as profanity, boisterousness, throwing things, destruction of school property, fighting, loading or unloading improperly, lighting matches, smoking, changing seats when the bus is in motion, eating on the bus, insolence, or obscene gestures shall be cause for dismissal of the student from the bus. A formal complaint form or bus conduct report will be given to the Principal and a school official will make contact with the parent.
10. Students under suspension from one bus MAY NOT ride another bus for the period of suspension. Permanent suspension may be made for flagrant violations of school transportation rules.
11. Drivers are NOT permitted to allow passengers to load or unload at any point other than those specifically assigned to each student except by WRITTEN request from parent and APPROVAL by a designated school official.
12. Students who have to cross of road at a loading point or after unloading shall Do so on a driver signal at a point 10 feet in FRONT of the bus. This allows the driver and the student to make eye contact. Students refusing to cross in front of the bus will be denied use of transportation.
13. Where it seems advisable and appropriate, a driver may assign a student a specific seat pm the bus and the student shall occupy that seat. Changes in seat assignments may be necessary and will be made by the driver in charge of the bus.
14. Animals such as snakes, mice, or pets of any type MAY NOT be brought to school on the bus. Students desiring to bring such items to school should arrange for parent transportation on those days.
15. MOVING FROM ONE SEAT TO ANOTHER WHILE THE BUS IS IN MOTION IS NOT PERMITTED.
16. Wear your seat belt at all times while on the bus.
SCHOOL HEALTH SERVICES

A school nurse oversees the health services offered at this school. However, a school nurse may not be at the school every day because most nurses travel between multiple school buildings. In case of illness or injury, a child will be cared for by a trained member of the school staff. If your child has a health concern, please include this information on your child’s health history information or notify the school as soon as possible. This information remains confidential and is shared with school personnel only on an as-needed basis. If emergency medical treatment is necessary, the parents will be contacted. If parents are not available, the child will be taken to the hospital by ambulance at the parents’ expense. Remember, an emergency telephone number where parents can be reached must be on file and is vital in reaching parents in the case of an emergency.

Medications at School

1. A “Request for Administration of Medication” form must be signed and dated by the doctor and parent/legal caregiver. This written request must be on file in the school office before the medication, prescription or over-the-counter, will be administered by the staff. The request must contain the student’s name, name of the medication, dosage, and time to be given. The form must be renewed at the beginning of each school year or if the medication changes during the school year.
2. A student may be authorized to possess and self-administer medication for a chronic or acute disease or medical condition if the medication is necessary in an emergency situation. The section of the medication form entitled “Possession and Self-Administration of Emergency Medication Authorization/Approval” must be signed and dated by the doctor and parent/legal caregiver.
3. The medication must be furnished to the school by the parent/legal caregiver on a daily basis. Any exception to this daily dosage requirement must be approved by the principal after consultation with the school nurse. The exception will be limited to a one (1) school week’s supply of the medication and must be brought to school by the parent/legal caregiver, or by another arrangement approved in advance by the principal. The medication must come to school meeting the requirements listed in #5 below.
4. All nonprescription medication must be in the original container and be clearly labeled with the child’s name.
5. All prescription medication must be in the pharmacy labeled bottle or packaging with the following information:
   - Prescription number
   - Child’s name
   - Doctor’s name
   - Name of medication
   - Dosage
   - Time to be given.
6. All medication brought to school for administration by staff will be kept in a locked container.
7. School nurses will provide instruction/training as needed to those staff members who dispense medication to students.
8. Non-medicated lip balms and up to 2 cough drops per day (with parent note) is allowed without a doctor’s statement.
Illness and Returning to School

Students should not come to school if they are experiencing any of the conditions mentioned below. If at school, students will be sent home from school for the following reasons and require a doctor’s statement for readmission:

1. Reddened eye(s) with possible drainage, matting, or discomfort.
2. Recurrent or persistent skin infections – including scabies.
3. Unexplained or undiagnosed rash.
4. Injury involving documented loss of consciousness.
5. Untreated drainage from skin.

Students should not come to school if they are experiencing any of the conditions mentioned below. If at school, students will be sent home from school for the following reasons:

1. Temperature of 100.4 or over. Students must be fever-free for 24 hours without the aid of fever-reducing medication such as Tylenol/Ibuprofen before returning to school.
2. Temperature of 96.5 or lower.
3. Lice (pediculosis) – Students will be sent home if live bugs are found. If a student has nits, he/she may remain at school for the day, but should be treated before returning to school. According to New Albany-Floyd County School Board Policy, classroom head checks will not be done.
4. Vomiting. Student must be free of vomiting for 24 hours before returning to school.
5. Diarrhea. Student must be free of diarrhea for 24 hours before returning to school.

Severe Allergies at School

If your child has a potentially life threatening allergy to food, insect sting, latex, or other allergen, please be sure to have your child’s health care provider complete an Allergy Action Plan for your child and provide the school with an EpiPen. A school nurse or other trained school employee may give the EpiPen according to the directions on the Allergy Action Plan.

