

Prosser Registration 2023-24 FAQ

1. What do I need to do in order to register my student for the 2023-24 school year?

PowerSchool Enrollment (formerly Infosnap) Online Registration – Follow the instructions included with your Snapcode letter (mailed to families July 7). Upon receipt of your Snapcode letter, it is so important that you complete the online registration process **as soon as possible**. If you need technical assistance, go to <https://help.powerschool.com/> or call Enrollment support at (866) 752-6850. Additionally, you can click the HELP icon (question mark) in the top right hand corner from any page in the online registration form.

The form can be completed using any type of device – phone, tablet, computer, etc. Each operating system performs differently depending upon the settings on the device – for example, if your device has Autofill turned on, a phone number may populate in every instance. Please check your form carefully before submission to make sure all data is correct.

2. What if I lose my Snapcode letter?

You may obtain another copy of the Snapcode letter by calling Prosser at 812-542-8508.

3. Do I have to go to Prosser for registration?

You **do not** have to go to Prosser to complete the registration process if you complete the PowerSchool Enrollment registration form online. Students will need to complete online registration for Prosser as well as registration for their home school.
