July 2021

### Introducing Emma Finerfrock Purdue Extension Floyd County's Summer Intern

Hello! My name is Emma Finerfrock and I am the Summer Intern for Purdue Extension Floyd County. I graduated from Purdue University in May with my Bachelor of Arts in Communication with a concentration in Human Relations. I will return to Purdue in the fall to pursue a Master of Public Health (MPH) with a concentration in Family and Community Health. I plan to graduate with my MPH in August of 2022.

I started my internship with the Floyd County Extension Office in mid-May and have loved every second of my experience! Since starting, I have assisted our Educators and Community Wellness Coordinator with various programs such as our ServSafe program and *Where Does Your Money Go?* program. I have assisted at our 4-H County Fair, planted flowers for the Public Library Book Gardens, worked with our HHS Educator to develop a nutrition-based activity for the New Albany Housing Authority's "School's Out Street Fair," and more! I am currently developing a hands-on, art-based SPARK Club with the guidance of our 4-H Educator and creating a branding kit for a local non-profit with our Community Wellness Coordinator.

Although I have only been at the Floyd County Extension Office for a little over a month, my experience has been extremely valuable and enjoyable! I hope to continue my relationship with Purdue Extension Office after graduating next August.

### REMEMBERING TOM PICKETT

Our hearts were saddened this week when we learned of the passing of Tom Pickett, long time Purdue Extension Floyd County Board member and a representative on the Floyd County Council.

Tom was always ready with a joke to begin a conversation. He shared many stories over the years. He was a proud father and grandfather. Even while recuperating from recent health issues, Tom attended virtual Extension Board meetings and offered his opinion on various subjects.

Our sympathy, thoughts, and prayers are with his wife, Roz, their family and many friends.

*Thank you, Tom, for your service to the Floyd County community. We will miss you!*

# Purdue Extension News

## IMPORTANT INFORMATION REGARDING EXTENSION OFFICE OPERATING HOURS

During the time that the Sherman Minton bridge is under construction, Purdue Extension Floyd County will be operating under adjusted office hours, 7:00 a.m. to 3:00 p.m. Clients unable to access the office during this time may make arrangements to be met outside of office hours by calling 812-948-5470. You may also reach out via email at [floydces@purdue.edu](mailto:floydces@purdue.edu).

Please follow us on Facebook and on our website for updates:

[extension.purdue.edu/Floyd](http://extension.purdue.edu/Floyd)

Sandra Fortner  
Rebecca Gardenour  
Tony Kruer  
Andy Lemon  
Phil Love  
Jeremy Paden  
Raul Rodriguez  
Connie Schillmiller  
Jeannie Young

The next Extension Board Meeting will be held on October 6.

## FLASH TAPE available at the Extension Office

For those who have problems keeping birds and deer out of gardens, fruit trees, and flower beds, there is help! The Extension Office offers FLASH TAPE by the roll. This product is reflective, two-sided (silver/red) and when applied, it “flashes” and scares away pests. It will not harm animals. The cost is: \$7.00 per roll (1/2” x 290’) cash or check only. Supplies limited.

## SOIL TESTING

Soil samples are accepted at the Extension Office and sent out for testing. Soil is tested for Nitrogen, Phosphorous, Potassium, and pH.

For gardens & flower beds, dig 6-8” deep. For turf areas, dig 3” deep. Samples must be dry (air dry at room temperature).

Place one cup soil in a clean, clear plastic bag or container, labeled with your name. Bring it to:

Purdue Extension Floyd County  
3000 Technology Ave., L2110  
New Albany, IN 47150

The fee is \$15.00 per sample. Cash or check only.

There will be a \$30 fee for any returned check.

Gary Jacobi  
Andy Lemon  
Raul Rodriguez

ASSURED ADMISSION

# PURDUE FAST START

PROGRAM

At Purdue University, we are empowering students to direct their own futures through the free

**PURDUE FAST START PROGRAM,**

which makes higher education more affordable for all.

## WHAT

Many promising students will now have the opportunity to take their first steps toward a Purdue degree with the new Purdue Fast Start program. Through Purdue's partnership with ModernStates.org, a website featuring more than 30 free, high-quality courses, you can gain assured admission into Purdue by earning free college credit. This partnership will create new opportunities for Indiana students to take giant leaps in their education with a new pathway to Purdue University.

**THROUGH THE PURDUE FAST START PROGRAM, STUDENTS WILL BE ABLE TO MAKE THEIR OWN GIANT LEAPS A REALITY BY EARNING ACCESS TO AFFORDABLE, HIGH-QUALITY EDUCATION AT PURDUE.**

## HOW

To earn acceptance into Purdue, Indiana students can take the Modern States online courses for free. Those who pass a minimum of five corresponding College Board CLEP exams are assured admission to Purdue and will be designated as Klinsky Scholars. Students also will have access to mentors during the program.