But, what if your child has an allergic reaction for the very first time at school and has never been diagnosed with an allergy? New Albany-Floyd County school nurses are prepared to handle these potentially life threatening allergic reactions as well. If your child experiences a life threatening allergic reaction at school that involves severe swelling of lip, face, tongue, or throat, severe difficulty swallowing or breathing, or unconsciousness, 911 and a parent will be notified. A school nurse or trained school employee under the direction of a school nurse may use a lifesaving medication called an EpiPen according to orders from the medical advisor. If you do not want your child to receive the life saving measure of medication from an EpiPen, please contact your school’s nurse in writing.

Health and Wellness in the Classroom

To ensure the safety and health of all students, all food items brought to school to be served to students or classrooms must be store-bought and include an ingredient label with allergens and carbohydrate counts. For celebrations, non-food items or healthy snacks are encouraged. Foods provided for classroom parties
or holiday celebrations must comply with USDA Smart Snacks in School nutrition standards. A list of Smart Snacks will be provided at the beginning of the school year. Snacks not on the list can be determined to be a Smart Snack at https://foodplanner.healthiergeneration.org/calculator/

**Immunizations**

A number of immunizations are required by state law for students admitted to public school. Evidence of receiving these immunizations or a letter of medical or religious objection is required before starting school. Your child could be suspended from attending school if the required proof of immunizations or objection is not given to the school.

**Meningococcal Disease**

Indiana law requires each year that parents/guardians be informed “about meningococcal disease and its vaccine” (IC 20-30-5-18). Meningococcal disease is a dangerous disease that can strike children and youth. The disease can progress rapidly and within hours of the first symptoms, may result in death or permanent disability including loss of hearing, brain damage, and limb amputations.

Symptoms of meningococcal disease often resemble the flu and can include a fever, headache, nausea, and stiff neck, making the disease difficult to diagnose. The bacteria that cause meningococcal diseases are transmitted through air droplets and by direct contact with an infected person. Fortunately there is an immunization available and the U.S. Centers for Disease Control and prevention recommends routine meningococcal immunizations at 11 to 12 years old (prior to starting 6th grade), with a booster dose at 16 years old (prior to starting 12th grade). The meningococcal vaccine is required for 6th-12th grade students to attend school.

**Health and Extracurricular Activities**

New Albany-Floyd County Schools offers nursing services during school hours. However, a school nurse or health aide is not in the building after school hours. If your child has a medical condition requiring nursing care or a specialized care plan and intends to participate in any before or after-school activities, sports, or the YMCA childcare program, please notify your school nurse. Many agencies use our school buildings for student activities but do not have access to your child’s health information or training on how to handle health concerns.

Your school nurse can help you know what steps need to be taken to keep your child safe and healthy outside of the normal school day. For activities that are not school-sponsored (such as YMCA before-/after-school care, After School Rocks, and elementary sports) parents are responsible for communicating a child’s health needs to the program director and providing any necessary medication/treatment to care for the child.
**SCHOOL INSURANCE**
Accident insurance is provided for those who pay the premium. The premium is returned to the school. The options provided are school time and 24 hour coverage. It should be noted that because the cost of the premium is being kept low, such a policy would not cover all costs incurred in an accident. Please take the time to carefully read the policy summary.

**SCHOOL PICTURES**
Individual school pictures are taken by a professional studio each fall for school records. Several picture packets are available. Fall pictures are on a pre-pay basis. Picture retakes or a refund of money are available if a parent is dissatisfied with their child’s picture. We will also offer spring picture packets. In the spring, student’s pictures are not pre-paid. All students’ pictures are taken. There are no retakes. Parents pay for the packet or a part of the pictures. They may choose not to purchase the pictures and return them to school.

**TELEPHONE USE BY STUDENTS**
Use of the telephone by children will be determined by the office staff or principal. Telephone lines are limited and busy, only priority calls will be permitted.

**TEXTBOOKS**
There is a rental charge for use of textbooks and workbooks. Book rental charges are available at registration. Students and their families are responsible to pay for lost or damaged textbooks. *End of year privileges such as Field Day may be revoked if students have not returned their textbooks or paid for their replacement.*

**TEXTBOOK ASSISTANCE**
Forms for textbook assistance are available at enrollment. Any parent wishing to apply for textbooks assistance, either full or reduced textbook fees, should ask for an application at enrollment or any time during the school year their income level warrants. Certain fees are not covered by the free or reduced textbook application if approved. Approval for textbook assistance is done by the principal.

**VISITOR PASSES**
All visitors to Green Valley School are required to register at the school office. Visitors must be listed by the parent as an emergency contact or have written permission from the parent. This includes having lunch with a student. If a visitor is not listed, the office staff will make an attempt to contact the parent. If unable to reach the parent, the visitor will be denied access to the student. All visitors will be required to present their driver’s license to obtain a visitor’s pass. The license is scanned for security.

