A BRIEF HISTORY OF NATHANIEL SCRIBNER^[L]_[SEP] MIDDLE SCHOOL

On September 7, 1960, Nathaniel Scribner Junior High School opened its doors to approximately 1200 students in grades 7, 8, and 9. The building was dedicated on October 23, 1960. In selecting a name for the school, the School Board chose to honor Nathaniel Scribner, one of the founders of New Albany and the person responsible for starting the first public school in the city.

In 1979 a Performing Arts Center (PAC) was added and in 1998 the athletic field was renovated with the addition of bleachers and lighting. During the fall of 2002 ninth graders began attending school at New Albany High School and our building officially became Nathaniel Scribner Middle School. In 2004, the sixth grade was added to Scribner. The fifth grade was added in 2010, bringing Scribner's enrollment to over 1000 students.

Fight song

Stand up and cheer
Stand up and cheer for dear old Scribner
For today we raise
Our banner high above the rest-rah, rah, rah
Our teams are fighting
And they are bound to beat the best.
We've got the steam-rah, rah
We're on the beam-rah, rah
For we're from Scribner Middle School.

General Information

This book begins with the preamble to the student rights of all NAFCS students. That is followed by a brief description of the school.

This handbook is subject to change throughout the school year as warranted by changes in policies and state statutes. The school district has other rules and regulations for students. Acts of questionable judgment are also prohibited.

COUNSELING

There are three counselors available to assist students with any problem or concern. Issues may be of a personal nature, about disagreements with other students or teachers, family problems, or academic worries/challenges. Other needs may include, assistance with study skills, test anxiety, social skills, organizational tactics, and stress management. Counselors also offer individual and group counseling for students that need extra support and classroom guidance lessons.

Students should have a pass from their teacher before seeing their counselor. If their counselor is not available the secretary will inform the counselor to call the student to his/her office at a later time. Parents may also call the counselor to address concerns about their child or to set up a conference with the teachers. Student support staff provides individual counseling to students, mediation between students, classroom guidance and crisis management. We support teachers on behavior management, consultation services and scheduling maintenance. We coordinate support programs in collaboration with NAFCS initiatives and outside agencies. Counselors work with teachers and parents to offer interventions for students who struggle academically or behaviorally.

DRILLS AND LOCKDOWNS (FIRE, TORNADO, INTRUDER)

State law requires all public schools to conduct a specific number of fire and disaster drills in the course of the school year. Each classroom posts a list of directions for each type of drill. All teachers will review the specific instructions for their room. Follow these directions without fail. It is essential that silence be maintained so that directions may be heard.

LIBRARY/MEDIA CENTER

SMS takes great care in offering and maintaining a great library for the students. Students are allowed to check out 2 books for 3 weeks. If a student loses or damages a book, the student is responsible for the replacement cost. Excessive late books or mistreatment of books may limit a student's ability to check out.

LOCKERS AND LOCKS

Locker assignments will be distributed with schedules. Students in grades 6th to 8th will be issued individual lockers.

Please report any locker problems to the office. Damage to locks will cost \$5.00.

You may not change lockers during the school year unless approved by the counselor.

Students are requested to tell no one their lock combination or permit anyone else to use the locker. Students must close their locker door and turn the lock to ensure safety. Lockers are for books, coats, school supplies, and personal items.

INCLEMENT WEATHER PROCEDURE AFTER SCHOOL DAY HOURS

Because inclement weather may appear at any time, an after-hours procedure has been established that safeguards students.

1. Middle School athletic teams are to meet their coaches in the athletic area of the building. Students may use telephones (if available) in this area to contact their parents. In the event inclement weather poses a threat to students, coaches will escort students to a secure area.
2. Non-athletic teams housed in the main body of the school are to follow the standard emergency plan for the building if hazardous weather threatens.
3. Students who remain after school, in the event of hazardous weather, are to go to a secure area via the most direct path, as directed by their sponsor.

LOST AND FOUND

All articles found by teachers or students should be turned in immediately to Room #314. A student can check room #314 with a pass from your teacher or before/after school to regain lost property. It is the responsibility of all students to turn in items they have found. Items that are left unclaimed are donated at the end of each quarter.

POLICIES FOR STUDENT MEAL ACCOUNTS

The National School Lunch Program (NSLP) requires school food authorities to establish written administrative guidelines and procedures for managing student meal accounts. It is the parent's/guardian's responsibility to provide the means for their child to be properly fed and ready to learn. In order to do so they should: provide the money for the child/children to purchase a school meal, complete the free/reduced meal application to determine if they are eligible for assistance to send a meal from home.

LUNCH

Four lines are available for the standard lunch. Adjustments will be made as needed. Students may bring their lunch to school and eat in the dining area. They may purchase any item without purchasing an entire lunch, provided the student has funds in their account. A full lunch is \$2.90: 1 entrée, 3 sides (different fruits and/or vegetables), and low-fat milk. ** Prices subject to change pending board approval.

Students who have financial needs and cannot purchase their lunch should apply for a "free or reduced" lunch. The details of the "free and reduced" lunch program is available when the student enrolls and at the beginning of the school year. The student may pay in advance, a week at a time.

MEAL PAYMENTS

All cafeteria purchases are to be prepaid before meal service begins.

For any payment information please refer to the districts website.

Meal Charge Policy Go to www.NAFCSnutrition.com for full details of "Charge Policy".

The New Albany Floyd County Consolidated School Corporation recognizes that on rare occasions, students may forget to bring money to school for meals. Charging can be embarrassing to the students. Students and adults are expected to pay daily or in advance for all food purchase. Unpaid debts are disallowed by Federal School Nutrition Program Regulations; accordingly, unpaid debts must be collected and paid to the School Food & Nutrition Program.

EMERGENCY MEALS

An emergency meal as necessary when a student wants a meal but does not have money to pay for it. Please refer to the Meal Charge Policy for details on access to Emergency Meals.

REFUNDS

Money will only be refunded from accounts to parents upon written request. Go to www.NAFCSnutrition.com for guidelines. Print the "Refund Meal Account form and submit to the school Food & Nutrition Manager.

BICYCLES

All students who ride bikes to school must keep the bicycles locked throughout the day. All bikes should be parked in the designated area.

CLOSED CAMPUS

Scribner is a closed campus; once you arrive on school grounds, you are not to leave without permission from the principal or your counselor. This rule is in effect at all times the school is in session as well as all school functions. (dances, ballgames, etc.).

DELIVERIES- FLOWERS, BALLOONS, FOOD DELIVERY, ETC.

Please do not have flowers and/or balloons delivered to school. Students do not have a space to store them and often no way to transport them home. Please do not have any food delivered (parents, Door Dash, Grub Hub, etc.) to the school for any students. If an adult would like to eat with a student your student may sit with you in the designated area, no other students may join.

SCHOOL BOOKS AND FEES

School books are rented on a one-year basis with the cost of book rental and fees exceeding one hundred dollars. You will receive a form in the mail before school starts with your schedule and rental fees listed on it. Anyone in need of financial assistance should request assistance during registration. You must apply for assistance before October 30th. Any fees not paid will be turned over to a collection agency. Additional charges will be assessed for lost or damaged books.

