

Brandon's House Counseling Center, Inc.

1618 Beeler Street, New Albany, Indiana 47150

Hello From Brandon's House,

Brandon's House Counseling Center, Inc. is a nonprofit agency in New Albany, Indiana that opened in 1993 with the mission of providing free, professional counseling services to teenagers and their families. Brandon's House depends primarily on community support and donations. We continue our work with the belief that the community we serve will support us, keeping our doors open to families who need us.

The annual walkathon for Brandon's House will be held on Sunday, May 16th as a virtual event. We are encouraging participants to walk between 2:00pm and 7:00pm and we will be broadcasting live on social media throughout the event. We have selected two locations to encourage social distancing, Sam Peden Community Park and New Albany Riverfront; however, you are welcome to complete your walk anywhere!

We are also holding a walkathon t-shirt design contest that is open to all teens (13 years old to 19 years old). Students may submit as many designs as they wish during the contest. Attached to this email you will find a copy of the Walk 4 Teens registration form, and a t-shirt contest entry form. Please share the information about our walkathon and t-shirt contest with others in your school or church.

Please join us for our walkathon and t-shirt design contest. You can also support the Walk 4 Teens this year as a sponsor. Sponsorship benefits are listed on www.brandonshousein.com. Sponsors will be recognized on the back of the event t-shirt.

Thank you in advance for your consideration and help. Every donation benefits a young person in need. Together, we are making a difference – one teenager at a time.

Sincerely,

Kathleen Randelia, MA, LMHC
Director