Make a Purdue University education even more affordable:

- Free online courses and corresponding CLEP exams through Modern States, covering the entire cost of the Fast Start program
- Complete 5 courses + pass the CLEP exams (paid for by ModernStates.org) = 15 credits, a full semester's worth of credit at Purdue, WHICH CAN SAVE A STUDENT \$11,000
- Complete 10 courses + pass the CLEP exams (paid for by ModernStates.org) = 30 credits, freshman year for free at Purdue, WHICH CAN SAVE A STUDENT OVER \$21,000

LEARN MORE

For more information, go to the Fast Start website at [purdue.university/faststart](http://purdue.university/faststart), or call 765-494-1776 or (for hearing impaired) 800-743-3333.

## HOMEMADE CITRUS DRESSING STARS IN SUMMER SALAD

The summer season is prime growing time for fruit and vegetables of all colors. For today's recipe, combine ripe blueberries and juicy watermelon with greens and feta cheese. Toss with a simple homemade citrus dressing and add a few salty olives to balance the sweetness.

Once you have tasted the fresh flavors of easy, homemade salad dressing you won't want bottled dressing. The formula includes citrus juice, vinegar, oil, seasonings, a dash of sugar if desired, and a little water. See the recipe below for amounts of each ingredient. Shake ingredients in a closed container until well blended and refrigerate until ready to use. The dressing will be thinner than bottled dressing but you can add ½-teaspoon Dijon mustard and shake to thicken.

Fresh fruit is high in vitamins A and C and add fiber to your diet. Fiber causes food to pass through your system more slowly. It helps balance blood sugars, makes you feel more satisfied after a meal and aids in elimination. Always read the recipe before you begin cooking to be sure you have all the ingredients you need. This recipe is versatile because you can choose from ingredients on hand.

### Summer Salad with Citrus Dressing

#### You will need:

- 2 tablespoons citrus juice (choose fresh lemon, lime, or orange)
- 1-tablespoon vinegar
- 2-tablespoon olive oil or canola oil
- 1-tablespoon water
- 1-teaspoon sugar (if desired)
- Salt and pepper to taste
- 4 cups greens (choose spinach or lettuce, rinsed until cool running water and patted dry)
- 1-cup watermelon cut into bite-sized pieces (wash the outer rind well before cutting to eliminate harmful

ful bacteria)

1-cup blueberries (rinsed well under cool running water)

2 ounces Feta cheese

1/2-cup olives, like Kalamata or your favorite (optional)

#### Steps:

1. Wash your hands with warm water and soap for at least 20 seconds.
2. Combine citrus juice, vinegar, olive oil, water, and sugar, salt and pepper in a container with a lid. Close tightly and shake until ingredients are blended. Store in the refrigerator until ready to use.
3. For each individual salad, top 1 cup of greens with ½-cup fruit.
4. Divide the Feta cheese into four parts and sprinkle one part over each salad.
5. Divide Kalamata olives into four servings and place one serving on each salad.
6. Take dressing from the refrigerator and shake well. Drizzle a generous tablespoon of dressing on top of each salad and toss lightly.

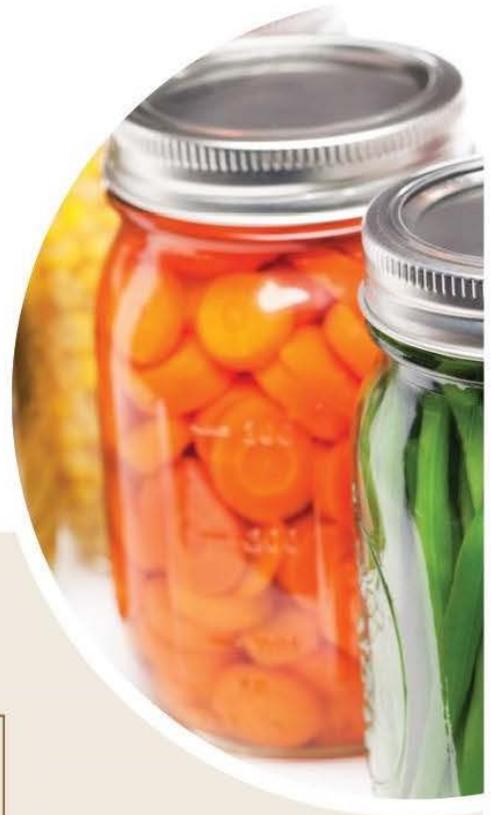

For more information about choosing and serving fresh produce, contact Janet Steffens, Purdue Extension Educator in Floyd County at

[jsteffens@purdue.edu](mailto:jsteffens@purdue.edu).