STUDENT ACTIVITY FEE

The student activity fee will be paid at the same time book rental is paid. The fee is used for the handbook / planners.

STUDENT'S IDENTIFICATION CARD

Photo ID's are sent to school sometime after the start of the school year for distribution to each student having pictures made. Students may present their ID at the gate for free admission to non- tournament, home, athletic events.

STUDENT PHOTOGRAPHS

Photographs of each student are made in the Fall by a local photographer. Pictures will be paid for before they are taken. If there are imperfections in the photographs caused by the photographer, a "retake" may be requested at no cost to the student. A student, who simply does not like his/her photo, must pay for his/her "retake" as well as his/her first photo. The "retake" date will be announced.

VISITORS

The New Albany Floyd County Schools will screen all visitors before allowing entry to our buildings. A valid state issued ID such as a driver license will be scanned upon your arrival. Our system will print out a badge that visitors will be required to wear during the visit. Our goal is to make sure our schools are secure and that we continue to create a welcoming environment for all of our visitors.

All adult visitors must have approval from the principal's office on the day **before** they will be visiting. A background check will need to be conducted for all visitors. A visitor's pass will be issued from the principal's office before school begins. Student visitation is limited to those students' seeking enrollment at Scribner Middle School, accompanied by a parent, and on scheduled tour dates. The length and frequency of parental visits cannot be invasive or disruptive to the privacy, safety, and learning of other students.

SCHOOL HEALTH SERVICES

A school nurse oversees the health services offered at this school. However, a school nurse may not be at the school every day because most nurses travel between multiple school buildings. In case of illness or injury, a child will be cared for by a trained member of the school staff. If your child has a health concern, please include this information on your child's health history information or notify the school as soon as possible. This information remains confidential and is shared with school personnel only on an as-needed basis. If emergency medical treatment is necessary, the parents will be contacted. If parents are not available, the child will be taken to the hospital by ambulance at the parents' expense. Remember, an emergency telephone number where parents can be reached must be on file and is vital in reaching parents in the case of an emergency.

The Health Services Staff is concerned with education in healthful practices, prevention of illnesses and injuries, and care of illnesses and injuries which occur at school. All prescription and over the counter medication will be given through the Health Office (in the General Office Area). Contact the school Health Office for instructions (812-542-8503 ext. 3712).

ADMISSION OF STUDENTS TO HEALTH OFFICE

1. If a student presents himself or herself at the Health Office and has been injured or is obviously ill, he or she may be admitted without a pass and will be cared for according to the Medical Standing Orders approved by the Medical Advisor.
2. All other students who wish to be admitted to the health office must have a pass from the teacher to whom they are responsible that period.
3. Students who do not feel well may be allowed to remain in the Health Office for a maximum of 30 minutes. At the end of that time, if he or she is not ready to go back to class the Health Aide will phone the parent first, unless student has been to the Health Office numerous times. Then the Counselor is called and/or a Principal. When a student returns to class from the Health office, the original pass will be used with the Health Aide placing on the pass the time, room number to which the student is going, and the aide's initials.
4. No Pass will be initiated by the Health Aide, unless she deems it is necessary.
5. Students are told to report to the Health Office if they feel ill rather than calling the parents to come pick them up. If there is a need to send home a sick student, the Health Office will telephone.
6. Students are not to call home. This will be done by the Health Aide.
7. PE medical excuses are to be taken to the Health Office before school

Medications at School

1. A "Request for Administration of Medication" form must be signed and dated by the doctor and parent/legal caregiver. This written request must be on file in the school office before the medication, prescription or over-the-counter, will be administered by the staff. The request must contain the student's name, name of the medication, dosage, and time to be given. The form must be renewed at the beginning of each school year or if the medication changes during the school year.
2. A student may be authorized to possess and self-administer medication for a chronic or acute disease or medical condition if the medication is necessary in an emergency situation. The section of the medication form entitled "Possession and Self-Administration of Emergency Medication Authorization/Approval" must be signed and dated by the doctor and parent/legal caregiver.

3. The medication must be furnished to the school by the parent/legal caregiver on a daily basis. Any exception to this daily dosage requirement must be approved by the principal after consultation with the school nurse. The exception will be limited to a one (1) school week's supply of the medication and must be brought to school by the parent/legal caregiver, or by another arrangement approved in advance by the principal. The medication must come to school meeting the requirements listed in #5 below.
4. All nonprescription medication must be in the original container and be clearly labeled with the child's name.
5. All prescription medication must be in the pharmacy labeled bottle or packaging with the following information:
 - Prescription number
 - Child's name
 - Doctor's name
 - Name of medication
 - Dosage
 - Time the medication is to be given
6. All medication brought to school for administration by staff will be kept in a locked container.
7. School nurses will provide instruction/training as needed to those staff members who dispense medication to students.
8. Non-medicated lip balms and up to 2 cough drops per day (with parent note) is allowed without a doctor's statement.

Illness and Returning to School

Students should not come to school if they are experiencing any of the conditions mentioned below. If at school, students will be sent home from school for the following reasons and require a doctor's statement for readmission:

1. Reddened eye(s) with possible drainage, matting, or discomfort.
2. Recurrent or persistent skin infections – including scabies.
3. Unexplained or undiagnosed rash.
4. Injury involving documented loss of consciousness.
5. Untreated drainage from skin.

Students should not come to school if they are experiencing any of the conditions mentioned below. If at school, students will be sent home from school for the following reasons:

1. Temperature of 100 or over. Students must be fever-free for 24 hours without the aid of fever-reducing medication such as Tylenol/Ibuprofen before returning to school.
2. Temperature of 96.5 or lower.
3. Lice (pediculosis) – Students will be sent home if live bugs are found. If a student has nits, he/she may remain at school for the day, but must be treated and checked by school personnel before being admitted to class the next day. According to New Albany-Floyd County School Board Policy, classroom head checks will not be done.
4. Vomiting. Student must be free of vomiting for 24 hours before returning to school.
5. Diarrhea. Student must be free of diarrhea for 24 hours before returning to school.

SEVERE ALLERGIES AT SCHOOL

If your child has a potentially life-threatening allergy to food, insect sting, latex, or other allergen, please be sure to have your child's health care provider complete an Allergy Action Plan for your child and provide the school with an Epi Pen. A school nurse or other trained school employee may give the Epi Pen according to the directions on the Allergy Action Plan.

But what if your child has an allergic reaction for the very first time at school and has never been diagnosed with an allergy? New Albany-Floyd County school nurses are prepared to handle these potentially life-threatening allergic reactions as well. If your child experiences a life-threatening allergic reaction at school that involves severe swelling of lip, face, tongue, or throat, severe difficulty swallowing or breathing, or unconsciousness, 911 and a parent will be notified. If a school nurse is present, she may use a life-saving medication called an Epi Pen according to orders from the Floyd County Health Officer. If you do not want your child to receive the life saving measure of medication from an Epi Pen, please contact your school's nurse in writing.

IMMUNIZATIONS

A number of immunizations are required by state law for students admitted to public school. Evidence of receiving these immunizations or a letter of medical or religious objection is required before starting school. Your child could be suspended from attending school if the required proof of immunizations is not given to the school.