Parents are welcome to visit their children’s classrooms. Parents should contact the teacher prior to visiting to avoid scheduled assessments or special activities. The office staff will contact the teacher to okay the visit before parents will be admitted. Visits should not exceed one hour. The first and final weeks of a grading period or semester along with the day before a holiday are not good times to visit. When visiting the classroom, the teacher’s role as instructional leader must not be interrupted. Visitors should enter room in a quiet manner. The teacher will introduce you to the class at any appropriate time. Some teachers may incorporate visitors into the lesson in some manner. In no instance should visitors distract the teacher’s attention from their students for a parent discussion. Conferences should be set up...
outside the school day. Small children who may distract students or disturb the class should not be brought to school at the classroom visit.

**VOLUNTEERS**
We welcome your help during celebrations and programs or as a volunteer in the library or classroom. All volunteers must present their driver’s license to obtain a visitor’s pass. This policy is to ensure student safety.
Student Guide

For

STUDENT RIGHTS AND RESPONSIBILITIES
ENFORCEMENT OF RULES AND REGULATIONS
DUE PROCESS PROCEDURES
PREAMBLE

The New Albany-Floyd County Consolidated School Corporation recognizes: (a) that education is a basic citizenship right; (b) that students have full rights of citizenship as delineated in the U.S. Constitution and its amendments; and (c) that citizenship rights must not be abridged, obstructed, or in other ways altered, except in accordance with due process of law.

Just as in our democratic society at large, the foundation and success in public school education depends on the balance of individual rights and individual responsibilities. Certain standards of student conduct are necessary to assure that individuals seeking to express their rights do not at the same time infringe upon the rights of others. Self-discipline, which comes from understanding this balance of rights and responsibilities, is essential in any democracy. The schools believe that self-discipline is promoted not only through instruction about our representative form of government, but also through practicing democracy in the schools, in the home, and throughout the community.

Those enjoying the benefits of citizenship in the school community must also accept the responsibilities of school citizenship. A democratic school must have rules and regulations just as must the larger democratic society. It is the responsibility of students, parents, educators and the community to work to establish rules and regulations which promote the best possible learning environment for all those involved in the educational process. Not only should the school environment provide equal opportunity for all, it should also permit the teaching-learning process to proceed in an orderly manner.

In an effort to create a more democratic school society, the Board of School Trustees of the New Albany-Floyd County Consolidated School Corporation has outlined some of the basic rights and responsibilities which will allow self-disciplined students to better govern themselves within the total school environment. These policy statements made by the Board of School Trustees are summarized below under eight main headings: (I) Basic Rights and Responsibilities of Students, (II) Enforcement of Rules and Regulations, (III) Procedure for Handling Suspensions and Expulsions from school, (IV) School Safety Policy, (V) Drug and Alcohol Abuse Policy, (VI) Driver’s License Policy, (VII) School Bus Safety Code, and (VIII) Telecommunication.

As set out in Indiana law, I.C. 20-33-8, in all matters relating to the discipline and conduct of students, School Corporation personnel stand in the relation of parents and guardians to the students of the School Corporation. Therefore, School Corporation personnel have the right, subject to Indiana law, to take any disciplinary action necessary to promote student conduct that conforms with an orderly and effective educational system. Students must follow responsible directions of school personnel in all educational settings and refrain from disruptive behavior that interferes with the educational environment.

I. BASIC RIGHTS AND RESPONSIBILITIES OF STUDENTS

1. Freedom of Speech and Assembly
   a. Students are entitled to express their personal opinions verbally as long as such opinions do not interfere with the freedom of others to express themselves. Students may not use lewd, vulgar, indecent or offensive speech, or engage in lewd, vulgar, indecent or offensive conduct while participating in, or present at, any school activity or any school sponsored extracurricular activity.
   b. Students have the freedom to assemble peacefully. There is an appropriate time and place for the expression of opinions and beliefs. Conducting demonstrations which interfere with the operation of the school or classroom is inappropriate and prohibited. All student meetings in school buildings or on school grounds may function only as a
part of the formal educational process or as authorized by the school principal. The use of obscenities or personal attacks is prohibited. Violence, threats of violence and possession, use or threatened use of weapons are prohibited.

