Dear Parents & Family Members:

Thank you for choosing S. Ellen Jones Elementary School to educate your child. We believe that you are your child's first and most important teacher. We want you to be an important part of the team that is dedicated to your child's school success, and we encourage you to be actively involved in our school family. You can help our students practice the principles of our *SW-PBS Plan* by encouraging your child to be Safe, Trustworthy, Always Kind, and Responsible at home and at school. Please read the section about *Parent Involvement* to learn more about how you can become more connected with SEJ.

Our award-winning teaching and instructional support staff members are ready to make this a great year of learning and growing for your child. Our extraordinary staff is committed to continuous improvement through our work as a Professional Learning Community (PLC). As a PLC, we work in collaborative teams to find answers to the following questions:

- ☺ *What should each student know and be able to do as a result of each unit of study, grade level, and/or course?*
- ☺ *How will we know if they have learned it?*
- ☺ *What will we do if they don't learn it?*
- ☺ *What will we do if they already know it?*

This approach to instruction keeps us focused on student learning and positive results in a collaborative culture to ensure that each and every child's academic needs are identified and a plan to meet those needs is created, implemented, and modified as needed.

We continue to offer many innovative programs for your children, including a designated time each week for art, music, physical education, media/library, and computer lab. We also offer a variety of computer-based and small group interventions for students who need extra academic help; accelerated learning activities for students who are demonstrating mastery of grade level skills; extended learning opportunities for K-4 students, full day PreK programming, and other opportunities for academic enrichment.

We encourage you to read this handbook and the *Student Guide* carefully to learn more about S. Ellen Jones Elementary and our school corporation. Feel free to contact us with questions you may have after reading the handbook or with any other questions you may have throughout the school year. Your input is always valued.

Please join us in making S. Ellen Jones a great place to learn, grow, and develop our S.T.A.R. potential as readers, writers, and mathematicians!

## ARRIVAL/DISMISSAL TIMES & PROCEDURES

The care and safety of our students is our primary concern at S. Ellen Jones. Our arrival times are governed by the availability of staff members to adequately supervise students before school. Every student receives a free breakfast in the classroom. Students should arrive between 7:45 and 8:00 a.m. We cannot allow students into the building before 7:45 a.m. because we do not have staff available for supervision before that time. **Students should not be dropped off or sent to school before 7:45 a.m.** as they will be unattended. Students who arrive after 8:00 a.m. will be counted as tardy.

Please follow the arrival and dismissal procedures outlined below. These procedures were put into place in the fall of 2010 in order to create a safe and orderly arrival and dismissal process.

### ARRIVAL & DISMISSAL PROCEDURES:

**Buses: Use Culbertson Avenue Door #1 for arrival and dismissal (No other vehicles use Door #1)**

**\*Walkers: Enter through Door #1 (7:45-8:00 a.m.). Dismiss through Ritter Park Door #2 (2:25-2:35 p.m.).**

**Daycares: Use Door #8 from 7:45-8:00 a.m. & from 2:25-2:35 p.m.**

**\*Car Riders: Use Door #7 from 7:45-8:00 a.m. & from 2:25-2:35 p.m. You will receive a Car Rider Number at the start of school.**

**Please do not send or meet your child at a door from a car that you park along the street. That would make your child a Car Rider.**

**Daycare vehicles and cars should be in place by 2:25 p.m. each day. Daycare vehicles MAY choose to pull into a vacant parking spot, if one is available. Daycare vehicles MAY have to circle the block in order to avoid blocking traffic. No vehicle may block traffic along a city street.**

**NOTE: *Arrival or dismissal procedures are subject to change at the beginning of the school year. You will be notified if there is a change in these procedures.***

It is very important for you to follow the directions of the adults who are “on duty” at each of our doors. These adults are following the directives of the building administrators and are there to keep your child safe. Car riders and daycare students will be released ONLY to vehicles that are using the lane next to the school building. Students will not be allowed to cross any lane of traffic to reach a vehicle. Please be considerate of others in line at all times.

Our dismissal time is 2:25 p.m. You must call the school office no later than 1:30 p.m. in order to change how your child will go home at dismissal. Our staff has been instructed to follow the dismissal form directions unless the parent/guardian has made a change.

Teachers are responsible for student supervision and are not available to talk in the mornings or during dismissal. If you wish to meet with your child's teacher, please make an appointment through the school office. We would be glad to meet with you!

## **ATTENDANCE POLICY AND PROCEDURES (NAFCS)**

The New Albany Floyd County Consolidated School Corporation requires that students attend each day the school is in session. Each day of school is part of a sequential learning process; therefore missing even one day without good cause should be avoided.

### **Reporting Absences to School**

Parents are to notify office of a student's absence. When reporting the absence please use the attendance line (812-542-8101) and provide complete information as to child's name, teacher, request for picking up homework, and the reason for the absence. Failure to contact the school office with information regarding the student's absence may result in an unexcused absence.

Physician, dental and counseling appointments should be scheduled after school hours whenever possible. If unavoidable, please notify the office and have the child attend classes both before and after the scheduled appointments. A physician's statement of diagnosis may be required at any point for an absence or extended absences. After ten days absence, a doctor's statement is required each time a student is absent for the remainder of the year. A statement from a licensed medical professional documenting an absence may allow an unexcused absence to be changed to an excused absence.

If one or more of the following occurs, your child will be sent home: temperature of 100 or higher, vomiting, severe pain in the chest or stomach, fainting, live lice is found in hair, and/or injury. Please have two current emergency contacts listed on your child's enrollment form. Please contact the school immediately if this information changes during the year.

### **Excused Absence-Definition**

Absences for the following reasons will be considered as excused absences:

- Illness that involves fever, vomiting, injuries, or situations when a physician recommends the students be absent from school. The reason is to be reported to the school office.
- Death of immediate family member
- Medical or dental appointments which cannot be scheduled outside the school day (a written doctor's statement is to be given to the school office)
- Religious Holidays
- Court ordered absences
- Other unusual circumstances when approved by the principal and requested in advance of the event
- Travel for a limited time period involving new educational experiences for a student, which is requested on an infrequent basis by parents or guardian at least one week in advance of the proposed absence. Letters should be submitted to the school principal for approval.

### **Unexcused Absence-Definition**

Absences for the following reasons will be considered as unexcused absences:

- "Long weekends" and vacations without prior approval
- Moving days (change of residence)

- Transportation problems
- Medical or dental appointment without a doctor's written statement
- Appointments for non-essential activities such as haircuts, shopping, etc....
- Extended absences for head lice treatment

### **Tardy to School-Definition**

Students who arrive at school after 8:00 a.m. are considered tardy. Those who arrive after 8:00 a.m. are to report to the office to obtain a pass that will permit them into the classroom. **The student's parent or guardian is to sign in at the office and indicate the reason the student is tardy.** The tardy will be documented in the office.

Excused tardies are those that are verified in writing by a medical professional, counselor, etc., or those that have been approved by the building principal due to extenuating circumstances.

### **Early Dismissal-Definition**

Requests to release children from school prior to 2:30 p.m. create a disruption to the learning environment. Excused early departures are those departures that are verified in writing by a medical professional, counselor, etc., or those departures approved by the building principals for extenuating circumstances. If early dismissal is unavoidable, please follow this procedure:

- Send a note to your child's teacher including the date, time, and reason for early dismissal.
- Report to the office at the designated time. Your child will be called to the office when you arrive.

### **Procedure for Dealing with Excessive Absences, Tardies, or Early Dismissals**

Once a student obtains **ten** unexcused absences, a referral will be submitted to Department of Child Services per Indiana Code. Referral documentation includes:

- Evidence that the school has communicated attendance concerns to the parents
- An academic impact statement including grades and performance concerns
- Attendance records

Anytime a student misses any portion of the school day (early dismissal, tardy, appointments during the day) the student will be marked tardy for accurate record-keeping. If the period of time exceeds one-half of the student day, the student will be marked half-day absent.<sup>i</sup>

### **Anti-Bullying**

(a) Bullying is **prohibited** by the School Corporation. Students who commit any acts of bullying are subject to discipline including but not limited to suspension, expulsion, arrest, and/or prosecution.

(b) Definition: "Bullying" is defined as overt, unwanted, repeated acts or gestures, including verbal or written communications or images transmitted in any manner (including digitally or electronically); physical acts committed; aggression; or any other behaviors committed by a student or group of students against another student with the intent to harass, ridicule, humiliate, intimidate, or harm the targeted student, creating for the targeted student an objectively hostile school environment that:

- (1) places the targeted student in reasonable fear of harm to his or her person

or property;

(2) has a substantially detrimental effect on the targeted student's physical or mental health;

(3) has the effect of substantially interfering with the targeted student's academic performance; or

(4) has the effect of substantially interfering with the targeted student's ability to participate in or benefit from the services, activities, or privileges provided by the school.

Bullying does **not** include:

- participating in a religious event;
- acting in an emergency involving the protection of a person or property from an imminent threat of serious bodily injury or substantial danger;
- participating in an activity consisting of the exercise of a student's freedom of speech rights;
- participating in an activity conducted by a nonprofit or governmental entity that provides recreation, education, training, or other care under the supervision of one (1) or more adults;
- participating in an activity undertaken at the prior written direction of the student's parent; or
- engaging in interstate or international travel from a location outside Indiana to another location outside Indiana.

(c) Applicability: The School Corporation prohibits bullying in all forms. This policy may be applied regardless of the physical location in which the bullying behavior occurred, whenever the individual committing the bullying behavior and any of the intended targets of the bullying behavior are students attending a school within the School Corporation and disciplinary action is reasonably necessary to avoid substantial interference with school discipline or prevent an unreasonable threat to the rights of others to a *safe and peaceful* learning environment. The School Corporation prohibits bullying through the use of data or computer software that is accessed through any computer, computer system, or computer network.

(d) Education: All students in grades K-12 will be provided age appropriate instruction focusing on bullying prevention.

(e) Reporting: Anyone who believes that a student has possibly been or is the victim of bullying is encouraged to **immediately** report the situation to an appropriate staff member such as a teacher, school counselor, or administrator (including the Superintendent). All staff who observe or receive a report of suspected bullying shall **immediately** notify a designated school administrator in charge of receiving reports of suspected bullying. If a staff member does not know who to make a report to, he or she should report directly to the building principal or Superintendent. Bullying reports to the Department of Child Services and/or law enforcement must be made as required by law, such as when a staff member believes that a student is the victim of abuse or neglect. Any person who makes a report of bullying and requests to remain anonymous will not be personally identified as the reporter or complainant to extent permitted by law. The School Corporation will act appropriately to discipline staff members who fail to initiate or conduct an investigation of a bullying incident and for persons who falsely report an incident of bullying.

(f) Investigation: Once a report of suspected bullying is received by the designated school administrator, an expedited investigation shall follow. The investigation should

be facilitated by the designated school administrator or other appropriate school staff. Information relating to the investigation will be gathered using means including, but not limited to: witness interviews, request for written witness statements, record identification and review, and an assessment of whether bullying occurred. The investigation will be initiated within one (1) business day of the report to the designated school administrator and will ordinarily be completed within thirty (30) calendar days.