HEALTH AND EXTRACURRICULAR ACTIVITIES

New Albany-Floyd County Schools offers nursing services during school hours. However, a school nurse or health aide is not in the building after school hours. If your child has a medical condition requiring nursing care or a specialized care plan and intends to participate in any before or after-school activities, sports, or programs, please notify your school nurse. Many agencies/programs use our school buildings for student activities but do not have access to your child's health information or training on how to handle health concerns. Your school nurse can help you know what steps need to be taken to keep your child safe and healthy outside of the normal school day.

ATTENDANCE

ATTENDANCE POLICY AND PROCEDURES

The New Albany Floyd County Consolidated School Corporation requires that students attend each day that school is in session. Each day of school is part of a sequential learning process; therefore, missing even one day without good cause should be avoided.

Reporting Absences to School

Parents are to notify the office of a student's absence by 9:00. When reporting the absence please use the attendance line (812)542-3701 and provide complete information as to the student's name and the reason for the absence. Failure to contact the school office with information regarding the student's absence by 9:00 will result in an unexcused absence.

Physician, dental and counseling appointments should be scheduled after school hours whenever possible. If unavoidable, please notify the office and have the student attend classes both before and after the scheduled appointments. A physician's statement of diagnosis may be required at any point for an absence or extended absence. After ten days absence, a doctor's statement is required each time a student is absent for the remainder of the year. A statement from a license medical professional documenting an absence may allow an unexcused absence to be changed to an excused absence.

If one or more of the following occurs, your student will be sent home: temperature of 100 or higher, vomiting, severe pain in the chest or stomach, fainting, live lice found in hair, and/or injury. Please have two current emergency contacts listed on your student's enrollment form. Please contact the school immediately if this information changes during the year.

Excused Absence- Definition

Absences for the following reasons will be considered as excused absences:

- Illness that involves fever, vomiting, injuries, or situations when a physician recommends the students be absent from school. The reason is to be reported to the school office by 8:30.
- Death of immediate family member

- Medical or dental appointments which cannot be scheduled outside the school day (a written doctor's statement is to be given to the school office)
- Religious Holidays
- Court-ordered absences
- Other unusual circumstances when approved by the principal and requested in advance of the event.
- Travel for a limited time period involving new educational experiences for a student, which is requested on an infrequent basis by parents or guardian at least one week in advance of the proposed absence. Letters should be submitted to the school principal for approval.

Anticipated Absences (Pre-arranged Absences)

For scheduled absences (three days or more) such as surgeries, parents or guardians are to follow the guidelines outlined on Scribner's Pre-arranged Absence Form. These forms are available to students and parents/guardians through the counselors. Family vacations are not considered legitimate reasons for missing school, especially at quarter or semester breaks when exams are given and reviews are taking place.

Unexcused Absence- Definition

Absences for the following reasons will be considered as unexcused absences:

- "Long weekends" and vacations without prior approval
- Moving days (change of residence)
- Transportation problems
- Medical or dental appointment without a doctor's written statement
- Appointments for non-essential activities such as haircuts, shopping, etc...
- Extended absences for head lice treatment

Tardy to School-Definition/Signing-in Late Procedure

Students who arrive at school after 9:00 are considered tardy. Those who arrive after 9:00 are to report to the office to obtain a pass that will permit them into the classroom. The tardy will be documented in the office. Excused tardies are those that are verified in writing by a medical professional, counselor, etc....or those that have been approved by the building principal due to extenuating circumstances. Tardiness to class is handled by the classroom teacher, who may recommend disciplinary action be taken.

Early Dismissal - Definition

Request to release students from school prior to 3:45 creates a disruption to the learning environment. Excused early dismissals are those dismissals that are verified in writing by a medical professional, counselor, etc... or those dismissals approved by the building principals for extenuative circumstances.

If early dismissal is unavoidable, please follow this procedure:

- Send a note with your child the day of the early dismissal with time child will be picked up and give the note to the grade level counselor.
- Parent/guardian must come into the office to sign their child out early.

CORPORATION PROCEDURE FOR DEALING WITH EXCESSIVE ABSENCES, TARDIES OR EARLY DEPARTURES:

Once a student obtains **ten** unexcused absences and/or early departures or **twenty** tardies which result in a negative impact on student achievement, a referral will be submitted to Child Protective Services. Referral documentation includes the following:

- Evidence that the school has communicated attendance concerns to the parents
- An academic impact statement including grades and performance concerns
- Attendance records

MISSING WORK

Parents may call in to request assignments before 10:00 am on the morning of the second consecutive absence. Parents should call 542-8503. The assignments will be available at the end of the following school day.

SECONDARY STUDENT ABSENCES DURING FINAL EXAM WEEK

When a student is absent during final examination week due to travel or other avoidable circumstances, a teacher will not be expected to prepare and administer a final examination in advance, or after the end of the testing period, for the individual student. Unless the student absence from the final examination is for personal illness, a death in the immediate family, or other unavoidable circumstances, he/she will receive a failing grade on the final examination, and this grade will be averaged for the semester in the same manner as the grades for all other students.

DISCIPLINE

BEFORE AND AFTER SCHOOL

Starting at 8:40 A.M. students will be allowed to enter the main doors and go directly to the cafeteria for breakfast. 5th and 6th students are to report to the gym upon arrival or after completing breakfast. 7th and 8th grade students are to report to the PAC upon arrival or after completing breakfast. **Students should not arrive at school before 8:30 A.M.**, except those students who have made arrangements with a staff member prior to the start the school day. Students should not be in the building after 3:45 P.M. unless they are under direct supervision of a faculty, staff member, coach, or sponsor. Students are to plan for parents/guardians to pick them up promptly after completion of the extra-curricular activity.

BUS RULES

School rules should be followed. Students should sit in their designated area (seats should be assigned). Students should follow the directions of the driver. Students must have written permission in order to ride a different bus. The note must be taken to the office in order to receive a "bus pass." Bus Passes can be obtained from the front office. This note must include a parent/guardian signature and a phone number where a parent can be reached if verification is necessary. The note should be taken to the office before 9:00 A.M. and picked up during a passing period, later in the day. An administrator must co-sign the note before it is valid.

CAFETERIA RULES

CAR RIDERS

Students should not be dropped off before 8:40 A.M. unless for special situations like athletic practices, detention or YMCA participants. Any student needing to arrive between 8:35 and 9:00 A.M. should use the car rider route which starts off Old Vincennes Road by our tennis courts. Those students will enter door #10 beside the cafeteria. Parents picking up car riders in the afternoon should also use the car rider route turning off Old Vincennes Road at the tennis courts. Parents are asked to not move past the tennis courts until after 3:20 P.M.

Students are responsible for reporting any conflict that may result in some altercation to someone on staff so that assistance in resolving the conflict can be arranged.

SAFE SCHOOL HELPLINE

Threats of violence and drugs endanger public schools nationwide. The Safe School Helpline has been introduced to assist you in anonymously reporting any wrongdoings that impacts schools, students, or staffs. Call 1-800-4-1-VOICE to leave your information.