## 2021 Food Preservation – CANNING

# Preserve It Now...Enjoy It Later!

Tuesdays  
July 13th -  
Aug. 10th

Jul. 13 - Equipment  
Jul. 20 - Salsa  
Jul. 27 - Pickling

1:00 PM -  
3:00 PM  
EST

Aug. 3 – Pressure  
Canning  
Aug. 10 - Jam & Jelly

### Home Food Preservation Virtual Learning Series through Zoom.

*Join us to increase knowledge and confidence! Each session will include a short presentation, an actual food preservation demonstration, interactive discussion and time for question/answer on the food preservation related topic.*

*Sessions include: Equipment, Boiling Water Canning, Pressure Canning, Salsa, Pickling and Jam & Jelly.*

Registration fee of \$30 provides access to all five sessions.

# 4-H/Youth Development

## Head X Heart X Hands X Health

Use your head, heart, hands, & health, no telling how far you'll go!

Sam McCollum, 4-H Educator

Dear 4-H Families, Members and Volunteers,

As the 2020-21 4-H season is nearing it's close this September, I would like to take this opportunity to express my gratitude to you all. I have mentioned in the past that without you this program would not be where it is today, and I cannot emphasize that enough. 4-H here in Floyd County is more than just static projects, showing animals and club meetings. It is developing lasting relationships with your peers, community involvement, developing work ethic and so much more! I am proud to be a part of this program and hope that it continues to grow within our community! Let us keep working together to grow this program for the youth in Floyd County! So, once again, thank you for not only a successful Showcase, but a successful year!

*Sam McCollum, 4-H Educator*

## Floyd County 4-H Showcase Memories

**Thank you, 4-H'ers for a job well done!**

**Thanks to our many volunteers who helped tirelessly to make the 4-H Showcase great for our youth! Your efforts do not go unrecognized and are greatly appreciated!! We could not do it without you.**

#### **POULTRY CLUB RUMMAGE SALE**

Your local Floyd County 4-H Poultry Club needs the stuff you don't need anymore. They are having a rummage sale on Saturday, July 31, 8:00 a.m. to 1:00 p.m.

If you have stuff that didn't sell at your garage sale, estate sale, or you just want to donate, please bring it to the Floyd County Fairgrounds, 2828 Green Valley Road, New Albany, IN 47150 (the second silver barn). Drop off donations on Saturday, July 17 and Saturday, July 24th between 1:00 p.m. and 4:00 p.m.

4-H Grows Here!

## 4-H/Youth Development

### Head X Heart X Hands X Health

Use your head, heart, hands, & health, no telling how far you'll go!

Sam McCollum, 4-H Educator

Congratulations to the 4-H'ers whose projects were selected for the Indiana State Fair! Fair runs July 30-August 22 and is closed Mondays & Tuesdays.

Indoor projects taken home after our Fair that are going to the Indiana State Fair must be returned to the Floyd County Extension Office **no later than 3:00 on Thursday, July 29**. This includes all 4-H non-animal exhibits, such as beekeeping, floriculture and garden. Baked and preserved food exhibits are due in the Extension Office **no later than 3:00 Tuesday,**

**August 3.** If you are planning to deliver your project to the Indiana State Fair, please contact Sam for a parking tag and admission ticket. Please refer to the state requirements found at [www.indianastatefair.com](http://www.indianastatefair.com) at the Competitions tab. At the dropdown, choose 4-H Project Entry Books. **Projects may be picked up in the Extension Office between August 25 and September 3.** Food and garden projects will not be returned but members will receive a ribbon for these entries. All projects must be picked up by September 3 or they will be recycled or disposed of. If you have questions, please call 812-948-5470.

We have a limited number of free State Fair tickets, available first come, first served for 4-H families whose projects were chosen for State Fair (limit 4 per family). The Floyd County Extension office is open 8-3:30, M-F.

## Show Your Clover Pride!

Specialty license plates promote 4-H wherever you drive

Visit your local [BMV](#) branch to purchase or renew your Indiana 4-H Foundation Special Group Recognition license plate. Plate fees support programs for young people state-wide and a portion of the money from each plate goes to 4-H in the county where the plate is purchased!

# Indiana State Fair Projects

These 4-H'ers have projects that will be on display at the Indiana State Fair! We wish them all the best as they represent Floyd County 4-H!