(g) Intervention/Responses: If a report of suspected bullying is substantiated through an investigation, then the School Corporation shall take appropriate intervention and responses as consistent with policy and procedure. The School Corporation will take prompt and effective steps reasonably calculated to stop the bullying, remedy the bullying, and prevent the bullying from recurring. Interventions and responses include, but are not limited to: separating the bully and the target; follow-up school counseling for the target; bullying education for the bully; and prompt disciplinary action against the bully. These steps should not penalize the target of the bullying. Disciplinary actions against the bully may include, but are not limited to: suspension and expulsion for students; discharge for employees; exclusion for parents, guests, volunteers, and contractors; and removal from any office for governing body members. Also, if the acts of bullying rise to the level of criminal offense the matter will be referred to law enforcement.

(h) Parental Involvement: Parents are encouraged to be involved in the process of minimizing bullying. Parents should report suspected acts of bullying to an appropriate school official. In addition, parents of students suspected of bullying will be notified with a phone call or through other appropriate means of communication. Conversely, parents of students suspected of being the target of acts of bullying will also be notified with a phone call or through other means of appropriate communication. Parent notifications will occur in an expedited manner within one (1) business day after the designated school administrator receives the report of suspected bullying. Parents of students who are disciplined for acts of bullying will be involved in the disciplinary process consistent with the law and the School Corporation policy.

## CHECK IN/CHECK OUT

Parents are asked to avoid removing students from school during the regular school day. If an emergency occurs and you must remove your child during the school day, a parent will need to come to the school office to sign out the child. **Only the parent, legal guardian, or someone listed on the enrollment form will be allowed to sign out a student during school hours. This also applies to people picking students up in the office after school.** Adults signing students out may be asked for personal identification. PLEASE DO NOT BE OFFENDED. THIS PROCEDURE IS IN PLACE TO PROTECT YOUR CHILD. Please try to schedule all doctor and other appointments after school hours. We want your child to receive the best possible education, so every minute of time is precious.

\*Important Note: Child custody and court orders sometimes dictate that children are not to be released to certain individuals. The school office MUST have a copy of the court's ruling on file so we can honor these orders.

## COMMUNICATION

The office staff at S. Ellen Jones Elementary is committed to being friendly, kind, and helpful to families and visitors. They are known to go above and beyond to help our students and family members. *Please remember that our office staff is not usually able to help you with information regarding a complaint and will refer your questions to the building administrator as soon as possible.* If you wish to make an appointment with a teacher or administrator, please do so by calling the school office. You may call us at 812-542-5508 during the school day. We will make appointments with teachers through the office or put you through to the teacher's voice mail system. The office staff has been instructed NOT to interrupt our instructional day. Staff members will return calls at their earliest convenience.

## CONFERENCES

A close line of communication and understanding between the parent and teacher will have a very positive impact on your child's school success. We can communicate most effectively through individual parent-teacher conferences. The New Albany-Floyd County School Corporation will hold a parent-teacher conference day for students in kindergarten through 6<sup>th</sup> grade on Tuesday, November 5, 2019. Additional conferences may be initiated by either the parent or the teacher. Conferences should be set by appointment. This may be done by calling the school office, sending a note to the teacher, or by indicating a request for a conference on the progress report.

## COUNSELING

Our School Counselor is available to your student for social & emotional support. In addition, she is an excellent contact person to help connect families with social services. She is employed by the New Albany-Floyd County Consolidated School Corporation.

## CROSSING GUARDS

Crossing guards provided by the City of New Albany will be stationed at three intersections in the mornings and at dismissal times. Please impress upon your child the importance of cooperating with the crossing guards and obeying rules for the careful crossing of streets.

## CURRICULUM

Our academic curriculum is based on the *Indiana Academic Standards* and the *College and Career Readiness Standards* as set out by the Indiana Department of Education. All students in grades K-4 receive instruction in language arts/reading, mathematics, social studies/citizenship, science and health. Computer instruction is also provided. Students in K-4 also receive regular instruction in library/media, computers, art, music and physical education. Teachers utilize a variety of techniques and teaching strategies to meet the individual needs of students. **All students are required to fully participate in our home practice program.** If circumstances at home do not allow you to support this program, your child will be required to read with a staff member after school on Mondays through Thursdays. Parents are responsible for transporting children home at 3:00 p.m.

## DAYCARE

Several area daycares transport students to and from our school. Please call the daycare for rate information. Daycare students are to arrive and dismiss through Door #8 on 11<sup>th</sup> Street.

***The SEJ S.T.A.R. Way!***

## DISCIPLINE POLICY/SCHOOLWIDE POSITIVE BEHAVIOR SUPPORT PLAN

We take pride in the overall behavior of students at S. Ellen Jones Elementary and provide each student with maximum opportunities to acquire an excellent education. No student has the right to interfere with another's opportunity to learn due to poor manners, inappropriate actions, or lack of consideration. School discipline is simply a matter of courtesy, manners and attitude. Please remind your child that all staff

members have equal authority at S. Ellen Jones Elementary. Students are expected to do what is asked of them while under the watchful eye of any staff member.

School rules and policies apply on the school grounds; going to and from school; at the park; on a school bus; and at events where our school is represented such as field trips, programs, or athletic events—regardless of the place or time. In the event of student misconduct, appropriate disciplinary action will be taken.

When a student chooses to ignore opportunities to change his/her behavior as requested by an adult in our building, she/he may be disciplined by a teacher or administrator. Please read the *New Albany-Floyd County Consolidated Schools Student Guide for Student Rights and Responsibilities* located at the end of this handbook for information regarding disciplinary actions, suspensions and expulsions.

S. Ellen Jones has a small time-out room in the office to provide a secure space for students to use as a place to get themselves ready to return to class in the event they are having difficulties in the classroom setting. Students are placed in the time-out room for only short periods of time and are supervised closely by office staff. It is always our goal to keep everyone safe and secure and to return all students to their regular classroom setting as soon as possible.

It is the responsibility of each student to know and obey the rules. Please help your child understand that the following behavior is unacceptable:

- a. Fighting
- b. Verbally or physically hurting another person
- c. Destruction of school or park property, or another student's property
- d. Unacceptable language or gestures, profanity, or vulgarity
- e. Repeated disruption of the classroom
- f. Cheating
- g. Theft
- h. Obscene or suggestive dress
- i. Bullying
- j. Trading personal belongings with others. This includes pierced earrings, clothing, etc.
- k. Racial/sexual jokes, remarks, or harassment
- l. Use or possession of cigarettes, drugs, alcohol, or look-alikes
- m. Leaving school grounds or designated areas without permission
- n. Chewing gum or eating candy

It is the responsibility of all students to be courteous and obedient in response to directions from school personnel.

Once a student comes on school grounds, he/she may not leave under any circumstances without going through the proper dismissal procedures.

## **SCHOOLWIDE POSITIVE BEHAVIOR SUPPORT PLAN:**

S. Ellen Jones Elementary has developed and implemented a Schoolwide Positive Behavioral Support Plan (SW-PBS) to ensure that all members of our school family are provided a setting that is safe and disciplined. Our plan consists of several components, including: an adherence to the principles of *Safety, Trustworthiness, Kindness and Responsibility* for all; established procedures that are consistent and expected throughout the building, voice level expectations appropriate to the setting; a system of rewards for appropriate behavior; a plan to address peer-to-peer aggression; and *Conscious Discipline strategies*. These components are described in more detail below.

### **S. Ellen Jones Elementary students are Safe, Trustworthy, Always Kind, and Responsible: The SEJ S.T.A.R. Way**

**SAFE:** Following all school rules and procedures to keep ourselves and others

safe and secure at all times.

**TRUSTWORTHY:** Acting in a way that allows you to hold your head high and using good manners at all times.

**ALWAYS KIND:** Being nice to each other in actions and words.

**RESPONSIBLE:** Doing the right thing because it is the right thing to do—even when no one is looking.

### **ESTABLISHED PROCEDURES:**

We have established procedures for all “common areas” in the building. Staff members spend time the first few weeks of school reviewing these procedures (*The SEJ S.T.A.R. Way*) with all students and review these procedures at various times of the school year. Procedures are posted in all common areas so that staff members and students can refer to them in the event that someone forgets a procedure. The common procedures eliminate the possible confusion of “different rules for different people” and allow all adults and students to effectively monitor behaviors in a pleasant and productive manner.

### VOICE LEVELS:

Our SW-PBS plan includes a “code” for voice levels. Students and staff practice voice levels that are appropriate for the setting. A simple hand signal can be used to remind students and staff members of the appropriate voice level for a situation. The voice level system can be described as follows:

- Level 0: No one can hear you. (Silence)
- Level 1: The person right next to you can hear you. (Almost a whisper)
- Level 2: The people at your table can hear you. (Quiet voice)
- Level 3: The room can hear you.

### PLAN FOR PEER-TO-PEER AGGRESSION/BULLYING PREVENTION:

Our school corporation has a bullying prevention program which follows four basic rules:

- We will not bully others.
- We will try to help students who are bullied.
- We will include students who are easily left out.
- When we know that someone is being bullied, we will tell an adult at school and an adult at home.

All students have the right to an environment in which they feel safe both physically and emotionally. Our Bullying Prevention Program includes a plan to respond to incidents of peer-to-peer aggression. The plan includes an emphasis on helping students recognize their actions as unsafe or unkind and how their actions impact those around them. Students then identify more appropriate ways to solve their problems or address issues. A rubric is used to determine the consequence for the behavior. Students are required to call their parent/guardian and parents are asked to sign and return a letter which summarizes the incident. This process is intended to join the school and families as partners in helping all students grow and complements the principles of *Conscious Discipline* and *Safety, Trustworthiness, Kindness, & Responsibility*.

### CONSCIOUS DISCIPLINE:

All staff members have received training in the principles of *Conscious Discipline*. This program was developed by Dr. Becky Bailey and is widely used across the United States to create a relationship-based community model of classroom management. Its goal is to create a school family of problem-solvers by actively teaching anger management, helpfulness, assertiveness, impulse control, cooperation, empathy, and problem-solving.

### ACKNOWLEDGEMENT SYSTEM:

Our acknowledgement system focuses on NOTICING what students do well so that we can reinforce positive behaviors. Staff members and other adults are encouraged to give specific feedback on what they notice a child doing rather than saying something like “good job” or “way to go.” In addition to this specific feedback, our acknowledgement system will include specific celebrations for attendance and academic growth.

*The SEJ S.T.A.R. Way*

### THE SEJ S.T.A.R. Student Promise:

Our entire school family makes the following “promise” to each other a minimum of one time per week:

**As an SEJ Shining S.T.A.R., I promise to be**  
**SAFE**  
**TRUSTWORTHY**  
**Always KIND, and**  
**RESPONSIBLE.**

## **DRESS CODE/STANDARDS OF DRESS**

Parents are responsible for seeing that their children arrive at school appropriately dressed, clean and ready to learn. We have adopted the following dress code for students:

1. Clothing is to be clean, properly fitting, and appropriate for the weather.

2. Clothing with inappropriate writing or pictures is not permitted.
3. All skirts and shorts are to be of appropriate length.
4. Students must wear appropriate shoes or boots. No flip flops, high heels, platform heels, "backless" shoes, or shoes with wheels are allowed at any time for safety reasons. Sneakers or tennis shoes are encouraged.
5. Students may not wear baggy clothing, tank or strapless/spaghetti-strap tops, or belly shirts.
6. Students may not wear hairstyles/colors, chains, tattoos, bandannas, artificial nails, hats, jewelry (no body piercing or dangly earrings), gang-associated or other clothing that may distract from the educational process.
7. Hats/bandannas/hoods are not to be worn inside the school building.