SCHOOL SAFETY

A safe school environment is a benefit to everyone. Information about weapons and other hazards to safe should be immediately brought to the attention of school authorities. If you cannot make direct contact with a school official, please contact your local law enforcement agency. There is an anonymous reporting system located on the corporation website <https://www.nafcs.k12.in.us/anonymous-alerts/>

STUDENT'S RESPONSIBILITY

All students are required to report to their assigned teachers to get a pass before they may go to any unassigned destination. The student's first responsibility is always to the teacher.

SUICIDE THREATS

Students who indicate through comments, writing, or statements that they are contemplating physical harm to themselves or others fall under an intervention procedure that recommends the student to be screened for safety by a trained professional within the school district or in the community.

WIRELESS COMMUNICATION DEVICES

The use of Cell phones, personal electronic devices (watches), CD players, cameras, MP3 players, iPods, laser pointer and game systems are not permitted during the school day. Electronic devices are to be turned off and kept in the student's locker during the school day. These devices may be confiscated if visible on school property during the school day and can pick them up at the end of the school day.

Students may possess wireless communication devices (WCDs) in school, on school property, during after school activities (e.g. extra-curricular activities) and at school-related functions. WCDs should be powered completely off (i.e., not just placed into vibrate or silent mode) during school hours and stored out of sight. Students are permitted to use (WCDs) after school hours and at school related events.

A "wireless communication device" is a device that emits an audible signal, vibrates, displays a message, or otherwise summons or delivers a communication to the possessor. The following devices are examples of WCDs: cellular and wireless Blackberrys/Smartphones, Wi-Fi-enabled or broadband access devices, two-way radios or video broadcasting devices. Students may not use WCDs on school property or at a school-sponsored activity to access and/or view Internet websites that are otherwise blocked to students at school. Students may use WCDs while riding to and from school on a school bus or other vehicle provided by the Board unless there is distracting behavior or noise that creates an unsafe environment.

Also, during after school activities when directed by the administrator or sponsor, WCDs shall be powered completely off (not just placed into vibrate or silent mode) and stored out of sight.

The requirement that WCDs must be powered completely off will not apply in the following circumstances when the student obtains prior approval from the building principal:

- A. The student is a member of a volunteer fire company/department, ambulance or rescue squad.
- B. The student has a special health circumstance (e.g. an ill family member, or his/her own special health condition).
- C. The student is using the WCD for an educational or instructional purpose.

Students are prohibited from using WCDs to capture, record or transmit the words (i.e. audio) and/or images (i.e., pictures/video) of any student, staff member or other person in the school or while attending a school-related activity, without express prior notice and explicit consent for the capture, recording or transmission of such words or images. Using a WCD to take or transmit audio and/or pictures/video of an individual without his/her consent is considered an invasion of privacy and is not permitted, unless authorized by the building principal.

The use of WCDs that contain built-in cameras (i.e. devices that take still or motion pictures, whether in a digital or other format) is prohibited in locker rooms, classrooms, bathrooms and/or swimming pool.

No expectation of confidentiality will exist in the use of WCDs on school premises/property.

Students are prohibited from using a WCD in any way that might reasonably create in the mind of another person an impression of being threatened, humiliated, harassed, embarrassed or intimidated.

Students are also prohibited from using a WCD to capture and/or transmit test information or any other information in a manner constituting fraud, theft, cheating, or academic dishonesty. Likewise, students are prohibited from using their WCDs to receive such information.

Possession of a WCD by a student is a privilege that may be forfeited by any student who fails to abide by the terms of this policy, or otherwise engages in misuse of this privilege.

Violations of this policy may result in disciplinary action and/or confiscation of the WCD. The building principal may also refer the matter to law enforcement if the violation involves an illegal activity (e.g. child pornography).

Discipline will be imposed on an escalating scale ranging from a warning to an expulsion based on the number of previous violations and/or the nature of or circumstances surrounding a particular violation. If multiple offenses occur, a student may lose his/her privilege to bring a WCD to school for a designated length of time or on a permanent basis.

Students are personally and solely responsible for the care and security of their WCDs. The Board assumes no responsibility for theft, loss, damage, or vandalism to WCDs brought onto its property, or the unauthorized use of such devices.

Parents/Guardians are advised that the best way to get in touch with their child during the school day is by calling the school office. Students may use school phones to contact parents/guardians during the school day.

LUNCH TIME DETENTION (LTD)

The 25 minute lunch detention serves as the “front line” of the school discipline policy. School/classroom policy violations are documented and entered into the student’s discipline record for the current school year. It is designed to bring a student’s objectionable behavior to the attention of that student and his/her parent/guardian.

TEMPORARY TEACHER DISSMISSAL (TTD)

A teacher may dismiss a student from participation in any educational function under that teacher’s charge or supervision for a period not to exceed five (5) school days, when a student interferes with the educational function of which the teacher is then in charge.

IN SCHOOL SUSPENSION (ISS)

Serious or repeated disciplinary problems may lead to suspension from school. An alternative to out of school suspension is ISS. A student in ISS must take study materials and comply with the directions of the supervisor. Work in SAL will replicate classroom work as closely as possible and will be counted in the student’s grade. Failure to follow directions in ISS may lead to an out of school suspension.

OUT OF SCHOOL SUSPENSION (OSS)

Serious or repeated disciplinary will receive an Out of School Suspension. Students will not be allowed to attend school or any school functions while suspended.

PROBATION OR COMMUNITY SERVICE

The Floyd County Juvenile Probation Office may be contacted any time a student receives an out of school suspension.

BULLYING/HAZING/HUMAN DIGNITY POLICY

DISCRIMINATION/SEXUAL HARASSMENT

The New Albany-Floyd County School Corporation expressly prohibits discrimination of any sort based upon color, creed, national origin, or gender. Included in this nondiscrimination philosophy and policy is harassment of any sort. Anyone found guilty of violating this policy will be subject to the penalties outlined by school board policy.

Our plan has met the approval of the New Albany Floyd County School Corporation Administration.

We have two powerful reasons to focus on bully prevention at SMS:

1. Everyone has the right to feel physically and psychologically secure.
2. These feelings of security support student learning.

SCRIBNER MIDDLE SCHOOL RULES:

1. We will not bully others.
2. We help students who are bullied.
3. We will include students who are easily left out.
4. When we know somebody is being bullied, we will tell an adult at school and an adult at home.

ACADEMIC INFORMATION

Grades: The New Albany-Floyd County School Corporation provides Powerschool Home service to all of our secondary schools. Through PowerSchool, parents can access information about their student's grades, class schedule, and attendance from their computer – anytime, anywhere – provided they have an internet connection. This website is secure and only the parent/guardian can have access to their student's information. Go to the www.nafcs.k12.in.us website, click on Parents then click on Powerschool. Please keep

in mind that teachers post grades at different times. Grades will not appear immediately. All grades will be up-to-date at the midterm and nine-week intervals. Depending on the class, teachers have different types and amounts of graded assignments. There is no school policy on the number of assignments/grades required for each class.

Students will receive classroom performance evaluations in the form of letter grades each 9 weeks. As a result, there will be four evaluation letter grades given during the course of the school year. A final semester grade will be given and will appear on permanent records.

GRADE SCALE

SCRIBNER MIDDLE ATHLETICS/ CO-CURRIULAR

ART SHOW

A district Art Show is held in the Spring.

