

We are FMS, the world's only janitorial service to be recognized as a certified Benefit Corporation. This means we have built a social mission into our business model to ensure the work we do benefits our employees and our communities.

We are proud to clean for New Albany Floyd County Schools and work hard to ensure our schools are clean, safe, and a source of pride for students, faculty & staff, parents, and community members.

We are always looking for Good People to be a part of our team. If you are interested in working for a company using business as a force for good, visit www.fmspbc.com to apply.