We have air-conditioning in every classroom and rooms tend to stay very cool. Our "shorts season" generally runs from Derby Day to Harvest Homecoming. However, the principal may communicate through the newsletter to let parents know when "short season" begins and ends based on the overall temperature of the building. Students are not allowed to wear jackets or coats in the classrooms. Children should dress comfortably for physical activity and stretch breaks. Tennis shoes are required for physical education classes. Please note that students may not have their pictures made on "picture day" in anything that normally would not be considered acceptable dress for school.

## **EMERGENCY DRILLS (NAFCS)**

All schools are required by state law to conduct the following monthly drills:

- fire drill
- take cover (manmade occurrence) drill per semester
- take shelter (tornado) drill per semester

The purpose of these drills is to teach children how to respond in a rapid, orderly, and safe manner in emergency situations. Students are required to cooperate fully and in a serious manner. Proper behavior is expected at all times to ensure the safety of everyone.

## **ENTRY AGES**

Kindergartners must be five years old by August 1 to enter school. Parents are to make an appointment with the principal if they would like to have their child tested for early kindergarten entry. Preschoolers must be four by August 1 to enter school. Early entry is not offered to preschool aged students.

All children must have a completed health form on file. The forms are available in our office. Parents need to provide an updated immunization records, the child's social security information, and the child's birth certificate in order to enroll a child in any early childhood program. This information will be maintained in the child's permanent record.

## **FIELD TRIPS**

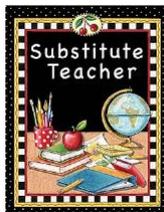

While it is unlikely that your child will participate in many field trips during the 2019-2020 year, please remember that field trips are designed to enhance the educational opportunities of students. They are aligned with the *Indiana Academic Standards* and provide our students social and educational opportunities that cannot be provided in the school setting.

Parents may be asked to chaperone field trips or attend these trips with their child. All adults who attend field trips are required to pass a Limited Criminal History (LCH) check which can be easily arranged through our school office. Adults who attend field trips should not bring other children along on the trip, take their own child away from the school group, or take their own child home from the trip. Adult chaperones do not usually ride the school bus to and from field trips due to space limitations. All students are to ride the school bus to and from field trips.

## **GIFTS FROM CHURCHES & CIVIC ORGANIZATIONS**

S. Ellen Jones has the support of many groups in our community. As a result, we receive items such as Blessings in a Backpack (food bags sent home weekly), gift bags, backpacks, or school supplies at different times of the year. Some of these traditions of giving are long-standing, and the donors receive great joy from completing these acts of

kindness and sharing with our children. If you would ever prefer that your child not receive these gifts, just call the school office at 542-5508 and let us know. We will, of course, respect your wishes.

## GUEST TEACHERS

The most common reason for having a guest teacher occurs when the regular teacher is ill. However, guest teachers are also used when regular teachers are on leave for personal business, professional training, or family emergencies. Students are expected to be very courteous and respectful to guest teachers. Any misconduct in the classroom will be dealt with immediately.

## HEALTH SERVICES (NAFCS)

A school nurse oversees the health services offered at this school. However, a school nurse may not be at the school every day because most nurses travel between multiple school buildings. In case of illness or injury, a child will be cared for by a trained member of the school staff. If your child has a health concern, please include this information on your child's health history information or notify the school as soon as possible. This information remains confidential and is shared with school personnel only on an as-needed basis. If emergency medical treatment is necessary, the parents will be contacted. If parents are not available, the child will be taken to the hospital by ambulance at the parents' expense. ***Remember, an emergency telephone number where parents can be reached must be on file and is vital in reaching parents in the case of an emergency.***

### Medications at School

1. A "Request for Administration of Medication" form must be signed and dated by the doctor and parent/legal caregiver. This written request must be on file in the school office before the medication, prescription or over-the-counter, will be administered by the staff. The request must contain the student's name, name of the medication, dosage, and time to be given. The form must be renewed at the beginning of each school year or if the medication changes during the school year.
2. A student may be authorized to possess and self-administer medication for a chronic or acute disease or medical condition if the medication is necessary in an emergency situation. The section of the medication form entitled "Possession and Self-Administration of Emergency Medication Authorization/Approval" must be signed and dated by the doctor and parent/legal caregiver.

3. The medication must be furnished to the school by the parent/legal caregiver on a daily basis. Any exception to this daily dosage requirement must be approved by the principal after consultation with the school nurse. The exception will be limited to a one (1) school week's supply of the medication and must be brought to school by the parent/legal caregiver, or by another arrangement approved in advance by the principal. The medication must come to school meeting the requirements listed in #5 below.
4. All nonprescription medication must be in the original container and be clearly labeled with the child's name.
5. All prescription medication must be in the pharmacy labeled bottle or packaging with the following information:
  - Prescription number
  - Child's name
  - Doctor's name
  - Name of medication
  - Dosage
  - Time the medication is to be given
6. All medication brought to school for administration by staff will be kept in a locked container.
7. School nurses will provide instruction/training as needed to those staff members who dispense medication to students.
8. Non-medicated lip balms and up to 2 cough drops per day (with parent note) is allowed without a doctor's statement.

## Illness and Returning to School

**Students should not come to school if they are experiencing any of the conditions mentioned below. If at school, students will be sent home from school for the following reasons *and require a doctor's statement for readmission:***

1. Reddened eye(s) with possible drainage, matting, or discomfort.
2. Recurrent or persistent skin infections – including scabies.
3. Unexplained or undiagnosed rash.
4. Injury involving documented loss of consciousness.
5. Untreated drainage from skin.

**Students should not come to school if they are experiencing any of the conditions mentioned below. If at school, students will be sent home from school for the following reasons:**

1. Temperature of 100 or over. Students must be fever-free for 24 hours *without the aid of fever-reducing medication such as Tylenol/Ibuprofen* before returning to school.
2. Temperature of 96.5 or lower.
3. Lice (pediculosis) – Students will be sent home if live bugs are found. If a student has nits, he/she may remain at school for the day, but must be treated and checked by school personnel before being admitted to class the next day. According to New Albany-Floyd County School Board Policy, classroom head checks will not be done.
4. Vomiting.
5. Diarrhea.

## Severe Allergies at School

If your child has a potentially life threatening allergy to food, insect sting, latex, or other allergen, please be sure to have your child's health care provider complete an Allergy Action Plan for your child and provide the school with an EpiPen. A school nurse or other trained school employee may give the EpiPen according to the directions on the Allergy Action Plan.

What if your child has an allergic reaction for the very first time at school and has never been diagnosed with an allergy? New Albany-Floyd County school nurses are prepared to handle these potentially life threatening allergic reactions as well. If your child experiences a life threatening allergic reaction at school that involves severe swelling of lip, face, tongue, or throat, severe difficulty swallowing or breathing, or unconsciousness, 911 and a parent will be notified. If a school nurse is present, she may use a lifesaving medication called an EpiPen according to orders from the Floyd County Health Officer. If you do not want your child to receive the life saving measure of medication from an EpiPen, please contact your school's nurse in writing.

## Immunizations

A number of immunizations are required by state law for students admitted to public school. Evidence of receiving these immunizations or a letter of medical or religious objection is required before starting school.

## Meningococcal Disease

Indiana law requires each year that parents/guardians be informed "about meningococcal disease and its vaccine" (IC 20-30-5-18). Meningococcal disease is a dangerous disease that can strike children and youth. The disease can progress rapidly and within hours of the first symptoms, may result in death or permanent disability including loss of hearing, brain damage, and limb amputations.

Symptoms of meningococcal disease often resemble the flu and can include a fever, headache, nausea, and stiff neck, making the disease difficult to diagnose. The bacteria that causes meningococcal diseases are transmitted through air droplets and by direct contact with an infected person. Fortunately, there is an immunization available and the U.S. Centers for Disease Control and prevention recommends routine meningococcal immunizations at 11 to 12 years old, with a booster dose at 16 years old. The meningococcal vaccine is required for 6th-12th grade students to attend school.

## HEAD LICE

Students are sent home if live lice have been found in their hair. Parents will be notified if nits or lice are found on their child. Students must be checked by the school nurse or office personnel before they can return to school. Please be aware that it is best to avoid typical arrival and dismissal times because the office staff is quite busy at those times. Parents should bring the completed form and their child to the main office and wait

with them in the clinic until the child has been approved for returning to the classroom. Please see the next section for helpful information about Head Lice.

**WE CAN GET RID OF HEAD LICE!  
IF YOUR CHILD GETS HEAD LICE, FOLLOW THESE INSTRUCTIONS.**

**CARE OF PERSON**

1. Apply lice shampoo to **the head of every person** in the household.
2. Use **two (2) full ounces** of lice shampoo to saturate **dry** hair.
3. Leave lice shampoo on hair for the amount of time stated on the bottle.
4. Add small quantities of water. Work lice shampoo into hair and scalp until suds form.
5. Rinse hair with plenty of warm water.
6. Remove dead lice and nits (eggs) from hair with a lice comb or finger tips.
7. Repeat the above treatment in seven (7) days.

**CARE OF CLOTHING AND PERSONAL ITEMS**

1. Wash immediately in hot sudsy water all clothing worn in the past two (2) days.
2. Dry clean any clothing that is not washable.
3. Wash combs, brushes (all hair items) in hot sudsy water.

**CARE OF HOME**

1. Wash immediately all bed linens on all beds used in the past two (2) days.
2. Vacuum all mattresses, carpets, and upholstered furniture, and dispose of vacuum bag outside.
3. Stuffed animals or stuffed toys must be sealed tightly in a plastic garbage bag for two (2) weeks, then removed and vacuumed.

**SPECIAL ATTENTION!!!**

1. Child must be treated immediately and returned to school within 48 hours of exclusion or be considered truant. The readmit form must be signed by a school nurse. When school is in session, head checks are done in the office.
2. All other family members and close associates such as grandmothers, grandfathers, aunts, uncles, cousins and friends should be checked for head lice and treated immediately if lice or nits (eggs) are found.

**HOW CAN YOU HELP?**

1. Check your child and family members' hair frequently.
2. Report all cases of head lice or suspected head lice to your school principal or school

nurse at 949-4295.

4. If you have any questions regarding the above information, contact your school nurse at 949-4295.

## YOUR SCHOOL NURSES

## HOME PRACTICE POLICY (NAFCS)

### Philosophy:

Educators and parents want to insure the success of all students. Therefore, a clear policy for assigning and completing home practice is important. Home practice gives students opportunities to extend classroom learning and practice skills while developing self-discipline and study habits that will benefit them in school and beyond.

Students, parents, teachers, and administrators must work together to share responsibility for student success. Home practice is a valuable, relevant, and positive part of the instructional program. The New Albany-Floyd County Consolidated School Corporation encourages students to complete homework assignments at the elementary, middle, and high school levels. A rule of thumb for how much time should be spent on home practice is 5 minutes per year of age:

### Example:

5-6 yrs (1<sup>st</sup> grade) 25-30 minutes

11-12 yrs (grade 6) 60 minutes

17-18 yrs (grade 12) 90 minutes

### Objectives for Home Practice

1. Students will gain practice and application of knowledge and skills.
2. Students will learn responsibility and time management skills.
3. Home-school cooperation and communication will promote educational growth.
4. Students will be in contact with out-of-school learning resources.