ATHLETICS

The school provides a wide program of interscholastic athletics for both boys and girls. Included in the program are Cheerleading, Football, Volleyball, Cross Country, Tennis, Basketball, Wrestling, Swimming, Track, and Golf. All sports allow for participation in grades 5, 6, 7, 8 with the exception of football, which is

grades 7 and 8 only. Physical forms are required each year before trying out for any sport. Any physical taken after April 1 is good for the following school year.

Eligibility: Eligibility will be determined in accordance with the Indiana High School Athletic Association (IHSA) rules and by-laws and school policy. For an athlete to be eligible they must meet the following:

- must have a current/annual physical on file at the school
- must have participated in ten practices for that sport
- must attend school for at least half of the school day to participate in an event that same evening
- a student cannot leave school ill or be excused from physical education for health reasons and participate that evening
- a student must receive a passing grade in at least 70% of the classes enrolled on the most recent report card. Semester grades take precedence over nine week grades. See table:

- School Athletic events and practice take precedent over outside events

Conduct of Athletes: Participation in the athletic programs are a privilege and Athletes conduct shall be such as not to reflect discredit upon their team, coaches, or school and not to create a disruptive influence on the discipline, order, moral, or educational environment of the School. This expectation shall become effective once the student is enrolled in school. Students who become members of a team or sport and are in violation of this conduct shall be subject to suspension of games/events and possible removal from the team/sport.

All students are to sit down, cover their heads with their arms and **keep silent**.

All students in the PAC should report to one of the inner rooms located behind the stage.

NOTE: Exit procedures for fire drills will be discussed with each block & exit posters will be displayed in each room.

Teachers will also discuss the “**Intruder**” drill where students remain in the classroom, gather in an inside corner, turn off the lights, and remain quiet until the “All Clear”.

GRIEVANCE PROCEDURE

The School Corporation has adopted and published a procedure through which any complaint by students and/or parents/guardians alleging discrimination will be processed. This procedure is outlined below:

When a student or her/his parents believe that the student is being improperly treated, or improperly denied participation in any educational function of the School Corporation, or is being subjected to an illegal rule or standard, he/she may file a complaint form. This form is available at all school buildings or at the Administration Building. State and District Policies

New Albany-Floyd County^[L]^[SEP] Consolidated Schools

STUDENT GUIDE FOR STUDENT RIGHTS AND^[L]^[SEP] RESPONSIBILITIES, ENFORCEMENT OF RULES^[L]^[SEP] AND REGULATIONS DUE PROCESS PROCEDURES

PREAMBLE

The New Albany-Floyd County Consolidated School Corporation recognizes: (a) that education is important to citizenship; (b) that students have rights of citizenship as delineated in the U.S. Constitution and its amendments; and (c) that citizenship rights must not be abridged, obstructed, or in other ways altered, except in accordance with due process or other relevant provisions of law.

Just as in our democratic society at large, the foundation and success in public school education depends on the balance of individual rights and individual responsibilities. Certain standards of student conduct are necessary to assure that individuals seeking to express their rights do not at the same time infringe upon the rights of others. Self-discipline, which comes from understanding this balance of rights and responsibilities, is essential in any democracy. The schools believe that self-discipline is promoted not only through instruction about our representative form of government, but also through practicing democracy in the schools, in the home, and throughout the community.

Those enjoying the benefits of citizenship in the school community must also accept the responsibilities of school citizenship. A democratic school must have rules and regulations just as must the larger democratic society. It is the responsibility of students, parents, educators and the community to work to establish rules and regulations which promote the best possible learning environment for all those involved in the educational process. Not only should the school environment provide equal opportunity for all, it should also permit the teaching-learning process to proceed in an orderly manner.

In an effort to create a more democratic school society, the Board of School Trustees of the New Albany-Floyd County Consolidated School Corporation has outlined some of the basic principles which will allow self-disciplined students to better govern themselves within the total school environment. These policy statements made by the Board of School Trustees are summarized below under eight main headings: (I) Basic Rights and Responsibilities of Students, (II) Enforcement of Rules and Regulations, (III) Procedure for Handling Suspensions and Expulsions from School, (IV) School Safety Policy, (V) Driver's License Policy, (VI) School Bus Safety Code, and (VII) Telecommunication.

As set out in Indiana law, I.C. 20-33-8, in all matters relating to the discipline and conduct of students, School Corporation personnel stand in the relation of parents and guardians to the students of the School Corporation. Therefore, School Corporation personnel have the right, subject to Indiana law, to take any disciplinary action necessary to promote student conduct that conforms to an orderly and effective educational system. Students must follow responsible directions of school personnel in all educational settings and refrain from disruptive behavior that interferes with the educational environment.

I. BASIC FREEDOMS AND RESPONSIBILITIES OF STUDENTS

1. Freedom of Speech and Assembly

- a.** The School Corporation recognizes students' constitutional rights to free expression. While participating in, or present at, any school activity or any school sponsored extracurricular activity, students may not engage in speech (spoken or written) or conduct (including by wearing clothing, jewelry, or hairstyles) that: is obscene, lewd, vulgar, indecent or plainly offensive ; actually or is reasonably be expected to substantially disrupt the school; promotes alcohol or other illegal drug use; incites imminent lawless action; threatens violence; asserts false statements of fact about another person or entity; or expresses school sponsored speech that is inconsistent with educational interests.
- b.** The School Corporation recognizes students' freedom to assemble peacefully. Conducting demonstrations which interfere with the operation of the school or classroom is inappropriate and prohibited. All student meetings in school buildings or on school grounds may function only as a part of the formal educational process or as authorized by the school principal. In considering such requests, the principal shall not unlawfully withhold permission based on the identity of the speaker or viewpoint being expressed. The use of obscenities is prohibited. Violence, threats of violence and possession, use or threatened use, of weapons are prohibited.

2. Freedom to Publish

- a.** Students may edit, publish, and distribute printed, handwritten, or duplicated matter among their fellow students within the schools. Students must assume the responsibility for the content of such publications or handwritten opinions. The distribution of such material must not interfere with, or disrupt, the educational process, learning environment, or endanger the safety of student and employees. Such material must include the name of any student author(s) and distributor(s). Students may not write, edit, publish, or distribute materials that violate I.1.a above in school, on school grounds, at any school sponsored functions, or at any time while under the supervision of school personnel.

3. Search and Seizure

- a.** A student has no expectation of privacy in a school locker, desk or other area assigned to the student for use, or in the contents of those assigned areas.
- b.** The school principal or designee may search a student's locker, desk, or other assigned area at any time without reasonable suspicion.
- c.** Other than a general search of student lockers, desks, or other assigned areas, any search shall be, where appropriate as deemed by the principal, conducted in the presence of the student whose locker is the subject of the search.
- d.** A law enforcement officer with appropriate jurisdiction may, at the request of the school principal, assist the school administration in searching such a locker and its contents.
- e.** The principal or designee may search the person or property of a student, with or without the student's consent, whenever they have reasonable suspicion to suspect that the search is required to discover evidence of a violation of law or of schools' rules. The extent and conduct of a search will be governed by the student's age, gender, and the nature of the infraction. Strip searches are prohibited.

