

Feeling under
the weather?
Talk to a doctor
within minutes.

If you or someone in your family is not feeling well and doesn't require emergency care, telemedicine, powered by Doctor On Demand, lets you see a U.S. board-certified physician in minutes using your smartphone, tablet, or computer.

With Humana's telemedicine benefit delivered by Doctor On Demand, you can:

-  Connect with a physician from one of Doctor On Demand's U.S. board-certified doctors
-  Immediately see a doctor 24 hours a day, 7 days a week from any location
-  Your primary care physician can access your telemedicine visit at your request
-  If medically necessary, the telemedicine doctor can send a prescription to a preferred pharmacy

Go to Doctor On Demand's website for more information on telemedicine and promotional offers

Talk to a telemedicine doctor for \$40 or less.
Based on your plan, your co-payment or retail clinic benefit cost may be less.

- 1 Download the app
- 2 Enter your Humana information
- 3 See an MD within minutes

No appointments required

There are many ways to sign up and start seeing a doctor:

- Visit www.doctorondemand.com/humana
- Download the Doctor On Demand mobile app, available on the App Store and Google Play

What can be treated by telemedicine

Telemedicine should be considered when your primary care doctor is unavailable, after-hours or on holidays for non-emergency needs. Many urgent care ailments can be treated with telemedicine, such as:

- Colds, sore throat, and flu symptoms
- Upper respiratory infections
- Allergies and sinus infections
- Ear and eye problems
- Skin conditions

Telemedicine is not for emergency situations such as chest pain, abdominal pain or shortness of breath.

Limitations on medical and prescription services delivered via telemedicine vary by state. Telemedicine is not a substitute for emergency care and is not intended to replace your primary care provider or other providers in your network. This material is provided for informational use only and should not be construed as medical advice or used in place of consulting a licensed medical professional.