### Student's Role

1. Always clarify any questions you may have before leaving the school or class. Writing down assignments helps you remember.
2. Take home all needed books and materials for the assignment.
3. Set aside enough time to finish assignments.
4. Find a place to work where you can focus on the assignment without distraction.
5. Check your completed assignment for accuracy.
6. Return assignments on time.

### Principal's Role

As an instructional leader, the principal has an important role in home practice policy implementation.

1. Lead the school staff, students, and parents in identifying building level homework practices.
2. Communicate the district policy to teachers, parents, students, and the community.
3. Encourage homework that reinforces concepts and benefits students.
4. Assist parents and teachers if problems with home practice occur.

5. Evaluate and revise home practice as needed.

### Teacher's Role

Teachers make appropriate assignments by:

1. Coordinating home practice with instructional goals to reinforce classroom instruction.
2. Providing clear directions for home practice completion.
3. Explaining the method for evaluation.
4. Assuring that assignments are reasonable and the time required is appropriate.
5. Notifying parents if a student consistently fails to complete assignments.
6. Respecting the needs for students to participate in other activities.
7. Communicating home practices to parents.

### Parent's Role

Parental cooperation and attitude make a great difference in their children's effort toward home practice.

Parents can help their children by:

1. Providing a quiet place to study.
2. Establishing a regular home practice time.
3. Encouraging their child to ask for help.
4. Communicating with teachers when their child has consistent difficulties.
5. Encouraging quality work and completion of tasks while recognizing their best efforts.
6. Insisting their child does his/her home practice while providing encouragement and assistance.

## HOME PRACTICE TIPS FOR SUCCESS

A parent can help his/her child become aware of skills that make learning easier and more enjoyable. Parents can help their children by arranging a quiet place to work and by making sure that all assignments are completed. Parents can help by:

- Reading to/with your child.
- Reviewing papers and having/helping the child correct errors.
- Drilling the child orally on spelling words or math facts.
- Supervising home practice assignments.
- Reinforcing the teacher's homework policy.
- Communicating with the school when you have questions.
- Attending all conferences.
- Attending school sponsored events.

## INCLEMENT WEATHER

There may be times when it will be necessary to delay the start of the school day or to close school due to extreme weather conditions. The Superintendent has implemented an inclement weather plan which has worked successfully in communicating with the school community. Please keep the following items in mind when faced with bad weather:

- ♥ Please make sure that our school office has a working telephone number for you so that you will receive the calls about closings and delays from our automated system.
- ♥ Beginning at 6:00 a.m., listen to one of the major television or radio stations for information:
  - RADIO** = WNAS at 88.1FM or WHAS at 840 AM
  - T.V.** Cable Channel 25 or WHAS Channel 11
- ♥ Please do not call the administration building or school office. The telephone lines are needed for communication between school district officials.
- ♥ Please make it your **FIRST PRIORITY** to make arrangements for a place other than home if your child/children will be left alone when there is a closing, delayed opening or an early dismissal.
- ♥ Due to the high demand for telephone lines, it is impossible for us to reach parents in the event of an early dismissal. Please make arrangements for your child **before** an early dismissal occurs.
- ♥ All before school, after school, and evening events are cancelled when an early dismissal or school closing is announced.

### **Two Hour Delays:**

- ♥ School Hours for a Two Hour Delay Day: See inside front cover.

Students may be held until threatening weather passes when a major lightning storm or other threatening weather is occurring at the time of dismissal. Many parents are not available to pick up their children and we do not want children walking home in severe weather conditions. We ask that parents be sensitive to the situation and not become alarmed if the children are a few minutes late exiting the building. Parents are welcome to “come in out of the weather” themselves and wait in safety.

## **KINDERGARTEN ORIENTATION & INFORMATION**

We will offer kindergarten orientation sessions on an evening before the first day of school.

Parents are welcome to bring their kindergartner to school on the first day of school. Please park on the side of the street next to the school and use Door #1 on the first day.

When your kindergartner arrives on the first day of school, he/she will be directed into the classroom for breakfast. Staff members will be available to help direct families through the building. We will ask parents to say their goodbyes to the children in the activity center.

Parents will be able to see their child walk into the kindergarten room doors from the activity center location. It provides emotional support to the children if they see their parent looking happy and excited for their new adventure to begin. Please smile and wave goodbye to them as the teacher and assistants walk the students into their rooms.

Please help your child memorize his or her 5-digit student lunch number as quickly as possible. This will be their number as long as they are in NA-FC schools, and it will allow them to purchase their meals. They will receive their number the first week of school.

## **LOST AND FOUND**

Children often lose and misplace things. We suggest you put names on items brought or worn to school. When a lost article is turned in, we place the item on the wall rack by the gym. Students and parents are welcome to check this area for lost items. Smaller items such as money, jewelry, keys, glasses and buttons are placed in the school office. We send all unclaimed items to Goodwill periodically.

## **MAKE-UP WORK/MISSING ASSIGNMENTS**

There is no way a student can totally make up instruction missed when he or she is absent. Missing presentations, discussions, examples and the interaction between child and teacher just cannot be “made up.” However, assignments involving such things as reading, math problems and practice sheets can be done at home provided a student

understands the directions. A teacher has the responsibility to carry on the instructional programs for those students who are present.

Unless the teacher is aware before the school day begins that you are requesting homework or make-up work, we cannot guarantee materials will be ready by the end of the day. Please follow the outlined procedures when requesting assignments:

- Notify the school or appropriate teacher at the beginning of the school day of the request for homework or assignments. Please tell us the name of the adult who will be picking up the work or the name of the child to send work home with that afternoon. It is best when an adult picks up the work because students often forget despite an afternoon announcement reminding them to do so.
- The parent of the student who is missing school is responsible for seeing that arrangements are made for the assignments. All assignments should be picked up from the secretary in the school office.
- Since special effort is made by the teachers to supply assignments and materials, it is expected that the student will complete the work and return it to the teacher. Credit will be given for completed work only if it is returned in a timely manner.
- Requests for assignments for pre-approved absences should be directed to the building principal.

## **PARENT INVOLVEMENT ACTIVITIES**

S. Ellen Jones Elementary will offer a variety of Parent Involvement Activities over the course of the school year. You may be invited to a Kindergarten Parent Activity; a Family Fun Learning Night; a Reading, Writing, or Math Celebration; or any of a variety of parent involvement events. We offer these activities to help connect what your child is learning at school with what you do with them at home. Activities are sometimes offered during school hours and then repeated again in the late afternoon hours in an effort to make them available to parents who work different schedules. Because these activities usually happen within a regular classroom setting, it is best if younger brothers and sisters stay at home. We know, however, that finding childcare is not always possible and want you to attend the activities. Four evening parent involvement activities are scheduled each year. Attendance at any of these activities also counts toward your *Three for Me* volunteer hours.

See the *Three for Me* letter in this handbook for more information.

## PARENT VOLUNTEERS

Thirty years of research clearly shows that parent involvement in schools improves student achievement. We encourage you to be an active participant in school activities. If you can help out at celebrations, programs or volunteer in the library or classrooms, we would welcome your help. Parents who wish to volunteer in the classrooms are to schedule these times with the classroom teacher. The classroom teacher will notify the school office so that they can welcome you into the building and assist you with the sign-in process. All parent volunteers are required to participate in a brief orientation prior to volunteering in the classroom and have proper paperwork on file in the office. An orientation meeting will be scheduled shortly after school begins. All adults who volunteer are required to pass a Limited Criminal History (LCH) check which can be easily arranged through our school office. S. Ellen Jones is asking parents to participate in our *Three for Me* program. *Three for Me* is a promise from parent to school and from parent to child to participate in school activities 3 hours per year. Now, that's an easy promise to make and keep!

## PARKING INFORMATION

Our staff parks in the front parking area (Door #1). Parents are not allowed to drive through the parking area in the mornings or afternoons during arrival (7:30-8:00) and dismissal (2:10-2:45) times. Parents and visitors may use any parking area at other times of the school day.

## PARTIES

In order to protect our valuable instructional time and in an effort to respect the beliefs of our families, S. Ellen Jones Elementary offers only limited classroom parties. Students are **not** allowed to wear costumes to school for any reason, including holidays. You may receive information about a fall celebration, a winter celebration, and a Valentine's celebration through school and class newsletters during the school year. Teachers will usually ask for contributions to the parties in the form of cookies, drinks,

or other treats. Treats should be pre-packaged and we do not accept drinks that are red in color or high in caffeine. We are offering our students healthy food choices as often as possible. Please respect your teacher's wishes and directions regarding the types of treats accepted for a class party. If you would like to attend a class party, please let your child's teacher know that you plan to attend. ☺

We do not celebrate student birthdays during instructional time. Birthday treats *may* be accepted if prior arrangements are made with the classroom teacher, the teacher agrees to distribute the treats, and the treats meet our criteria. Please do not send items such as balloons or flowers to the school for your child.

When a student's health plan requires it, all foods brought in for classroom parties/celebrations that are shared with all students in the class must have a nutrition label and ingredients list. This allows us to check for food allergens and carbohydrate count for students with health concerns. Foods distributed in a classroom deemed nut free must not have peanut or any type of nut listed in the list of ingredients OR listed in a "may contain" statement. You will receive a letter at the beginning of the year if this applies to your student's class.

## **PETS IN THE BUILDING**

Some teachers have pets in the room as a class project, i.e. baby chicks hatching, hamsters, fish, etc. If your child has an allergy to one of these animals, please make the teacher aware of the problem by bringing in a doctor's statement. Proper arrangements will need to be made. **PETS ARE NOT TO BE BROUGHT INTO THE SCHOOL BUILDING UNLESS PRIOR APPROVAL HAS BEEN GIVEN BY THE TEACHER AND BUILDING PRINCIPAL.**

## **PARENT TEACHER ORGANIZATIONS**

S. Ellen Jones welcomes the active involvement and support of family members in our school. We often ask you for feedback about our instructional programming or changes to our policies. Our Assistant Principal/Title I Coordinator organizes several events for and with parents throughout the year and coordinates activities such as celebration nights, *Boxtops for Education*, etc. Volunteer sign-ups occur at our Open House and other events throughout the year. However, feel free to contact our Assistant Principal

at 812-542-5508 at any time during the school day if you have an idea or would like to volunteer.

## **PIRCs:**

**Indiana's Parent Information Resource Centers** are designed to improve student achievement by creating family-school-community partnerships. PIRCs meet families where they are, reach out to provide parents with information about the choices and opportunities available to them for their child's education, and offer programs that are family-friendly by providing information at times and places and in languages that work for the parents in the community. For more information, contact the Indiana Partnership Center, 921 E. 86<sup>th</sup> Street, Indianapolis, Indiana, 46240 (317-205-2595 or 1-866-391-1039) or visit their website at <http://www.fcsp.org>.

## **REPORT CARDS/PROGRESS REPORTS (NAFCS):**

Progress Reports are distributed every nine weeks. Parents should sign the Progress Report and return it to school in a timely manner. Concerns regarding a student's grade(s) should be discussed with the child's teacher. Midterm reports are sent home during the middle of each quarter. For teachers who send weekly reports, the weekly report in the middle of the quarter is your child's midterm report.