- f. To combat escalating school violence and the potential presence of weapons in our schools, and in accordance with School Corporation policy and procedures, the School Corporation may utilize metal detectors, including, but not limited to, wands for random and reasonable suspicion-based searches to detect firearms, knives, and other weapons.
- g. Permission for a student to bring a vehicle on school property shall be conditional upon consent of the search of the vehicle and all containers inside the vehicle by an administrator without individualized reasonable suspicion. The student and the owner of the vehicle shall have no expectation of privacy in any vehicle or in the contents of any vehicle on school property. The Superintendent shall prepare a written agreement consistent with this Policy to be signed each school year by each student driving to school and the owner of each vehicle driven to school. Each vehicle brought on school property by a student shall display a decal showing that the written agreement permitting the search of that vehicle has been signed.

Student vehicles parked off school property but falling within the scope of this Policy shall be subject to search by a school administrator with individualized reasonable suspicion.

- h. In an effort to promote a drug-free campus and to protect the district's educational purposes, including campus safety and health of the district's faculty, staff, and students, the district may routinely direct local law enforcement to conduct random searches of lockers, classrooms, and school parking lots. During those partnerships, the Board has authorized the use of specially trained dogs to locate and detect the presence of weapons and prohibited drugs on school property.
- i. Anything found in the course of a search pursuant to this Policy which constitutes evidence of a violation of a law or a school rule or which endangers the safety or health of any person shall be seized and utilized as evidence if appropriate. Seized items of value shall be returned to the owner if the items may be lawfully possessed by the owner. Seized items of no value and seized items that may not lawfully be possessed by the owner shall be destroyed or turned over to an appropriate law enforcement authority.

4. Identification

It is the responsibility of all persons, upon request, to identify themselves to proper school authorities in the school buildings, on school grounds, or at school sponsored events.

5. Student Conduct at Events on and Off School Grounds and at Other Times When Not at School

- a. The New Albany-Floyd County Consolidated School Corporation has adopted a School Safety Policy governing students who commit, attempt to commit, or threaten aggressive acts toward persons (students, employees or visitors) or property. This Policy applies when a student is on a school bus, on school grounds, off school grounds at a school activity, function or event and while traveling to and from school or a school activity, function or event. This Policy may also apply when a student's conduct is unlawful and may reasonably be considered to be interference with school purposes or an educational function, when such conduct occurs during weekends, holidays, school recesses, or during the summer when a student may not be attending classes or other school functions. Students who commit these acts may be suspended and may be expelled for up to one (1) school year or one (1) calendar year, as set out in Article II, herein.
- b. Students are required to observe school rules and regulations and to be subject to the authority of school officials at school events, whether on or off school grounds. Students are required to

be courteous and obedient in response to all reasonable orders from school personnel at school events, whether on or off school grounds.

6. Criminal Organizations and Activity

As required by Indiana Law, I.C. 20-26-18-3, a copy of the School Corporation's criminal organization policy (Board Policy 5840 Criminal Gang Activity), is included below: 5840- CRIMINAL GANG ACTIVITY

9. ANTI-BULLYING

Bullying is **prohibited** by the School Corporation. Students who commit any acts of bullying are subject to discipline, including but not limited to suspension, expulsion, arrest, and/or prosecution.

Definition

"Bullying" is defined as overt, unwanted, repeated acts or gestures, including verbal or written communications or images transmitted in any manner (including digitally or electronically); physical acts committed; aggression; or any other behaviors committed by a student or group of students against another student with the intent to harass, ridicule, humiliate, intimidate, or harm the targeted student, creating for the targeted student an objectively hostile school environment that results in one or more of the following:

- (1) places the targeted student in reasonable fear of harm to his or her person or property;
- (2) has a substantially detrimental effect on the targeted student's physical or mental health;
- (3) has the effect of substantially interfering with the targeted student's academic performance;
- (4) has the effect of substantially interfering with the targeted student's ability to participate in or benefit from the services, activities, or privileges provided by the Corporation.

Bullying does **not** include, and should not be interpreted to impose any burden or sanction on, any of the following:

- a) participating in a religious event;
- b) acting in an emergency involving the protection of a person or property from an imminent threat of serious bodily injury or substantial danger;
- c) participating in an activity consisting of the exercise of a student's freedom of speech rights;
- d) participating in an activity conducted by a nonprofit or governmental entity that provides recreation, education, training, or other care under the supervision of one (1) or more adults;

- e) participating in an activity undertaken at the prior written direction of the student's parent; and
- f) engaging in interstate or international travel from a location outside Indiana to another location outside Indiana.

"Bullying," as defined by this policy and state law, does **not** include actions involving employees.

Applicability

The Corporation prohibits bullying in all forms. This policy may be applied regardless of the physical location in which the bullying behavior occurred, whenever the individual committing the bullying behavior and any of the intended targets of the bullying behavior are students attending a school within the Corporation and disciplinary action is reasonably necessary to avoid substantial interference with school discipline or prevent an unreasonable threat to the rights of others to a safe and peaceful learning environment. The Corporation prohibits bullying through the use of data or computer software that is accessed through any computer, computer system, or computer network.

Bullying behaviors based on the targeted individual's race, color, national origin, sex, gender, religion, or disability may be investigated and processed according to the Nondiscrimination/Anti-Harassment Policy.

Education

The Corporation will provide training and/or instruction on anti-bullying prevention and policy to all students in grades 1 through 12, as well as employees, in accordance with Indiana law.

Reporting

Anyone who believes that a student has possibly been or is the victim of bullying is encouraged to **immediately** report the situation to an appropriate employee such as a teacher, school counselor, or administrator (including the Superintendent). All employees, volunteers, and contracted service providers who observe or receive a report of suspected bullying shall notify a designated school administrator in charge of receiving reports of suspected bullying within the same day. If an employee does not know who to make a report to, he or she should report directly to the building principal or Superintendent. Bullying reports to the Department of Child Services and/or law enforcement must be made as required by law (where the bullying constitutes child abuse, neglect, or other violation of law), such as when an employee believes that a student is the victim of abuse or neglect. Any person who makes a report of bullying and requests to remain anonymous will not be personally identified as the reporter or complainant to extent permitted by law. The Corporation will act appropriately to discipline employees, volunteers, or contracted service providers who receive a report of bullying and fail to initiate or conduct an investigation of a bullying incident, and for persons who falsely report an incident of bullying. The Corporation will act appropriately to discipline students, employees, visitors, or volunteers who make false reports of bullying.

Investigation

Once a report of suspected bullying is received by the designated school administrator, an investigation shall follow. The investigation should be facilitated by the designated school administrator or other appropriate school employees.

Intervention/Responses

If a report of suspected bullying is substantiated through an investigation, then the Corporation shall take appropriate intervention and responses as consistent with policy and procedure. The Corporation will take prompt and effective steps reasonably calculated to stop the bullying, remedy the bullying, and prevent the bullying from recurring. Interventions and responses include, but are not limited to: separating the bully and the

target; follow-up school counseling for the target; bullying education for the bully; and prompt disciplinary action against the bully. These steps should not penalize the target of the bullying. Disciplinary actions against the bully may include, but are not limited to: suspension and expulsion for students. Also, if the acts of bullying rise to the level of serious criminal offense the matter may be referred to law enforcement. The Corporation shall inform the parents of all students involved in alleged incidents, and, as appropriate, may discuss the availability of counseling and other intervention services.

