

NAFC SCHOOLS

REQUEST for PROPOSAL

Mental Health Therapy Services for NAFC Schools

Issue date: May 4, 2022
Response date: May 25, 2022

Re: Providing mental health therapy for NAFC Schools

Dear Vendor:

The NAFC School Corporation is requesting proposals to provide a mental health therapy for students. This is a continuation of our pilot mental health therapy initiative. The school corporation will pay some seed money for providing a mental health therapist full-time at a school.

The responses the school corporation receives on the enclosed specifications for the mental health therapy program will assist us in determining which vendors will be selected to provide services to our schools.

Please complete the enclosed questionnaire and provide a narrative along with any other materials and return it to the following address by **Wednesday, May 25, 2022**.

Louie Jensen
Assistant Superintendent
New Albany-Floyd County School Corporation
P.O. Box 1087
New Albany, IN 47151-1087

We look forward to receiving your response.

Sincerely,

Dr. Louie Jensen
Associate Superintendent