### **Grading Scale:**

<b>100-99%:</b>	<b>A+</b>	<b>98-92%:</b>	<b>A</b>	<b>91-90%:</b>	<b>A-</b>
<b>89-88%:</b>	<b>B+</b>	<b>87-82%:</b>	<b>B</b>	<b>81-80%:</b>	<b>B-</b>
<b>79-78%:</b>	<b>C+</b>	<b>77-72%:"</b>	<b>C</b>	<b>71-70%:</b>	<b>C-</b>
<b>69-68%:</b>	<b>D+</b>	<b>67-62%:</b>	<b>D</b>	<b>61-60%:</b>	<b>D-</b>
<b>59% and below:</b>	<b>F</b>				

## **RESTRICTED ITEMS**

Students frequently want to bring items to school that may detract from the school program or are potentially dangerous or forbidden from school. Restricted item(s) will be taken and held until the parent can come to school to reclaim the item(s). They include (among other things): chewing gum, candy, soft drinks, pacifiers, matches, lighters, cigarettes, make-up, body glitter, firecrackers, any explosive device, knives or sharp instruments, spray paint, drugs of any kind without physician's approval on file in office, obscene pictures or literature, guns of any type (including toy guns), toys, videos, handheld games, radios, tape players, CD or MP3 players, recording devices, PDAs, cell phones, and any other items judged to be harmful or disruptive to the educational process. It is suggested that students do not bring more than \$1.00 to school for spending.

## RITTER PARK

Our park is monitored as part of the school grounds. Disciplinary infractions which occur in the park are subject to consequences. Crimes that occur in the park may be turned directly over to juvenile probation or the police department since the park belongs to the City of New Albany. The park is maintained and monitored by school system employees as well as local city officials.

## SAFE SCHOOL HOTLINE (NAFCS)

The hotline is available for parents or community members to leave information concerning possible safety threats without leaving their names. The information is forwarded to a central office administrator and/or the school principal for investigation. The number to call if you have concerns regarding safety at school is **812-542-2230**. This number service works the same for all schools in New Albany-Floyd County. Concerns may also be sent using the anonymous alert link on the NAFC website, [www.nafcs.k12.in.us](http://www.nafcs.k12.in.us).

## SCHOOL BUS SAFETY

*Dear Parents and Students:*

*Like you, the New Albany-Floyd County Consolidated School Corporation is interested in obtaining optimum safety for all students who ride the buses. It takes the earnest cooperation of students, parents, principals, and bus drivers to achieve this prime goal in pupil transportation. This letter is asking for that type of cooperation by sharing with you the major points concerning school bus safety.*

*“All school children, while being transported on a school bus, shall be under the supervision, direction and control of the school bus driver, and shall be subject to the discipline of the bus driver and the governing body of the school corporation.” (1965 Acts of the General Assembly, Chapter 260).*

*We would like for you to discuss and understand the rules which have been instituted for the safety, comfort, and efficient operation of our bus fleet.*

*New Albany-Floyd County Consolidated School  
Corporation*

**Please make every effort to supervise your children at the bus stop in the mornings and to greet them at the stops in the afternoons. Kindergarten students are required to have someone waiting for them at the bus stop each day or they will likely be returned to school until a parent/guardian picks them up from the school office.**

## BUS SAFETY RULES

1. Obey the bus driver promptly and cheerfully. Wear their seatbelts during the bus ride. They are responsible for your safety and it is your job to help.
2. Be at your pick-up ON TIME. Show consideration for the property where your bus stop is located. Damage and destruction at stops results in discontinuance of these stops.
3. Wait your turn to load and unload the bus (no pushing). Do not stand or play on the road. Where there are no sidewalks, remain on the edge of the road facing oncoming traffic.
4. NOTHING (arms, hands, heads, books, etc.) shall be allowed to protrude from open windows on the bus. Windows may ONLY be opened or closed with the permission of the bus driver. Feet should be kept on the floor and not in the aisle.
5. Misconduct such as profanity, boisterousness, throwing things, destruction of school property, fighting, arguing, loading or unloading improperly, lighting matches, smoking, changing seats when the bus is in motion, eating on the bus, insolence, or obscene gestures shall be cause for dismissal of the student from the bus. A formal complaint form or bus conduct report will be given to the principal and a school official shall make contact with the parent. Permanent suspension may be made for flagrant violation of school transportation rules
6. Where it seems advisable and appropriate, a driver may assign a student a specific seat on the bus and the student shall occupy that seat. Changes in seat assignments may be necessary and will be made by the driver in charge of the bus.

7. Drivers are NOT permitted to allow passengers to load or unload at any point other than those specifically assigned to each student except by WRITTEN request from the parent and APPROVAL by a designated school official.
8. Students who have to cross a road at a loading point or after unloading shall do so on a driver signal at a point 10 feet in FRONT of the bus. This allows the student, and driver to make eye contact. Students refusing to cross in front of the bus will be denied use of the transportation.
9. Band instruments that can be carried on the bus without taking up room of another student or blocking the aisle or exits may be carried on the bus. When there is a differing point of view, the school principal shall make the determination.
10. Animals such as snakes, mice, pets of any type MAY NOT be brought on a school bus. Students are not allowed to take animals into the school building.

## **SCHOOL INSURANCE**

Accident insurance is available for those who would like to purchase the coverage. Insurance application forms are provided at registration or in the school office.

## **SCHOOL HOME OUTREACH COORDINATOR**

S. Ellen Jones utilizes grant funds to provide for our School Home Outreach Coordinator. This allows us to employ a social worker to assist with attendance and to assist parents in finding resources, as needed.

## **SCHOOL LIBRARY/MEDIA CENTER**

Each class will visit the school library/media center once a week for 40 minutes. During that time, they will work on a variety of activities and will be assisted in making appropriate book choices. Kindergarten and 1<sup>st</sup> grade students will “check out” one

book each. Second, third and fourth grade students may “check out” two books each. All books should be returned the following week during their regularly-scheduled library time. Students who do not return their books on time will not be allowed to check out another book until the original book is found and returned. If a book cannot be found, the student will be charged a replacement fee (\$10 for hardback books and \$5 for paperback books). The library is also available at other times for classes or individual students to do research, read, or study quietly. Our Media Paraprofessional welcomes parent volunteers in the library!

## SCHOOL LUNCH PROGRAM

New Albany Floyd County school cafeterias are meeting tough new federal nutrition standards for school meals, ensuring that meals are healthy, well-balanced and providing students all the nutrition they need to succeed at school. The Food & Nutrition Department provides both breakfast and lunch services. Please visit [www.NAFCSNUTRITION.com](http://www.NAFCSNUTRITION.com) for more information on menus, Free & Reduced Price Meal benefits, meal prices, and *MyPaymentsPlus*.

All students at S. Ellen Jones may eat breakfast and lunch at no charge regardless of the family’s income. This is a federally funded program. No breakfast or lunch money is collected, but students are required to enter a five-digit number to obtain the meal. Please help your child memorize this number as soon as possible. Please encourage your child to eat school breakfast each day. Students are never allowed to share food with others. You will receive a “menu” for the entire school year.

Students may choose to bring a sack lunch and drink from home. Carbonated beverages are not allowed. Students may purchase milk or water from the cafeteria. Parents who wish to eat lunch at school may do so for the adult cost.

## SCHOOL NEWSLETTER

The *S. Ellen Jones STAR-Gram* newsletter is sent home with each student on Fridays. Please consult this newsletter for special activities, field trips, and other events which

occur throughout the school year. It is a valuable means of communication between the school and home. Encourage your child/children to bring the school newsletter home and spend some time reading it together!

## SCHOOL PICTURES

Class and individual pictures are taken each year. Notice of the designated day will be sent home in advance. The school picture date will be publicized during registration, if known.

Please see the *Dress Code/Standards of Dress* section regarding dress for school pictures.

## SCHOOL TEXTBOOK RENTAL/FEES

A rental fee and/or course fee for use of books and supplies are charged each year for each grade level. Fees are due at the time of registration/enrollment and cover the cost of books, art supplies, and test materials. Partial payments are accepted and a deferred payment contract may be arranged with the clerk. However, the entire amount must be paid by December 1<sup>st</sup>. Fees that are not paid by December 1<sup>st</sup> will be turned over to a collection agency. At that time, a “collection fee” will be added to the amount(s) owed. If a child moves out of the school district, a refund will be given. This refund is based on a schedule which is uniform throughout the School Corporation. Consult the school office for information about the refund procedure.

## SCHOOLWIDE THEME

Our overall SEJ theme is *The SEJ S.T.A.R. Way*. In addition, we have chosen a rock and roll theme as our whole-school academic theme for 2019-2020. Academic themes provide a unified sense of identification for our students and staff as we promote a love of reading and literacy throughout the school year. We are looking forward to having many theme-related activities, events, and decorations related to this fun theme.

## SNACK BREAK

Not all teachers and classrooms have a snack break. It is dependent upon when the children's lunch schedule falls within the day. Teachers do not provide snack break items. It will be the parent's responsibility to provide a healthy snack for their child if the parent wishes for the child to have a snack and if the teacher has a snack break scheduled into the school day. Please check with your child's teacher to make sure that this time is schedule before sending snacks to school. These are some suggested items for students to bring for a snack break:

- Yogurt
- Fruit Cups
- Vegetables (carrots, celery, etc.)
- Fruit (apples, bananas, etc.)
- Nuts
- Animal Crackers
- Fig Newtons
- Sunflower Seeds
- \*Low-Fat String Cheese
- \*Low-Fat Popcorn
- \*Vanilla Wafers
- \*Corn Nuts
- \*Beef Jerky
- \*Water

## STUDENT USE OF TELEPHONES

Use of the telephone by students is regulated. Students will be allowed to use the telephone only in the case of emergencies and with the permission of the principal, teacher, or secretary.

Students have no need for cell phones at school. Cell phones will be collected and kept in the school office until a parent comes to claim them. Phones not picked up by the end of the year will be donated to charity.

## SUSPENSION/EXCLUSION

A suspension signifies that the child's behavior has been so disruptive or dangerous that the only reasonable way to deal with the situation is to temporarily remove the child from the school environment. Reinstatement will not be granted until the principal and the student's teacher are satisfied that the reason for misconduct has been effectively eliminated.

The principal usually issues suspensions from school. Teachers may give temporary suspensions from the classroom. If your child is suspended from school, a parent/guardian must meet with the principal before the child may return to school.

Please see the *NAFCS Student Guide* for more information about suspensions, expulsions, and exclusion. A copy is provided in this handbook.

## TITLE ONE (TITLE I)

S. Ellen Jones is a Schoolwide Title I School which means that all students are eligible for services funded by Title I. We invite you to attend our annual parent meeting to review parent Rights and Responsibilities under Title I and strongly encourage you to give your input into our Title I and schoolwide programming. In addition, *School-Parent Compacts* are discussed and signed at Parent/Teacher conferences. The *School-Parent Compact* and the *Title I Parent Involvement Policy* are reviewed and revised each year with the help of our parents. We invite you to become an active member of these review and revise committees. A copy of our school's *Title I Parent Involvement Policy* is included in this handbook.

