COMMUNITY FOUNDATION OF SOUTHERN INDIANA

Help Update our Community Needs Assessment

Thanks to a grant from Lilly Endowment, Inc., the Community Foundation of Southern Indiana is updating the 2015 Assessment of Needs and Priorities for Clark and Floyd Counties. In an effort to make this a comprehensive document with feedback from all of our community's stakeholders, we're inviting you to join us and share your thoughts.

In partnership with Indiana University Southeast Applied Research and Education Center, CFSI published our last needs assessment in 2015. Over the last four years many things have changed in our community, and we need your input to include the most pressing needs and priorities we face today.

Please join us and share your thoughts.