2. Freedom to Publish
   a. Students are entitled to express their personal opinions in writing, as long as they do not use lewd, vulgar, indecent or offensive language in such writing.
   b. Students may edit, publish, and distribute printed, handwritten, or duplicated matter among their fellow students within the schools. Students must assume the responsibility for the content of such publications or handwritten opinions. The distribution of such material must not interfere with, or disrupt, the educational process, learning environment, or endanger the safety of student and employees. Such material must be signed by the authors. Libel, obscenities, and personal attacks as well as lewd, vulgar, indecent and offensive language are prohibited in all material written, edited, published, or distributed by students in school, on school grounds, at any school sponsored functions, or at any time while under the supervision of school personnel.

   c. Other than a general search of student lockers or other assigned areas, any search shall be, where possible, conducted in the presence of the student whose locker is the subject of the search.
   d. A law enforcement officer with appropriate jurisdiction may, at the request of the school principal, assist the school administration in searching such a locker and its contents.
   e. The principal or designee may search the person or property (including vehicles) of a student, with or without the student’s consent, whenever they have reasonable suspicion to suspect that the search is required to discover evidence of a violation of law or of schools rules. The extent and conduct of a search will be governed by the student’s age, gender, and the nature of the infraction. Strip searches are prohibited.
   f. Driving to school and utilizing the school parking lot are privileges for student drivers. Any student who parks his/her car in a school parking lot consents to a search of the car if the school administration has reasonable suspicion.
   g. In an effort to promote a drug-free campus and to protect the safety and health of the district’s faculty, staff, and students, the district may routinely partner with the local law enforcement to conduct random searches of lockers, classrooms, and school parking lots. During those partnerships, the board has authorized the use of specially trained dogs to locate and detect the presence of weapons and prohibited drugs on school property.
4. Married Students
   a. It is the responsibility of students who are married to declare their married status at the time of marriage or at the time of enrollment in school.
   b. Married students are subject to all rules and regulations that apply to the entire student body.

5. Pregnant Students
   a. Pregnant students are expected to attend school regularly as are all other students.
   b. If a pregnant student has unusual medical or other problems, there are alternatives to full time school attendance which will fulfill the compulsory attendance requirement during pregnancy.
   c. A pregnant student experiencing medical or other problems which interfere with school achievement should contact her counselor who will refer her to the appropriate central office administrator.

This Policy applies when a student is on a school bus, on school grounds, off school grounds at a school activity, function or event and while traveling to and from school or a school activity, function or event. This Policy may also apply when a student’s conduct is unlawful and may reasonably be considered to be interference with school purposes or an educational function, when such conduct occurs during weekends, holidays, school recesses, or during the summer when a student may not be attending classes or other school functions. Students who commit these acts will be suspended and may be expelled for up to one (1) school year or one (1) calendar year, as set out in Article II, below.
   b. Students are required to observe school rules and regulations and to be subject to the authority of school officials at school events, whether on or off school grounds. Students are required to be courteous and obedient in response to all reasonable orders from school personnel whether on or off school grounds.

The Board of School Trustees of the New Albany-Floyd County Consolidated School Corporation has this legal responsibility. Authority for such action is given in the School Powers Act and the Student Due Process Statute, I.C. 20-33-8, et. seq.    If the circumstances or the nature of the misconduct requires immediate removal, the notice and conference shall follow as soon as reasonably possible after the suspension.

An expulsion that will remain in effect during the first semester of the following school year must be reviewed before the beginning of the school year. Such reviews shall be conducted by the Superintendent or his/her designee after notice of the review has been given to the student and the student’s parent or guardian. The review is limited to newly discovered evidence or evidence of changes in the student’s circumstances occurring since the original expulsion meeting and may lead to a recommendation that the student be reinstated for that semester.

III. PROCEDURE FOR HANDLING SUSPENSIONS AND EXPULSIONS FROM SCHOOL

The Board of School Trustees of the New Albany-Floyd County Consolidated School Corporation has provided a procedure for the handling of student suspensions and expulsions from school. The basic premise of this policy is fairness. A full text of the procedure required by Indiana Law is available in the Administrative Services Center, 2813 Grant Line Road, New Albany, Indiana 47150, upon request. The following is a summary of that procedure.

1. A principal or designee may suspend a student from school for a period not to exceed ten (10) school days. The principal or designee shall send a written statement to the student’s parents describing the student’s conduct, misconduct or violation of any rule or standard and the reasons for the action taken. The principal or designee shall make a reasonable effort to hold a conference with the parents before or at the time the student returns to school. A student may be suspended from school pending a meeting on his/her expulsion.

2. If, after an investigation, the principal or designee decides that expulsion is warranted for any student, he/she shall file a written charge with the Superintendent requesting that the student be expelled.

3. If the student has an identified disability and is receiving special education services in the School Corporation, the principal or designee will contact the Director of Student Support Services to schedule a causal relationship case conference at the time he/she submits a written charge to the superintendent. If the case conference committee determines that no causal relationship exists, under Article 7, the principal or designee may proceed with the expulsion recommendation.
4. When a principal or designee recommends to the Superintendent that a student be expelled from school, the following procedures will be followed:

a. The Superintendent may conduct an expulsion meeting, or may appoint one of the following persons to conduct the expulsion meeting:

   (1) A member of the administrative staff who did not recommend that the student be expelled and who was not involved in the events giving rise to that recommendation; or
   (2) Legal counsel.