## TRANSFER REQUESTS

Students must reside with their parent(s) in the S. Ellen Jones Elementary School neighborhood in order to attend S. Ellen Jones Elementary unless a transfer has been approved by the Administrative Services Center on Grant Line Road. If your family moves during the school year and you wish for your child to remain at SEJ, you simply need to fill out a "request to stay" form which is available in the school office. A child is allowed to complete the school year at our school as long as he/she maintains good behavior and good attendance. If a child is excessively absent, tardy (including leaving school early) or has difficulty maintaining appropriate behavior, you may be asked to enroll your child in his or her home school.

## VISITORS IN SCHOOL

The New Albany Floyd County Schools will screen all visitors before allowing entry to our buildings. A valid state issued ID such as a driver license will be scanned upon your arrival. Our system will print out a badge that visitors will be required to wear during the visit. Our goal is to make sure our schools are secure and that we continue to create a welcoming environment for all of our visitors. (NAFCS)

All visitors to the building must enter the Culbertson Avenue entrance (Door #1) and sign-in at the school office to obtain the visitor's badge described above. The visitor's badge identifies an expected guest in the building and identifies the destination of the visitor. At the conclusion of their stay, visitors are asked to sign-out, return the badge to the office, and exit through Door #1. All other doors are locked for the safety and well-being of students and staff. We encourage parents to call the school office to set up conferences ahead of time with the teacher, school administrators, or both as the need arises. We will schedule these conferences at a time that is convenient for the parents and will not interrupt the regular instructional time in the classroom. *We ask that parents leave their children at the door in the mornings instead of walking them through the hallways so that we can more easily monitor which adults are in the building.* Parents who wish to speak with a teacher in the morning are required to sign in at the office, obtain a visitor's badge, and wait for the teacher to be notified by office staff. In addition, all adults who visit are required to pass a Limited Criminal History (LCH) check which can be easily arranged through our school office.

## VOLUNTEERS

We would welcome your help during celebrations and programs or as a volunteer in the library or classrooms. All adults who volunteer are required check in at the school office as required by our visitor's procedure and to pass a Limited Criminal History (LCH) check which can be easily arranged through our school office. We love our

volunteers! (See the **Parent Volunteers** section of this handbook for more information about scheduling and training.)

## **Title I Parent Policy for S. Ellen Jones Elementary School 2019-2020**

S. Ellen Jones Title I Parent Involvement Policy will be developed by the leadership team which consists of teachers, administrators, and parents. The policy will be reviewed and updated as necessary on a yearly basis.

Our annual meeting will be held at the beginning of the school year. The school will offer a flexible number of meetings, such as meetings in the morning or evening, and may provide, with funds provided under this part, transportation, child care, or home visits, as such services relate to parent involvement. At this meeting parents and caregivers will be given information about the Title I, Part A program, their parental rights and responsibilities, and opportunities to hear of Parent/Student activities offered throughout the year to promote parent involvement in their child's education. Parents of Title I students are invited to be involved in an organized, ongoing, and timely way to plan, review and improve policies such as the Parent Involvement Policy and School Wide Policy.

Parents will be provided with the following information (a detailed description of each is attached):

- Description of Title I Program
- School/Classroom Communication
- Description and Explanation of Curriculum
- Professional Development
- Assessments Used to Measure Student Progress and Proficiency Levels
- Parent Compact
- Parent Conferences
- Invitation to Join The Parent Community Advisory Committee
- Parent Resource Room Information
- Community Partnerships
- Parent Comments

### **Description of Title I Program**

S. Ellen Jones is a Title I school. This means federal funding is provided to fund additional teachers, assistants, professional development, materials, and equipment to better serve the needs of the students. The amount of Title I funding depends on the number of students receiving free/reduced lunch and the academic achievement demonstrated on Statewide tests. Currently, Title I funds are used to pay for one literacy support teacher, one literacy coach, a Title I administrator, and instructional assistants. Materials and supplies are purchased to support classroom instruction as funds allow. Other reasonable support for parental involvement activities are provided at the request of parents.

## **School and Classroom Communication**

Parents will receive timely information regarding their child's progress. A weekly newsletter is also sent home each Friday or the last day of the school week. It includes information regarding upcoming events, parent as teacher tips, and student recognition. Specific classroom information comes from individual teachers via weekly newsletters, daily folders, email, phone calls, etc. Student folders and assignment sheets are two way communication tools and parents may utilize these for suggestions, input, and questions. Every effort is made to work with the EL coordinator to ensure non-English speaking parents receive and understand all parental information sent home.

## **Description and Explanation of Curriculum**

The Indiana College and Career Ready Standards are taught in all classrooms at S. Ellen Jones. The English/Language Arts standards are addressed through the Literacy Framework that consists of reading mini-lessons, guided reading, independent reading, and word study daily. Writing is taught in a workshop approach that consists of a mini-lesson, writing time, and share time daily. Mathematics standards are addressed through *Balancing Mathematics Instruction* which includes math review/mental math, problem solving, conceptual understanding, math facts, and common formative assessments. Daily acceleration in reading and mathematics is also provided to each student based on individual need. Social Studies and Science are integrated throughout the curriculum. Music, art, computer lab, media, and physical education instruction are provided weekly. Classrooms are equipped with computers, iPads, and Smartboards as technology is integrated throughout the curriculum. Counseling lessons are provided to each classroom by the building guidance counselor on a bi-weekly basis.

## **Professional Development**

Teachers at S. Ellen Jones have received training on Conscious Discipline and Schoolwide Positive Behavior Support. Staff members will continue to receive training during the 2019-2020 school year on assessing students using the Assessment Summary Chart, Reading Progress Chart, Target Skills for Primary Writers' Checklist, and Developmental Word Knowledge Inventory. Staff will continue to monitor student learning through progress monitoring of reading skills, the DRA2, and Common Formative Math & English Language Arts Assessments. The staff will receive ongoing support on how to utilize the data to make changes to instruction. Activities will be conducted to help encourage and support parents in more fully participating in the education of their children (such as Family Fun Nights, Grade Level Day Parent Events, and parent resource materials).

Teachers meet with grade level teams weekly to analyze student work in reading, writing, and math and determine specific strategies to address the immediate needs of

the class. This information is also used to pinpoint specific professional development needs.

To help build ties between parents and the school, the staff will participate in professional development in the areas of communicating with parents as equal partners and implementing effective parent programs.

### **Assessment Used to Measure Student Progress and Proficiency Levels**

- **ILEARN** is the statewide test given in April/May to students in grades three & four. This test of basic skills assesses the areas of English Language Arts and Mathematics. Results are returned by the state of Indiana and are used to determine the professional development needs for the teaching staff. ILEARN scores are used to determine the effectiveness of instruction and are a component of the district teacher evaluation tool.
- **Report Cards and Midterms** are completed four times a year with conferences in the fall. In addition to the report card, parents receive information regarding the child's progress in reading (DRA2), writing (writing sample scores), and Common Formative Math & English Language Arts Assessment scores, which includes the proficiency levels students are expected to meet.
- **IREAD-3** (*Indiana Reading Evaluation and Determination*) is given to all grade 3 students in March. The assessment is used to measure foundational reading standards through grade three.

### **Parent Compact**

The Parent Compact outlines how the parents, the entire school staff, and the students share the responsibility of improving student and academic achievement. The compact also outlines the means by which the school and parents build and develop a partnership that helps children achieve the State's high academic standards. This compact is provided to parents in the Student/Parent Handbook, at the annual Title I Parent Meeting, and at fall conferences.

### **Parent Conferences**

Every effort is made to communicate the progress of the child/children to the parents on a regular basis. Teachers meet with all parents at least once per year. Parent/teacher conferences are held in the fall and 100% participation is expected. In the case of an emergency, teachers can reschedule a conference time or, at the very least, have a phone conference. However, it is assumed when parents receive the Parent Compact, parents are a vital part in helping the student achieve academic success and will fulfill this obligation by attending parent/teacher conferences.

All teachers are willing to discuss the progress of any child anytime it is convenient and does not interrupt instruction. If a parent wishes to schedule a conference at a time other than the fall conference, the parent may contact the teacher through the office and a time will be scheduled.

The progress of each child is monitored closely. Parents may request regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions as soon as possible.

### **Invitation to The Parent Community Committee**

All parents/caregivers are welcome and encouraged to join The Parent Community Committee. This allows parents opportunities for decision-making related to the education and enrichment of their child. These meetings are held quarterly and are announced in the STAR newsletter and communicated on social media. Members have opportunities to set/implement goals based on the needs of families and the community.

### **Parent Resource Information**

Extra assistance is available for parents of children served by a Title I school. This assistance helps parents understand various topics such as, state academic achievement standards, student academic achievement standards, monitoring their child's progress, and improving their child's achievement. Parents will also receive strategies to help their child read, write, and solve mathematical problems. The school will provide materials and training to support parents in more effectively working with their children. For example, literacy and technology training will help parents to be more involved in boosting their child's academic achievement.

A Parent Resource Room is located in the office near the gymnasium (Door 6). Our resources include various publications, books, games, homework materials, etc. and are available for parent check out. Community resources and parent supports are also available with assistance from the School Home Outreach Coordinator.

### **Community Partnerships**

S. Ellen Jones has formed partnerships with several area churches, schools, and a few area businesses. These organizations, such as Blessings in a Backpack, mostly provide food, school supplies, clothing, and other items on an ongoing basis. Our partnerships with various community supports also provide our students with sports opportunities and mentoring at the school. Afterschool Rocks, New Directions, and Our Place provide

after-school and daytime supports for character education and drug/alcohol awareness. S. Ellen Jones also coordinates with preschool, Head Start, and the middle schools to ensure smooth transitions for students. Other organizations wishing to partner with S. Ellen Jones will be considered.

### **Parent Comments**

If the school wide program plan under section 1114(b)(2) is not satisfactory to the parents of participating children, the parents comments will be included on the plan when the school makes the plan available to the Local Education Agency.

# **STUDENT GUIDE**

**FOR**

**STUDENT RIGHTS AND RESPONSIBILITIES  
ENFORCEMENT OF RULES AND REGULATIONS  
DUE PROCESS PROCEDURES**

**Please read the student's rights and responsibilities  
guidelines for the information regarding disciplinary  
actions,  
suspensions, and expulsions.**

## **PREAMBLE**

The New Albany-Floyd County Consolidated School Corporation recognizes: (a) that education is a basic citizenship right; (b) that students have full rights of citizenship as delineated in the U.S. Constitution and its amendments; and (c) that citizenship rights must not be abridged, obstructed, or in other ways altered, except in accordance with due process of law.

Just as in our democratic society at large, the foundation and success in public school education depends on the balance of individual rights and individual responsibilities. Certain standards of student conduct are necessary to assure that individuals seeking to express their rights do not at the same time infringe upon the rights of others. Self-discipline, which comes from understanding this balance of rights and responsibilities, is essential in any democracy. The schools believe that self-discipline is promoted not only through instruction about our representative form of government, but also through practicing democracy in the schools, in the home, and throughout the community.

Those enjoying the benefits of citizenship in the school community must also accept the responsibilities of school citizenship. A democratic school must have rules and regulations just as must the larger democratic society. It is the responsibility of students, parents, educators and the community to work to establish rules and regulations which promote the best possible learning environment for all those involved in the educational process. Not only should the school environment provide equal opportunity for all, it should also permit the teaching-learning process to proceed in an orderly manner.

