## What is The Excel Center®?

The Excel Center is a tuition free, public charter school that provides adults the opportunity to earn an Indiana Core 40 high school diploma and begin post-secondary education. In addition to a high school diploma, students earn industry-recognized certificates and/or college credits towards undergraduate degrees at local colleges and universities at no cost to them.

- Schedules are year-round with five 8-week terms.
- Flexible morning and afternoon class schedules are offered Monday through Thursday.
- Free child care and transportation are available.
- Licensed instructors facilitate learning in language arts, mathematics, social studies and science.
- Every student is assigned a life coach to help them overcome life-barriers and personal issues.

## Who Can Enroll?

The Excel Center enrolls students who live in Indiana and do not have a high school diploma or individuals who have a GED. Applications are accepted year-round at [excelcenter.org](http://excelcenter.org).

## Industry-Recognized Certifications

The Excel Center offers certifications in a variety of industries, including:

- Advanced Manufacturing
- Business
- Education
