RE: Proposed school calendar for 2024-25

To the Members of the School Board of Trustees:

Attached is the proposed calendar for the 2024-25 school year. As in the past, we discussed this proposed calendar with the Teacher's Association starting in January of this school year. After discussing with the calendar committee, teachers took the proposal to their respective building committees in February for discussion and feedback. In our March Central Discussion Committee meeting, each building's teacher representative reported out and there were no suggested changes to the proposed 2024-2025 school calendar.

This year, the Teacher's Association did survey its members on possible changes to the calendar. An overwhelming eighty-seven (87%) percent of the membership wanted to keep the two weeks for fall break, holiday break, and spring break. To honor those requests, the proposed 2024-2025 school calendar will look very similar to calendars in previous years.

Highlights of the 2024-2025 proposed school calendar:

- **First semester**

 - o First student day Wednesday, July 31