In an effort to create a more democratic school society, the Board of School Trustees of the New Albany-Floyd County Consolidated School Corporation has outlined some of the basic rights and responsibilities which will allow self-disciplined students to better govern themselves within the total school environment. These policy statements made by the Board of School Trustees are summarized below under eight main headings: (I) Basic Rights and Responsibilities of Students, (II) Enforcement of Rules and Regulations, (III) Procedure for Handling Suspensions and Expulsions from school, (IV) School Safety Policy, (V) Driver's License Policy, (VI) School Bus Safety Code, and (VII) Telecommunication.

As set out in Indiana law, I.C. 20-33-8, in all matters relating to the discipline and conduct of students, School Corporation personnel stand in the relation of parents and guardians to the students of the School Corporation. Therefore, School Corporation personnel have the right, subject to Indiana law, to take any disciplinary action necessary to promote student conduct that conforms to an orderly and effective educational system. Students must follow responsible directions of school personnel in all educational settings and refrain from disruptive behavior that interferes with the educational environment.

### **I. BASIC RIGHTS AND RESPONSIBILITIES OF STUDENTS**

#### **1. Freedom of Speech and Assembly**

- a.** Students are entitled to express their personal opinions verbally as long as such opinions do not interfere with the freedom of others to express themselves. Students may not use lewd, vulgar, indecent or offensive speech, or engage in lewd, vulgar, indecent or offensive conduct while participating

in, or present at, any school activity or any school sponsored extracurricular activity.

- b. Students have the freedom to assemble peacefully. There is an appropriate time and place for the expression of opinions and beliefs. Conducting demonstrations which interfere with the operation of the school or classroom is inappropriate and prohibited. All student meetings in school buildings or on school grounds may function only as a part of the formal educational process or as authorized by the school principal. The use of obscenities or personal attacks is prohibited. Violence, threats of violence and possession, use or threatened use of weapons are prohibited.

## **2. Freedom to Publish**

- a. Students are entitled to express their personal opinions in writing, as long as they do not use lewd, vulgar, indecent or offensive language in such writing.
- b. Students may edit, publish, and distribute printed, handwritten, or duplicated matter among their fellow students within the schools. Students must assume the responsibility for the content of such publications or handwritten opinions. The distribution of such material must not interfere with, or disrupt, the educational process, learning environment, or endanger the safety of student and employees. Such material must be signed by the authors. Libel, obscenities, and personal attacks as well as lewd, vulgar, indecent and offensive language are prohibited in all material written, edited, published, or distributed by students in school, on school grounds, at any school sponsored functions, or at any time while under the supervision of school personnel.

## **3. Search and Seizure**

- a. A student is presumed to have no expectation of privacy in a school locker, desk or other area assigned to the student, or in the contents of those assigned areas.
- b. The school principal or another member of the administrative staff designated by the principal may search a student's locker or other assigned area at any time.
- c. Other than a general search of student lockers or other assigned areas, any search shall be, where possible, conducted in the presence of the student whose locker is the subject of the search.
- d. A law enforcement officer with appropriate jurisdiction may, at the request of the school principal, assist the school administration in searching such a locker and its contents.
- e. The principal or designee may search the person or property (including vehicles) of a student, with or without the student's consent, whenever they have reasonable suspicion to suspect that the search is required to discover evidence of a violation of law or of schools rules. The extent and conduct of a search will be governed by the student's age, gender, and the nature of the infraction. Strip searches are prohibited.

- f. To combat escalating school violence and the potential presence of weapons in our schools, and in accordance with School Corporation policy and procedures, the School Corporation may utilize metal detectors for random and reasonable suspicion-based searches to detect firearms, knives, and other weapons.
- g. Driving to school and utilizing the school parking lot are privileges for student drivers. Any student who parks his/her car in a school parking lot consents to a search of the car if the school administration has reasonable suspicion
- h. In an effort to promote a drug-free campus and to protect the safety and health of the district's faculty, staff, and students, the district may routinely partner with the local law enforcement to conduct random searches of lockers, classrooms, and school parking lots. During those partnerships, the board has authorized the use of specially trained dogs to locate and detect the presence of weapons and prohibited drugs on school property.

**4. Married Students**

- a. It is the responsibility of students who are married to declare their married status at the time of marriage or at the time of enrollment in school.
- b. Married students are subject to all rules and regulations that apply to the entire student body.

**5. Identification**

It is the responsibility of all persons, upon request, to identify themselves to proper school authorities in the school buildings, on school grounds, or at school sponsored events.

**6. Student Conduct at Events on and off School Grounds and at Other Times When Not at School**

- a. The New Albany-Floyd County Consolidated School Corporation has adopted a School Safety Policy governing students who commit, attempt to commit, or threaten aggressive acts toward persons (students, employees or visitors) or property. ### **III. PROCEDURE FOR HANDLING SUSPENSIONS AND EXPULSIONS FROM SCHOOL**

The Board of School Trustees of the New Albany-Floyd County Consolidated School Corporation has provided a procedure for the handling of student suspensions and expulsions from school. The basic premise of this policy is fairness. A full text of the procedure required by Indiana Law is available in the Administrative Services Center, 2813 Grant Line Road, New Albany, Indiana 47150, upon request. The following is a summary of that procedure.

1. A principal or designee may suspend a student from school for a period not to exceed ten (10) school days. The principal or designee shall send a written statement to the student's parents describing the student's conduct, misconduct or violation of any rule or standard and the reasons for the action taken. The principal or designee shall make a reasonable effort to hold a conference with the parents before or at the time the student returns to school. A student may be suspended from school pending a meeting on his/her expulsion.
2. If, after an investigation, the principal or designee decides that expulsion is warranted for any student, he/she shall file a written charge with the Superintendent requesting that the student be expelled.
3. If the student has an identified disability and is receiving special education services in the School Corporation, the principal or designee will contact the Director of Student Support Services to schedule a causal relationship case conference at the time he/she submits a written charge to the Superintendent. If the case conference committee determines that no causal relationship exists, under

Article 7, the principal or designee may proceed with the expulsion recommendation.

4. When a principal or designee recommends to the Superintendent that a student be expelled from school, the following procedures will be followed:
  - a. The Superintendent may conduct an expulsion meeting, or may appoint one of the following persons to conduct the expulsion meeting:
    - (1) A member of the administrative staff who did not recommend that the student be expelled and who was not involved in the events giving rise to that recommendation; or
    - (2) Legal counsel.
  - b. The Superintendent or the person appointed to hold the expulsion meeting may continue the suspension of a student for more than the ten (10) school days of the principal's suspension and until the time of the expulsion decision, if he/she determines that the student's continued suspension will prevent or substantially reduce the risk of:
    - (1) Interference with an educational function or school purpose; or
    - (2) A physical injury to the student, other students, school employees or visitors to the school.
  - c. An expulsion will not take place until the student and the student's parent or guardian are offered the opportunity to request an expulsion meeting conducted by the Superintendent or the person designated by the Superintendent.
  - d. The opportunity to request an expulsion meeting will be in writing, delivered by certified mail or by personal delivery and contain the reasons for the recommended expulsion and the length of expulsion recommended. For purposes of this provision, a notice of opportunity to request an expulsion meeting or notice of the action taken at an expulsion meeting is effectively given at the time the notice is delivered personally or sent by certified mail to a student and the student's parent or guardian.
  - e. Failure by a student or a student's parent or guardian to request or to appear at an expulsion meeting shall be deemed a waiver of all rights administratively to contest the expulsion.
  - f. The Superintendent or the person designated to hold an expulsion meeting may issue subpoenas, compel the attendance of witnesses, and administer oaths to persons giving testimony at an expulsion meeting.
  - g. At the expulsion meeting, the principal or designee will present information to support the charges against the student. The student, parent or guardian will have the opportunity to answer the charges against the student, and to present information to support the student's position.
  - h. If an expulsion meeting is held, the person conducting the expulsion meeting will make a written summary of the evidence heard at the meeting, take any action found to be appropriate and give notice of the action taken to the

student and the student's parent or guardian, by certified mail or personal delivery.

- i. In accordance with Indiana Code, a student or parent may request an appeal to the Board of School Trustees on the action taken by the expulsion examiner unless the Board of Trustees has voted to not hear any appeals. The NAFC Board of Trustees voted not to hear any appeals. The ruling of the Expulsion Examiner is final.
5. Under Indiana law, judicial review of the Board of School Trustee's action, by the Circuit or Superior Court of Floyd County is limited to the issue of whether the School Corporation acted without following the procedure required by the student due process statute, I.C. 20-33-8 et. seq.

#### **IV. SCHOOL SAFETY POLICY**

The New Albany-Floyd County Consolidated School Corporation has adopted proactive safety policy governing students who commit, attempt to commit, or threaten aggressive acts toward persons (students, employees, or visitors) or property. This policy applies when a student is on a school bus, on school grounds, off school grounds at a school activity, function, or event, and while traveling to and from school or a school activity, function, or event. This policy may also apply when a student's conduct is unlawful and may reasonably be considered an interference with school purposes or an educational function, when such conduct occurs during weekends, holidays, school recesses, or during the summer when a student may not be attending classes or other school functions. Students who commit these acts will be suspended and may be expelled for up to one school year or one calendar year, in the case of firearms violations. Students will also be referred to the probation office or the prosecutor's office as required or appropriate.

The school safety policy is implemented at each specific level of instruction (elementary, middle and high), and will not follow the student to the next level of instruction.

1. It shall be grounds for an immediate ten days suspension pending expulsion for any student to possess, handle, use, threaten to use, demonstrate the intent to use or transmit weapons, firearms, or explosives. Except in instances involving firearms, upon the recommendation of the building principal, first-time offenders may be given the option of participating in an approved educational/counseling program outside the school corporation. The cost of such outside educational/counseling program shall be the responsibility of the student and the student's parents or guardians. The School Corporation may consider a reduction in the length of the expulsion upon satisfactory completion of this program.
2. A student will be expelled for a full calendar year for possessing, handling, or transmitting a firearm, as defined by Indiana law, while under the jurisdiction of the school corporation. Under I.C. 35-47-1-5, a "firearm" means any weapon that is capable of expelling or designed to expel or that may readily be converted to expel a projectile by means of an explosion. A student expelled under this provision will not be re-enrolled in the school corporation until the beginning of the semester following the end of the expulsion. The length of expulsion for

possession, handling, or transmitting a firearm may be reduced by the Superintendent, if the circumstances warrant such a reduction.

