

2018 NA PARKS/SIU GRASSROOTS SOCCER PROGRAM

PURPOSE:

The purpose of this program is to provide an environment that gives the player the motor skills for all sports, the foundations for playing soccer, developing a sound character, and having fun. All training sessions will use game-related activities to enhance player development. In using a game-related methodology for instruction, the goal for all players will be to develop motor skills and ball mastery to move the ball forward, create scoring chances, score goals, prevent the opponent from moving the ball forward, regain possession, denying the opponent scoring opportunities, and prevent the opponent from scoring goals.
