

# Registration 2017-18 FAQ

## 1. What do I need to do in order to register my student for the 2017-18 school year?

**Infosnap Online Registration** – families will be updating very important student information. Follow the instructions included with your Snapcode letter (mailed to families July 5). Upon receipt of your Snapcode letter, please complete this step as soon as possible. If you would like assistance with this process, it will be available during onsite registration. Please note that Google Chrome and Firefox work best with this application. If you need technical assistance, please call Infosnap support at (866) 752-6850 or [infosnap.zendesk.com](https://infosnap.zendesk.com).

## 2. What do I do if I lose my Snapcode letter?

Another copy of the Snapcode letter can be obtained at the school during onsite registration.

## 3. When/how will fees be collected for textbook rental?

Textbook rental fee statements will be mailed to families during the week of August 14 with fees due no later than September 1. Summer is very busy and we wanted to give families more time to prepare for paying this bill. Parents will still be able to pay online as well as pay at the school site by cash, check, or charge. More details for paying fees will be included with the textbook rental fee statement mailer in August.

## 4. Do I have to go to the school for registration?

There is **no** need to go to the school site for registration if you have completed the Infosnap registration form online.

## 5. If I do not have the ability to complete this information online, what should I do?

Please go to the onsite registration and computers will be available as well as assistance.

## 6. Where can I find the application for the Free/Reduced Lunch Program?

There is a link on the last page of the Infosnap online registration form that will direct you to the Free/Reduced Lunch application site - <https://frapps.horizonsolana.com/NEWA01>. If you would like assistance with filling out this application, there will be staff available at schools during onsite registration.

## 8. How do I find transportation information?

- Go to our website [www.nafcs.k12.in.us](http://www.nafcs.k12.in.us)
- Go to Parent|Tell Me About|Transportation|Bus Stop Information (E-Link).
- The actual link is called 'Elink' in blue.
- Login with the Student ID (found on the Snapcode Letter) as the User Name and Password. You will then be directed to create your own unique password.
- Click on Work with Students and then View My Students.
- Click on your student to view his/her bus stop information.

If no route information is available or the student's pickup location is incorrect, please call the Transportation Office (812-542-4707) or send an email to [transportation@nafcs.k12.in.us](mailto:transportation@nafcs.k12.in.us) and let us know your student's name, grade, home address, pickup address and drop-off address to get a bus assignment. Also, if your student will not be riding the bus this year, we would like to know that as well.

**Be aware that bus stop times will change throughout the year, especially the first few weeks of school due to traffic patterns and students being added to bus routes. Please have your student at the bus stop 10 minutes prior to their bus stop time. Check daily the first 2-weeks of school for updated information, then periodically for any changes throughout the year. If your student is moving from elementary school to middle school or middle school to high school, please keep in mind that the bus pickup/dropoff location may not be the same as last year.**