b. The Superintendent or the person appointed to hold the expulsion meeting may continue the suspension of a student for more than the ten (10) school day period of the principal’s suspension and until the time of the expulsion decision, if he/she determines that the student’s continued suspension will prevent or substantially reduce the risk of:

   (1) Interference with an educational function or school purpose; or
   (2) A physical injury to the student, other students, school employees or visitors to the school. However, a student may not be suspended from school pending an expulsion meeting on a student’s legal settlement in the School Corporation.

c. An expulsion will not take place until the student and the student’s parent or guardian are offered the opportunity to request an expulsion meeting conducted by the Superintendent or the person designated by the Superintendent.

d. The opportunity to request an expulsion meeting will be in writing, delivered by certified mail or by personal delivery and contain the reasons for the recommended expulsion and the length of expulsion recommended. For purposes of this provision, a notice of opportunity to request an expulsion meeting or notice of the action taken at an expulsion meeting is effectively given at the time the notice is delivered personally or sent by certified mail to a student and the student’s parent or guardian.

e. Failure by a student or a student’s parent or guardian to request or to appear at an expulsion meeting shall be deemed a waiver of all rights administratively to contest the expulsion.

f. The Superintendent or the person designated to hold an expulsion meeting may issue subpoenas, compel the attendance of witnesses, and administer oaths to persons giving testimony at an expulsion meeting.

g. At the expulsion meeting, the principal or designee will present information to support the charges against the student. The student, parent or guardian will have the opportunity to answer the charges against the student, and to present information to support the student’s position.

h. If an expulsion meeting is held, the person conducting the expulsion meeting will make a written summary of the evidence heard at the meeting, take any action found to be appropriate and give notice of the action taken to the student and the student’s parent or guardian, by certified mail or personal delivery.

i. In accordance with Indiana Code, a student or parent may request an appeal to the Board of School Trustees on the action taken by the expulsion examiner. Any such appeal must be made within ten (10) days of receipt of notice of the decision of the
person conducting the expulsion meeting. If the appeal is properly made, the Board of School Trustees must consider the appeal within a reasonable time after such appeal is filed. As part of the process, the Board will consider the written summary of the expulsion meeting and the arguments of both the school administration and the student and/or the student’s parent/guardian. The Board of School Trustees will then take any action deemed appropriate and will give notice of the action taken, by certified or personal delivery, to the student and the student’s parent or guardian.

5. Under Indiana law, judicial review of the Board of School Trustee’s action, by the Circuit or Superior Court of Floyd County is limited to the issue of whether the Board of School Trustees acted without following the procedure required by the student due process statute, I.C. 20-33-8 et. seq.

IV. SCHOOL SAFETY POLICY

The New Albany-Floyd County Consolidated School Corporation has adopted proactive Safety Policy governing students who commit, attempt to commit, or threatened aggressive acts toward persons (students, employees, or visitors) or property. This Policy applies when a student is on a school bus, on school grounds, off school grounds at a school activity, function, or event, and while traveling to and from school or a school activity, function, or event. This Policy may also apply when a student’s conduct is unlawful and may reasonably be considered an interference with school purposes or an educational function, when such conduct occurs during weekends, holidays, school recesses, or during the summer when a student may not be attending classes or other school functions. Students who commit these acts will be suspended and may be expelled for up to one school year or one calendar year, in the case of firearms violations. Students will also be referred to the probation office or the prosecutor’s office as required or appropriate.

The School Safety Policy is implemented at each specific level of instruction (elementary, middle and high), and will not follow the student to the next level of instruction.

1. It shall be grounds for an immediate ten days suspension pending expulsion for any student to possess, handle, use, threaten to use, demonstrate the intent to use or transmit weapons, firearms, or explosives. Except in instances involving firearms, upon the recommendation of the building principal, first-time offenders may be given the option of participating in an approved educational/counseling program outside the school corporation. The cost of such outside educational/counseling program shall be the responsibility of the student and the student’s parents or guardians. The School Corporation may consider a reduction in the length of the expulsion upon satisfactory completion of this program.

2. A student will be expelled for a full calendar year for possessing, handling, or transmitting a firearm, as defined by Indiana law, while under the jurisdiction of the school corporation. Under I.C. 35-47-1-5, a “firearm” means any weapon that is capable of or designed to or that may readily be converted to expel a projectile by means of an explosion. A student expelled under this provision will not be re-enrolled in the school corporation until the beginning of the semester following the end of the expulsion. The length of expulsion for possession, handling, or transmitting a firearm may be reduced by the superintendent, if the circumstances warrant such a reduction.
3. First-time offenders who threaten or commit aggressive acts toward persons or property and who are not in possession of and have not handled, used, threatened to use, or transmitted weapons, firearms or explosives shall be immediately suspended for up to five school days. Such students shall also be required to meet with the school counselor upon returning to school.

