### General New Swim Team Member Evaluations

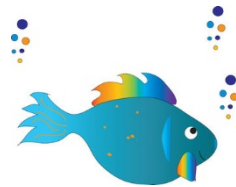

Wednesday, March 6th @ Highland Hills MS,

between 5:30 -7pm.

Bring your suit and goggles to be evaluated for group placement.

Riverside Aquatic Club is the oldest competitive club swim team in our area of Southern Indiana, providing a program of excellence in a positive atmosphere. Our goals are to enable each swimmer to reach his or her maximum potential. We believe those goals can be achieved by providing a disciplined program with emphasis on teaching skills and positive encouragement. We offer nine different levels for ages 5 to college. We utilize the pools of the NAFC School Corporation and appreciate their support.