Parental Involvement

Parents are encouraged to be involved in the process of minimizing bullying. Parents should report suspected acts of bullying to an appropriate school official. In addition, parents of students suspected of bullying will be notified with a phone call or through other appropriate means of communication. Conversely, parents of students suspected of being the target of acts of bullying will also be notified with a phone call or through other means of appropriate communication.

Reporting to IDOE

Each school within the Corporation will record and report to the Superintendent or his or her designee the frequency of bullying incidents in the following categories: verbal bullying, physical bullying, social/relational bullying, and electronic/written communication bullying (or a combination of two or more of the above categories). The Superintendent or his or her designee shall report the number of bullying incidents by category for each school and the entire corporation for each school term to the Indiana Department of Education by July 1.

10. Human Dignity Policy

It is the Policy of the School Corporation that all employees, parents/guardians, students and members of the community should be treated and should treat others with courtesy, fairness and decency. Respect for the dignity and worth of every member of the school community must be recognized and promoted in the School Corporation. Accordingly, it is a violation of Board Policy to degrade, demean, harass, haze, bully, stereotype or ridicule any person.

11. Charges by a Parent/Student

When a student or his/her parents believe that the student is being improperly treated, or improperly denied participation in any educational function of the School Corporation, or is being subjected to an illegal rule or standard, as provided by the statutes of the State of Indiana or applicable statutes of the United States, or by the Constitutions of the State of Indiana or of the United States, they may file a signed complaint form with the administration and if unable to work out their problems with the administrative staff, they shall be entitled to initiate a conference with the Superintendent or designee by filing a charge with the Superintendent in the same manner as a charge is initiated by the principal under Article III of this Guide. Parents can contact the Assistant to the Superintendent for Administration and Operation or the Director of Human Resources to obtain a corporation complaint form.

12. Notification of Rights under the Family Educational Rights and Privacy Act (FERPA)

Student records maintained by the New Albany-Floyd County Consolidated School Corporation are governed by laws including the Family Education Rights and Privacy Act ("FERPA"). FERPA affords parents and students over eighteen (18) years of age ("eligible students") certain rights with respect to student education records. They are:

- a. The right to inspect and review the student's records within forty-five (45) days of the day the School Corporation receives a request for access. Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
- b. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading. Parents or eligible students may ask the School Corporation to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identifying the part of the record they want changed, and specify why it is inaccurate or misleading. If the School Corporation decides not to amend the record as requested by the parent or eligible student, the School Corporation will notify the parent or eligible student of the decision and inform them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
- c. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interest. A school official is a person employed by the School Corporation as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School Corporation has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Under certain circumstances, education records may be disclosed to a state or local juvenile justice agency. Also, federal law requires the school corporation to release a student's name, address and telephone listing to military recruiters unless the parent requests that such records not be released. Upon request, the School Corporation will disclose education records without consent to officials of another school corporation in which a student seeks or intends to enroll.
- d. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School Corporation to comply with the requirements of FERPA. Parents and eligible students who wish to file a complaint under FERPA should do so by submitting the complaint form found at www.studentprivacy.ed.gov/file-a-complaint electronically to FERPA.Complaints@ed.gov. Alternatively, individuals may print out the form, sign, and mail to the following address:

U.S. Department of Education
Student Privacy Policy Office
400 Maryland Ave., SW
Washington, DC 20202-8520

Directory Information: The School Corporation has classified the following information about individual students as "Directory Information": Name; address; telephone listing; date and place of birth; school enrolled in; photograph or videotape not used in a disciplinary matter; student work displayed at the discretion of the teacher with no grade displayed; academic majors and minors; participation in any officially recognized

activities or sports; weight and height of members of athletic teams; dates of attendance; degrees and awards received; recognition of service or achievement; and the most recent previous educational agency or institution attended. The School Corporation may disclose any of those items without prior written consent, unless notified in writing to the contrary by the following procedure:

If a parent/ guardian or eligible student does not wish to have some of the above listed Directory Information items released without prior parent's or eligible student's consent, such parent or eligible student must submit a written signed statement indicating that consent must be secured to: Chief of Human Resources, 2813 Grant Line Road, New Albany, Indiana 47150. Such statement must be submitted not later than October 15 of a school year or within thirty (30) days of the student's initial enrollment for the school year.

Release of Information to the Military: Federal law requires schools to provide high school juniors and seniors' names, addresses, and telephone numbers to military recruiters. Parents may opt out of this disclosure of directory information to military recruiters by delivering the request in writing to the school within fourteen days of the start of school or within fourteen days of enrolling their student.

13. Screening for Health Concerns

In the course of each school year, the School Corporation provides the opportunity for students at some grade levels, or in some programs to be screened for possible health concerns which could adversely affect a student's performance in the educational program of the School Corporation, including, but not limited to hearing and sight. If parents or guardians do not wish to have their child or ward screened for these possible health concerns because of religious beliefs, such parents or guardians must submit to the building principal a written signed statement indicating that the parent objects on religious grounds.

14. Student Insurance

Unless proven negligent, the School Corporation and School Corporation personnel assume no financial responsibility for medical expenses, treatment or damages resulting from injuries sustained by students while participating in any School Corporation sponsored educational program, or practicing for or participating in athletics, or any other school activity. The School Corporation makes student accident insurance available through a commercial insurance carrier; the protection and limitations are stated in the policy. Enrollment in this student accident insurance program is voluntary. If parents decide not to enroll in the student accident insurance program, it is the parents' responsibility to provide appropriate insurance, or to assume the risk of possible financial responsibility inherent in having their child participate in any school activities. Individual schools may request that parents provide the name of the company carrying the family's health and accident insurance, in order for school officials to have this information in cases of medical emergency.

15. Lost, Stolen, or Damaged Student-Owned Property

The School Corporation and School Corporation personnel assume no financial responsibility for lost, stolen or damaged student-owned property while such property is on the school grounds, or is being used at any school related activity off school grounds.

16. Unsupervised Students on School Property

The School Corporation and its employees assume no responsibility for the safety of students who are on school property at times when they are not involved in a school activity under the direct supervision of School Corporation personnel.

17. Administration of Medications

The administration of prescribed medication and/or medically-prescribed treatments to a student during school hours will be permitted only when failure to do so would jeopardize the health of the student, the student would not be able to attend school if the medication or treatment were not made available during school hours, or the child has a disability and as a result, requires medication to benefit from his/her educational program.

All medication needed during school hours or at school functions that are supervised by school staff, except those subject to I.C. 20-33-8-13 (student possession and self-administration), will be administered by the nurse, administrator, or designated trained staff under the following conditions:

1. A written authorization form for medication administration must be completed by the parent/guardian and be on file before any medication transported to the health clinic (prescription or non-prescription) will be administered.
 - a. Medication shall be administered in accordance with the instructions printed on the bottle (in the case of non-prescription medicine) or the physician's order (on the case of prescription medicine).
 - b. The consent of the parent shall be valid only for the period specified on the consent form and in no case longer than the current school year.
2. All non-prescription medicine must be kept in its original container accompanied by the package label or package information.
3. All prescription medicine, including medication administered by injection, emergency medication (i.e. Epinephrine, Glucagon), and diabetes monitoring of a student must be accompanied by a physician's order, which is current and correct to the way that the student is to receive the medicine. The nurse may require additional information prior to administering medication.
4. All medication administration will be documented and kept on file in the health office.
5. If the medication is to be terminated prior to the date on the prescription, a withdrawal of consent of the parent is required. The written consent of the parent and the written order of the physician shall be kept on file in the health office.