4. The remainder of this Policy notwithstanding, when a first-time offender has engaged in violent conduct or has continued to demonstrate aggressive behavior after being told by a school employee to cease and desist (students must be able to immediately demonstrate restraint and self-control) such student may be suspended for ten school days pending expulsion. The students may, upon the recommendation of the building principal, be given the option of participating in an approved educational/counseling program outside the School Corporation. The cost of such outside educational/counseling program shall be the responsibility of the student and the student’s parents or guardians. The Superintendent may consider a reduction in the length of the expulsion upon satisfactory completion of this program.

5. Second offenders who threaten or commit aggressive acts toward persons or property and who are not in possession of and have not handled, used, threatened to use or transmitted weapons, firearms or explosives shall be immediately suspended up to ten school days. Such conduct shall also be grounds for expulsion; however, an educational/counseling alternative to expulsion provided by an approved outside agency may be offered by the building principal to the student and his/her parents or guardians. If the educational/counseling alternative is offered, required documentation must be presented upon return to school.

   a. This program will be designed to assist students in successfully managing and resolving conflicts in a nonviolent and non-aggressive manner, so that they may successfully complete school after experiencing the consequences of their violation of this policy.

   b. If the outside educational/counseling program is chosen by the student and parents or guardians the student must attend all sessions of the program. Any cost for this program will be the responsibility of the student and the student’s parents or guardians.

   c. If the student enrolls in the outside educational/counseling program and then withdraws or otherwise fails to satisfactorily complete the program, the building administrator shall immediately resume the expulsion process for such student.

   d. If the student or his/her parents or guardians do not choose to participate in the outside educational/counseling program, the building administrator shall immediately resume the expulsion process for such student. Such student may be referred to the Floyd County Probation Office for any appropriate action.

6. Students who threaten or commit aggressive acts on more than two occasions shall be immediately suspended for ten school days pending expulsion.

7. If a student’s behavior is a criminal act, in addition to school discipline, the school will also notify the proper authorities.

- If a student begins but does not complete the scheduled sessions, the process for expelling that student will be resumed by the building administrator.

11. Will this alternative program be offered to a student each time he or she enrolls in a different school in the Corporation?

- The educational/counseling program as an alternative to expulsion will be offered only one time while a student is enrolled in the New Albany Floyd County Consolidated School Corporation.

12. If a student or parent does not understand these rules or has other questions, who can they ask?

- School principals, assistant principals and counselors are available to discuss any questions and/or provide explanation.

PROCEDURE FOR FIRST TIME OFFENDERS OF THE DRUG AND ALCOHOL POLICY

If, after an investigation, the principal or designee decides the student violated the Drug and Alcohol Policy and had drugs or alcohol in his/her possession or was under the influence of drugs or alcohol, or transmitted drugs or alcohol to other students, the principal will suspend the student up to 10 days pending expulsion. The parent will be offered a waiver of due process that will require the student to attend the drug counseling program provided by the school corporation. If the parent signs the waiver, the suspension will be reduced to 3 days.

THE PROCEDURE FOR SECOND TIME OFFENDERS OF THE DRUG AND ALCOHOL POLICY AND STUDENTS WHO TRANSMIT DRUGS OR ALCOHOL TO OTHER STUDENTS.

If after an investigation, the principal or designee decides that student violated the Drug and Alcohol Policy for a second time and had drugs or alcohol in his/her possession, was under the influence of drugs or alcohol, or transmitted drugs or alcohol to other students, the principal will suspend the student for ten days pending expulsion, consistent with expulsion procedures outlined in Section III.

VI. Driver’s License Policy

This Policy, adopted by the board of School Trustees, is designed to comply with the Indiana law I.C. 9-24-2 and 20-33-8, as amended, which amended Indiana driver’s license law to invalidate an operator’s license or permit and to prohibit the issuance of an operator’s license or permit to a student less than eighteen (18) years of age, under the conditions set out in this Policy.

1. DEFINITIONS, FOR PURPOSES OF THIS POLICY.

i. “Cutting Class” refers to a student’s absence from an assigned class period during a school day without the knowledge and consent of the student’s parent and/or the school; a student is cutting class, unless both the parent and the school approve of the student’s absence from class. Three (3) instances of cutting class, whether on one (1) school day, or cumulative over more than one (1) school day, is a truancy from an entire school day, provided that no more than one (1) truancy
may be accumulated on any one (1) school day, and provided that no more than three (3) instances of cutting class on a single school day is one (1) day of truancy.

ii. “Suspension” means an out-of-school suspension and does not include an assignment to the Suspension Alternative Laboratory (SAL).

iii. “Truancy” refers to a student’s absence from school without the knowledge and consent of the parent and/or the school; i.e., a student’s absence is a truancy unless both the parent and the school approve of the student’s absence from school. A student who commits truancy is a truant. A suspension or expulsion for any reason is not truancy; however, absences due to suspension or expulsion are excused, and work missed may not be made up.

