

Lafayette Academy Preschool

Where the Love of Learning Begins!

Open House & Early Registration

Come tour our school, meet our teachers and see what Lafayette Academy has to offer your preschooler for the 2019-2020 school year. We offer small class sizes with certified teachers and full-time assistants in every classroom. Our children enjoy a play-based program with a strong academic focus and graduate prepared for kindergarten with a love for learning! We have a researched based Minds-in-Motion room where students are able to exercise their bodies and minds daily. We'd love to see you on Jan. 31.

Thursday