3. First-time offenders who threaten or commit aggressive acts toward persons or property and who are not in possession of and have not handled, used, threatened to use, or transmitted weapons, firearms or explosives shall be immediately suspended for up to five school days. Such students shall also be required to meet with the school counselor upon returning to school.
4. The remainder of this policy notwithstanding, when a first-time offender has engaged in violent conduct or has continued to demonstrate aggressive behavior after being told by a school employee to cease and desist (students must be able to immediately demonstrate restraint and self-control) such student may be suspended for ten school days pending expulsion. The students may, upon the recommendation of the building principal, be given the option of participating in an approved educational/counseling program outside the School Corporation. The cost of such outside educational/counseling program shall be the responsibility of the student and the student's parents or guardians. The Superintendent may consider a reduction in the length of the expulsion upon satisfactory completion of this program.
5. Second time offenders who threaten or commit aggressive acts toward persons or property and who are not in possession of and have not handled, used, threatened to use or transmitted weapons, firearms or explosives shall be immediately suspended up to ten school days. Such conduct shall also be grounds for expulsion; however, an educational/counseling alternative to expulsion provided by an approved outside agency may be offered by the building principal to the student and his/her parents or guardians. If the educational/counseling alternative is offered, required documentation must be presented upon return to school.
  - a. This program will be designed to assist students in successfully managing and resolving conflicts in a nonviolent and non-aggressive manner, so that they may successfully complete school after experiencing the consequences of their violation of this policy.
  - b. If the outside educational/counseling program is chosen by the student and parents or guardians the student must attend all sessions of the program. Any cost for this program will be the responsibility of the student and the student's parents or guardians.
  - c. If the student enrolls in the outside educational/counseling program and then withdraws or otherwise fails to satisfactorily complete the program, the building administrator shall immediately resume the expulsion process for such student.
  - d. If the student or his/her parents or guardians do not choose to participate in the outside educational/counseling program, the building administrator shall immediately resume the expulsion process for such student. Such student may be referred to the Floyd County Probation Office for any appropriate action.

6. Students who threaten or commit aggressive acts on more than two occasions shall be immediately suspended for ten school days pending expulsion.
7. If a student's behavior is a criminal act, in addition to school discipline, the school will also notify the proper authorities.

## **V. Driver's License Policy**

This Policy, adopted by the board of School Trustees, is designed to comply with the Indiana law I.C. 9-24-2 and 20-33-8, as amended, which amended Indiana driver's license law to invalidate an operator's license or permit and to prohibit the issuance of an operator's license or permit to a student less than eighteen (18) years of age, under the conditions set out in this Policy.

### **1. DEFINITIONS, FOR PURPOSES OF THIS POLICY.**

- i. "Cutting Class" refers to a student's absence from an assigned class period during a school day without the knowledge and consent of the student's parent and/or the school; a student is cutting class, unless both the parent and the school approve of the student's absence from class. Three (3) instances of cutting class, whether on one (1) school day, or cumulative over more than one (1) school day, is a truancy from an entire school day, provided that no more than one (1) truancy may be accumulated on any one (1) school day, and provided that no more than three (3) instances of cutting class on a single school day is one (1) day of truancy.
- ii. "Suspension" means an out-of-school suspension and does not include an assignment to the Suspension Alternative Laboratory (SAL).
- iii. "Truancy" refers to a student's absence from school without the knowledge and consent of the parent and/or the school; i.e., a student's absence is a truancy unless both the parent and the school approve of the student's absence from school. A student who commits truancy is a truant. A suspension or expulsion for any reason is not truancy; however, absences due to suspension or expulsion are excused.
- iv. "Habitual Truant" refers to a student who has been truant for a period of:
  1. Ten (10) or more days during a school year;
- v. "Operator's License or Permit" includes an operator's license, learner's permit, temporary motorcycle learner's permit, motorcycle operator's endorsement, motorcycle operator's license, or any other license or permit issued by the Indiana bureau of Motor Vehicles to operate a motorized vehicle in the State of Indiana.
- vi. "Parent" includes any person or agency legally responsible for a student.
- vii. "Principal" includes any designee of the principal.

- viii. “Student Guide” refers to the New Albany-Floyd County Consolidated Schools Student Guide for Student Rights and Responsibilities, Enforcement of Rules and Regulations and Due Process Procedures, as adopted by the Board of School Trustees and, from time to time amended.
  - ix. “Superintendent” includes any designee of the Superintendent
1. Indiana law prohibits the issuance of an operator’s license, or permit and invalidates any existing license or permit, if a person less than eighteen (18) years :
    - a. Is under a second suspension from school for the school year;
    - b. Is under an expulsion from school;
    - c. Is a habitual truant; or
    - d. Withdraws from school before graduating in an effort to circumvent the sanctions listed in this subsection or for any reason other than financial hardship.
  2. When a student, who is at least fourteen (14) years of age, but less than eighteen (18) years of age, is suspended for the first time in a school year, the parent and the student will be informed of the consequences of a second suspension under this Policy.
  3. The opportunity for an expulsion meeting will be offered, when a student is charged with conduct for which expulsion is recommended.
  4. A student whose operator’s license or permit has been denied or invalidated under the terms set out above, will become eligible for an operator’s license or permit, or to have such a license or permit revalidated upon one of the following events:
    - a. The student becomes eighteen (18) years of age;
    - b. One hundred eighty (180) days after the student is suspended, or the end of a semester during which the student returns to school, whichever is longer;
    - c. Thirty (30) days after a student resumes school attendance following an expulsion.
    - d. The expulsion is reversed through the student due process procedures set out in the Student Guide; or
    - e. If 2 (d) above applies, the student in good standing has re-enrolled in school and attended for thirty (30) days.
  5. When a student has been suspended twice or expelled, the student’s principal will communicate the pertinent information to the Indiana Bureau of Motor Vehicles. The student’s principal will, at the appropriate time as set out in subsection 5 above, provide such student the information necessary for the student’s operator’s license or permit to be revalidated by the Indiana Bureau of Motor Vehicles.

- 6.** If a principal has reason to believe that a student is withdrawing from school in order to avoid a second suspension in a school year or an expulsion, the principal shall proceed with the suspension or the recommendation for expulsion and notify the Indiana Bureau of Motor Vehicles.
- 7.** If a student less than eighteen (18) years of age withdraws from school before graduating for any other reason than financial hardship, the principal of the student's school will report the student's withdrawal under I.C. 20-33-2-21 and I.C. 20-33-2-11 and the student's operator's license or permit will be invalidated, or the student will not be eligible to receive such a license or permit. When a student seeks to withdraw, the principal will hold an exit interview and will determine the reason for the student's withdrawal. If the principal determines that the reason for withdrawal is not financial hardship, the student and the student's parent will receive a copy of the determination.
- 8.** Nothing contained in this Policy shall limit disciplinary action under the Corporation's attendance policy for any individual instance of truancy or cutting class. The student who has been truant and the parent of such student will be informed of each truancy and the consequences of additional trancies under this policy.
- 9.** The parent of a student charged by a principal with being a habitual truant will receive notice of such charges and may request a meeting under the provisions of the School Corporation's student due process procedures set out in the Student Guide.
- 10.** The Superintendent acting on behalf of the Board of School Trustees, will inform the student and the student's parent of his/her determination, and if he/she determines that a student is a habitual truant, he/she will submit, to the Indiana Bureau of Motor Vehicles, the pertinent information concerning the student's ineligibility to be issued an operator's license or permit.
- 11.** The Superintendent will provide the principal of each secondary school in the Corporation a copy of each list of habitual truants and will provide the principal of the student's school a copy of the official determination for inclusion in the student's education record.
- 12.** The attendance record of a student who has been found to be a habitual truant shall be reviewed by the principal of the student's school at the end of each school year during which the student is designated a habitual truant.
  - a.** In reviewing the student's attendance record, the principal will decide whether or not the student's attendance has improved to the degree that the student should no longer be designated a habitual truant and should become eligible to be issued an operator's license or permit upon fulfilling all other requirements for such license or permit, and the principal shall submit a recommendation to the Superintendent on this matter.
  - b.** The Superintendent, acting on behalf of the Board of School trustees, will notify the student and the student's parent of the principal's recommendation

and will offer the opportunity for a meeting under the School Corporation's student due process procedures, set out in the Student Guide.

- c. The Superintendent, acting on behalf of the Board of School Trustees, will inform the student and the student's parents of his/her determination, and if he/she determines that a student is no longer a habitual truant, he/she will submit, to the Indiana Bureau of Motor Vehicles, the pertinent information concerning the student's eligibility to be issued an operator's license or permit.
  - d. The decision of the Superintendent, under subsection C, immediately above, may be appealed in accordance with the School Corporation's student due process procedures, in the Student Guide.
  - e. If a student who has been designated a habitual truant, and who remains ineligible to obtain an operator's license or permit, withdraws from the School Corporation for any reason, the student's former principal in the School Corporation shall have no authority or duty to conduct a review of such student's attendance record; conversely, if such a student moves or transfers to the School Corporation, or to another school in the School Corporation, the principal of the school in which the student is newly enrolled shall conduct the appropriate review.
  - f. A determination that a student is no longer a habitual truant shall not cause the number of trancies to be erased for purposes of considering a charge that a student is a repeat habitual truant under this Policy.
13. For purposes of this Policy, when a student enrolls in the School Corporation and the student's attendance and disciplinary records are obtained from the student's previous school(s), the principal of the newly enrolled student shall treat such records as if the conduct of the student recorded therein had occurred with this School Corporation. Similarly, the principal shall recognize a previous school's designation or determination of truancy and habitual truancy, as well as any suspension or expulsion.

## **VI. School Bus Safety Code**

All school children, while being transported on a school bus, shall be under supervision, direction, and control of the school bus driver, and shall be subject to the discipline of the bus driver and the governing body of the school corporation.

The following rules have been instituted for the safety and comfort of our children and the efficient operation of our bus fleet.

Students must do the following:

1. Be at their bus pickups on time.
2. Wait their turns to load and unload the bus. Avoid standing or playing on the road while waiting for the bus.
3. The bus driver and bus monitors should be treated with respect.

6. Horseplay, littering, loud and boisterous conduct on the bus will not be allowed. This type of conduct distracts a driver and may result in a serious accident endangering every person on the bus.
7. Students must wear seat belts on buses where they are available.

## **VII. TELECOMMUNICATION**

Users are legally bound to the terms and conditions of the Telecommunications Use Agreement. It is assumed that users have read the terms and conditions carefully and understand their significance including the understanding that any violation of these regulations is unethical, may constitute a criminal offense, that accessers’ privileges may be revoked and school disciplinary action may be taken as well as appropriate legal action.

If a parent or guardian does not authorize the school to make Internet access available to their student, it is the parent’s responsibility to inform the school in writing. Alternate activities of a suitable educational nature not requiring Internet access will be assigned to students whose parents have informed the school not to make Internet access available to their student.

## **NEW ALBANY-FLOYD COUNTY CONSOLIDATED SCHOOL CORPORATION TELECOMMUNICATIONS USE AGREEMENT**

The New Albany-Floyd County Consolidated School Corporation firmly believes that there is a wealth of information and interaction on the worldwide computer network that will provide valuable resources for our students. With access to computers and people from all over the world through Internet, it is impossible to control access to all materials found on the Internet, and an industrious user may discover controversial information. Sponsoring teachers will instruct and supervise their students in acceptable use of the Internet and proper Internet etiquette.

The smooth operation of the network relies upon the proper conduct of the end users who must adhere to strict guidelines. Access to the Internet through school machines requires responsible, efficient, ethical, and legal utilization of Internet resources. Users violating any of these provisions may be disciplined, and their access to Network and Internet services terminated and future access denied

The Board of School Trustees firmly believes that broad educational opportunity should be a right for all children. Educational experiences are provided not only in the regular classroom, but also by a comprehensive extracurricular activities program. Therefore, removal from the extracurricular activities or from the classroom as a disciplinary measure is resorted to only when self-discipline fails.

It is the sincere hope of the Board of School Trustees that this Guide will be helpful to students, parents, and teachers in the effort to promote more democratic schools and continued good relations between students and teachers.