iv. “Habitual Truant” refers to a student who has been truant for a period of:
   1. Ten (10) or more days during a school year;

v. “Operator’s License or Permit” includes an operator’s license, learner’s permit, temporary motorcycle learner’s permit, motorcycle operator’s endorsement, motorcycle operator’s license, or any other license or permit issued by the Indiana bureau of Motor Vehicles to operate a motorized vehicle in the State of Indiana.

vi. “Parent” includes any person or agency legally responsible for a student.

vii. “Principal” includes any designee of the principal.

viii. “Student Guide” refers to the New Albany-Floyd County Consolidated Schools Student Guide for Student Rights and Responsibilities, Enforcement of Rules and Regulations and Due Process Procedures, as adopted by the Board of School Trustees and, from time to time amended.

ix. “Superintendent” includes any designee of the Superintendent

2. Indiana law prohibits the issuance of an operator’s license, or permit and invalidates any existing license or permit, if a person less than eighteen (18) years:
   a. Is under a second suspension from school for the school year;
   b. Is under an expulsion from school;
   c. Is a habitual truant; or
   d. Withdraws from school before graduating in an effort to circumvent the sanctions listed in this subsection or for any reason other than financial hardship.

3. When a student, who is at least fourteen (14) years of age, but less than eighteen (18) years of age, is suspended for the first time in a school year, the parent and the student will be informed of the consequences of a second suspension under this Policy.

4. The opportunity for an expulsion meeting will be offered, when a student is charged with conduct for which expulsion is recommended.

5. A student whose operator’s license or permit has been denied or invalidated under the terms set out above, will become eligible for an operator’s license or permit, or to have such a license or permit revalidated upon one of the following events:
a. The student becomes eighteen (18) years of age;

b. One hundred eighty (180) days after the student is suspended, or the end of a semester during which the student returns to school, whichever is longer;

c. Thirty (30) days after a student resumes school attendance following an expulsion.

d. The expulsion is reversed through the student due process procedures set out in the Student Guide; or

e. If 2 (d) above applies, the student in good standing has re-enrolled in school and attended for thirty (30) days.

2. When a student has been suspended twice or expelled, the student’s principal will communicate the pertinent information to the Indiana Bureau of Motor Vehicles. The student’s principal will, at the appropriate time as set out in subsection 5 above, provide such student the information necessary for the student’s operator’s license or permit to be revalidated by the Indiana Bureau of Motor Vehicles.

3. If a principal has reason to believe that a student is withdrawing from school in order to avoid a second suspension in a school year or an expulsion, the principal shall proceed with the suspension or the recommendation for expulsion and notify the Indiana Bureau of Motor Vehicles.

4. If a student less than eighteen (18) years of age withdraws from school before graduating for any other reason than financial hardship, the principal of the student’s school will report the student’s withdrawal under I.C. 20-33-2-21 and I.C. 20-33-2-11 and the student’s operator’s license or permit will be invalidated, or the student will not be eligible to receive such a license or permit. When a student seeks to withdraw, the principal will hold an exit interview and will determine the reason for the student’s withdrawal. If the principal determines that the reason for withdrawal is not financial hardship, the student and the student’s parent will receive a copy of the determination.

5. Nothing contained in this Policy shall limit disciplinary action under the Corporation’s attendance policy for any individual instance of truancy or cutting class. The student who has been truant and the parent of such student will be informed of each truancy and the consequences of additional truancies under this policy.

6. The parent of a student charged by a principal with being a habitual truant will receive notice of such charges and may request a meeting under the provisions of the School Corporation’s student due process procedures set out in the Student Guide.

7. The Superintendent acting on behalf of the Board of School Trustees, will inform the student and the student’s parent of his/her determination, and if he/she determines that a student is a habitual truant, he/she will submit, to the Indiana Bureau of Motor Vehicles, the pertinent information concerning the student’s ineligibility to be issued an operator’s license or permit.

8. The Superintendent will provide the principal of each secondary school in the Corporation a copy of each list of habitual truants and will provide the principal of the student’s school a copy of the official determination for inclusion in the student’s education record.
9. The attendance record of a student who has been founds to be a habitual truant shall be reviewed by the principal of the student’s school at the end of each school year during which the student is designated a habitual truant.

a. In reviewing the student’s attendance record, the principal will decide whether or not the student’s attendance has improved to the degree that the student should no longer be designated a habitual truant and should become eligible to be issued an operator’s license or permit upon fulfilling all other requirements for such license or permit, and the principal shall submit a recommendation to the Superintendent on this matter.

b. The Superintendent, acting on behalf of the Board of School trustees, will notify the student and the student’s parent of the principal’s recommendation and will offer the opportunity for a meeting under the School Corporation’s student due process procedures, set out in the Student Guide.

c. The Superintendent, acting on behalf of the Board of School Trustees, will inform the student and the student’s parents of his/her determination, and if he/she determines that a student is no longer a habitual truant, he/she will submit, to the Indiana Bureau of Motor Vehicles, the pertinent information concerning the student’s eligibility to be issued an operator’s license or permit.

d. The decision of the Superintendent, under subsection C, immediately above, may be appealed in accordance with the School Corporation’s student due process procedures, in the Student Guide.

e. If a student who has been designated a habitual truant, and who remains ineligible to obtain an operator’s license or permit, withdraws from the School Corporation for any reason, the student’s former principal in the School Corporation shall have no authority or duty to conduct a review of such student’s attendance record; conversely, if such a student moves or transfers to the School Corporation, or to another school in the School Corporation, the principal of the school in which the student is newly enrolled shall conduct the appropriate review.

f. A determination that a student is no longer a habitual truant shall not cause the number of truancies to be erased for purposes of considering a charge that a student is a repeat habitual truant under this Policy.

