### Prior authorization
Humana sometimes requires preauthorization for some services and procedures your physician or other provider may recommend for you. Humana does this solely to determine whether the service or procedure qualifies for payment under your benefit plan. You and your health care provider decide whether you should have such services or procedures. Humana’s preauthorization determination relates solely to payment by Humana. To find a list of services and supplies that require preauthorization for coverage, please visit our Website at Humana.com/members/tools/ or call Customer Service.

Failure to obtain necessary preauthorization when required may result in a reduction of otherwise payable benefits. Your health care practitioner should call Customer Service to obtain preauthorization.

### Payments
Participating providers agree to accept amounts negotiated with Humana as payment in full. The member is responsible for any required deductible, coinsurance, or other copayments. Plan benefits paid to nonparticipating providers are based on maximum allowable fees, as defined in your Certificate of Insurance.

Nonparticipating providers may balance bill you for charges in excess of the maximum allowable fee. You will be responsible for charges in excess of the maximum allowable fee in addition to any applicable deductible, coinsurance, or copayment. Additionally, any amount you pay the provider in excess of the maximum allowable fee will not apply to your out-of-pocket limit or deductible.

Primary care and specialist physicians and other providers in Humana’s networks are not the agents, employees or partners of Humana or any of its affiliates or subsidiaries. They are independent contractors. Humana is not a provider of medical services. Humana does not endorse or control the clinical judgment or treatment recommendations made by the physicians or other providers listed in network directories or otherwise selected by you.

To be covered, expenses must be medically necessary and specified as covered. Please see your Certificate for more information on medical necessity and other specific plan benefits.

1. Ambulance transportation and/or services received in an emergency room are not covered unless required because of emergency care, as defined in your Certificate.
2. Coverage is limited to drugs included in the Humana HDHP Drug List. Coverage for some drugs may be subject to dispensing limitations. Additionally, some drugs may need prior authorization in order to be covered.
3. Day/visit limits are combined for participating and nonparticipating providers.
4. Deductible and out-of-pocket limits for participating and nonparticipating benefits calculate separately.
Before applying for coverage, please refer to the Regulatory Pre-enrollment Disclosure Guide for a description of plan provisions which may exclude, limit, reduce, modify or terminate your coverage. Limitations and exclusions to coverage apply even if a health care practitioner has performed or prescribed a medically appropriate procedure, treatment or supply. This does not prevent your health care practitioner from providing or performing any procedure, treatment or supply. This guide is available at Humana.com/members/enrollment center/pre-enrollment disclosures or through your sales representative.
