

Registration 2021-22 FAQ

1. What do I need to do in order to register my student for the 2021-22 school year?

PowerSchool Enrollment (formerly Infosnap) Online Registration – Follow the instructions included with your Snapcode letter (mailed to families July 8). Upon receipt of your Snapcode letter, it is important that you complete the online registration process as soon as possible. - Go to our website www.nafcs.org
- Click on the green Transportation icon.
- Select the green Bus Routing Elink icon.
- Login with the Student ID (found on the Snapcode Letter) as the Username and Password.
- Click on Work with Students and then View My Students.
- Click on your student to view his/her bus stop information.

If no route information is available or the student's pickup location is incorrect, please email transportation@nafcs.org and let us know your student's name, grade, home address, pickup address and drop-off address to get a bus assignment. Transportation will not be able to contact you, so check E-Link daily for updated bus assignments and times. Also, if your student will not be riding the bus this year, we would like to know that as well.

Be aware that bus stop times will change throughout the year, especially the first few weeks of school due to traffic patterns and students being added to bus routes. Please have your student at the bus stop 10 minutes prior to their bus stop time. Check daily the first 2-weeks of school for updated information, then periodically for any changes throughout the year. If your student is moving from elementary school to middle school or middle school to high school, please keep in mind that the bus pickup/dropoff location may not be the same as last year.

9. How do I pay and manage my child's school meal account?

All NAFCS parents are REQUIRED to establish and maintain a MyPaymentsPlus account to manage their child's meal account. School Meals are free for the 2021-2022 school year, however students will need to have funds in their MyPaymentsPlus account if they want to purchase any a la carte "extra" items. Having a MyPaymentsPlus also provides the opportunity and peace of mind to monitor your child's cafeteria purchasing history.

MyPaymentsPlus can be found at www.MyPaymentsPlus.com or by visiting the Apple App Store or Google Play Store for the mobile app. MyPaymentsPlus streamlines the food purchasing process by allowing you to conveniently pay for a la carte purchases, view cafeteria purchases, receive low balance alerts, or enroll in autopay. Best of all, creating a MyPaymentsPlus account is simple, confidential, and absolutely FREE.

Textbook rental fee statements will be mailed to families on August 25 with fees due no later than September 24.