10. For purposes of this Policy, when a student enrolls in the School Corporation and the student’s attendance and disciplinary records are obtained from the student’s previous school(s), the principal of the newly enrolled student shall treat such records as if the conduct of the student recorded therein had occurred with this School Corporation. Similarly, the principal shall recognize a previous school’s designation or determination of truancy and habitual truancy, as well as any suspension or expulsion.

VII. School Bus Safety Code

As are parents and students, the New Albany-Floyd County Consolidated School Corporation and its officials, the transportation fleet and the school bus drivers, are interested in obtaining optimum safety for all the students who ride busses. It takes the earnest cooperation of students, parents, principals, and bus drivers to achieve this prime goal in pupil transportation.
All school children, while being transported on a school bus, shall be under supervision, direction, and control of the school bus driver, and shall be subject to the discipline of the bus driver and the governing body of the school corporation.

The following rules have been instituted for the safety and comfort of our children and the efficient operation of our bus fleet.

Students must do the following:

1. Be at their bus pickups on time. An early start will assure this.
2. Wait their turns to load and unload the bus. Avoid standing or playing on the road while waiting for the bus.
3. Obey the bus driver (and bus monitors) promptly and cheerfully. Realize they have a big responsibility and that it is their job to help.
4. Knowing that bus transportation is scheduled to move students from one point to another safely and in conformance with a definite schedule, students must understand that anything that can be done to maximize safety should be their concern.
5. Watch their steps getting to and from the stop and on and off the bus. Where there are no sidewalks, students should walk on the edge of the road facing oncoming traffic.
6. Show consideration for the property where their bus stops are located. Damage and destruction at “stops” result in the discontinuance of these “stops.”
7. Nothing (arms, hands, heads, books, etc.) shall be allowed to protrude from open windows on the bus. Windows may only be opened or closed with the permission of the bus driver. Feet should be kept on the floor at the seats and not protrude into aisles of the bus.
8. Horseplay, littering, loud and boisterous conduct on the bus will not be allowed. This type of conduct distracts a driver and may result in a serious accident endangering every person on the bus.

VIII. **TELECOMMUNICATION**

Student Access to the Internet

Users are legally bound to the terms and conditions of the Telecommunications Use Agreement. It is assumed that users have read the terms and conditions carefully and understand their significance including the understanding that any violation of these regulations is unethical, may constitute a criminal offense, that accessers’ privileges may be revoked and school disciplinary action may be taken as well as appropriate legal action.

If a parent or guardian does not authorize the school to make Internet access available to their student, it is the parent’s responsibility to inform the school in writing. Alternate activities of a suitable educational nature not requiring Internet access will be assigned to students whose parents have informed the school not to make Internet access available to their student.

**NEW ALBANY-FLOYD COUNTY CONSOLIDATED SCHOOL CORPORATION**

**TELECOMMUNICATIONS USE AGREEMENT**
The New Albany-Floyd County Consolidated School Corporation firmly believes that there is a wealth of information and interaction on the worldwide computer network that will provide valuable resources for our students. With access to computers and people from all over the world through Internet, it is impossible to control access to all materials found on the Internet, and an industrious user may discover controversial information. Sponsoring teachers will instruct and supervise their students in acceptable use of the Internet and proper Internet etiquette.

The smooth operation of the network relies upon the proper conduct of the end users who must adhere to strict guidelines. Access to the Internet through school machines requires responsible, efficient, ethical, and legal utilization of Internet resources. Users violating any of these provisions may be disciplined, and their access to Network and Internet services terminated and future access denied.

INTERNET-TERMS AND CONDITIONS

1. Acceptable Use – Internet and Network access must be in support of education and research and consistent with the educational objectives of this School Corporation. Transmission of any material in violation of any U.S. or state regulation is prohibited. The Board of School Trustees firmly believes that broad educational opportunity should be a right for all children. Educational experiences are provided not only in the regular classroom, but also by a comprehensive extracurricular activities program. Therefore, removal from the extracurricular activities or from the classroom as a disciplinary measure is resorted to only when self-discipline fails.

It is the sincere hope of the Board of School Trustees that this Guide will be helpful to students, parents, and teachers in the effort to promote more democratic schools and continued good relations between students and teachers.