The Corporation does not honor requests by parents or physicians to administer over-the-counter herbs, minerals and vitamins and other homeopathic products as there is currently no standardization relative to these products and no FDA approval and guidelines.

Any unused medication which is unclaimed by the parent will be destroyed by the Corporation when a prescription is no longer to be administered according to the authorization form, or at the end of the school year.

All designated staff responsible for administering medication to students will be trained by a registered nurse on the proper administration of medication and/or diabetes care. A record of this training will be kept on file in the health office.

All medication, both prescription and non-prescription, must be brought into the nurse's office by a parent or guardian. Only students meeting the criteria of Indiana code who have valid medical authorization and parent permission on file in the school office will be permitted to carry medications and self-administer such substances. These exceptions are explicitly stated in the law and detailed below.

Indiana law permits an individual or entity in a position to assist an individual who, there is reason to believe, is at risk of experiencing an opioid-related overdose, to administer an overdose intervention drug to an individual who is suffering an overdose.

The Corporation, in good faith, believes it is an entity in a position to assist an individual who there is a reason to believe is at risk of experiencing an opioid-related overdose; therefore, it may obtain an overdose intervention

drug from a prescriber or entity acting under a standing order issued by a prescriber and may maintain such intervention drug on-site in school facilities to provide such assistance.

Chronic Disease or Medical Condition

In accordance with Indiana statute, a student with a chronic disease or medical condition may possess and self-administer medication for the chronic disease or medical condition on school grounds immediately before or during school hours, or immediately after school hours, or at any other time when the school is being used by a school group; off school grounds at a school activity, function, or event; or traveling to or from school for a school activity, function, or event, if the following conditions are met:

1. The student's parent has filed an authorization with the student's principal for the student to possess and self-administer the medication. The authorization must include the physician's statement described below in #2.
2. A physician states in writing that:
 - a. the student has an acute or chronic disease or medical condition for which the physician has prescribed medication;
 - b. the student has been instructed in how to self-administer the medication; and
 - c. the nature of the disease or medical condition requires emergency administration of the medication.

The authorization and statement described in subsection (2) must be filed with a student's principal annually.

Students with diabetes, seizures, or chronic diseases shall be appropriately accommodated per Indiana statutes. An appropriate plan for the student, which may be a Section 504 Plan, individual health plan, or IEP, will be developed and implemented.

Transportation of Medications by Students

Medication that is possessed by a school for administration during school hours or at school functions for a student may be released to:

1. The student's parent or guardian;
2. An individual who is at least eighteen years of age and designated in writing by the student's parent or guardian to receive the medication; or

Do Not Resuscitate (DNR) Orders / Physician Orders for Scope of Treatment (POST) Forms

Each student with a potentially life-threatening medical condition should have a health care plan and/or emergency medical plan. Corporation employees shall follow normal procedures for addressing emergencies occurring while students are on Corporation property (including being transported in vehicles owned, leased, or operated by Corporation); and during Corporation events, even if held outside of Corporation property (for example, prom or field trips).

Therefore, Corporation employees will not adhere to Do Not Resuscitate (DNR) Orders or Physician Orders for Scope of Treatment (POST) forms which prohibit individuals from administering resuscitation (CPR) or medical

interventions measures to a student. This policy shall not interfere with a health care provider's obligation under Indiana law.

If the school is presented with a DNR order or POST form, the parent or guardian should be advised of the Corporation's policy and should be directed to the hospital(s) in the area where the student may be transported in an emergency and advised to discuss the order with such facility.

18. Enrollment/Residence/Withdrawal

Resident students are those whose legal settlement is within the School Corporation's geographic boundary. Proof of residency is required upon enrollment. A student's legal settlement will be determined under applicable Indiana law. A student's legal settlement will also determine the student's school attendance area within New Albany-Floyd County School Corporation. The School Corporation will accept the transfer of students who do not have legal settlement with the school corporation according to School Board Policy and Indiana law.

19. Parental Involvement/Visitor/Media

The School Corporation welcomes and encourages visits to school by parents, guardians, and others, but in order for the educational program to continue undisturbed when visitors are present and to prevent the intrusion of disruptive persons into the schools, it is necessary to invoke visitor controls. Disruptions to the educational environment will not be tolerated.

Visitors must register at the school office and seek permission to see a student or employee, participate in an activity, or observe. All visits are subject to the approval of the Superintendent, building principal, or designee. The prohibitions and expectations governing classroom observations are equally applicable to online instruction. Specifically, visitors are reminded:

- Visitors are to be silent observers and not create any kind of disturbance or distraction.
- Statements and actions of other students (or statements by an instructor to other children) are to be maintained in confidence.
- Instruction and services may not be recorded in any manner (audio, video, cell phone, use of Alexa, etc.) unless first receiving approval from the principal and instructor.

Student visitors, except for those involved in a student council exchange program, are not permitted. All other visitors must have the approval of the principal or his designee.

Parents will be involved in the planning, review and improvement of the corporation's Title I programs and timely responses will be given to parental questions, concerns, and recommendations. Information concerning school performance profiles and their child's individual performance will be communicated to parents.

20. McKinney-Vento

The Corporation will work with homeless students and their families to provide stability in school attendance and other services. Special attention will be given to ensuring the enrollment and attendance of homeless students not currently attending school. Homeless students will be provided corporation services for which they are eligible, including Head Start, Title I, special education, bilingual education, vocational and technical education programs, gifted and talented programs and school nutrition programs.

Students determined to be in a homeless living situation have the following rights:

- Enrollment in the school they last attended or the school in whose attendance are they are currently staying even if they do not have all of the documents normally required at the time of enrollment;
- Access to free meals and textbooks, Title I and other educational programs, and other comparable services including transportation where applicable;
- To attend the same classes and activities that students in other living situations also participate without

fear of being separated or treated differently due to their housing situations.

Any questions about these rights can be directed to the Corporation's Civil Rights Coordinator or the State Coordinator.

Questions about enrollment of a student who may be considered homeless should be directed to Katie Stein (kstein@nafcs.org), Licensed School Social Worker/McKinney Vento Liaison (812-542-5505) or Tony Duffy (tduffy@nafcs.org), Assistant to the Superintendent for Elementary Education (812-542-2142).

21. Asbestos

Under the Asbestos Hazard Emergency Response ACT (AHERA) of 1986, the School Corporation is required to annually notify all school building employees, building occupants or legal guardians, of the availability and location of the Asbestos Management Plan and of any post-response action activities, including re-inspection and surveillance activities that are planned or in progress.

An asbestos statement of compliance is on file in the district office. For an additional copy, please contact the Director of Facilities

II. ENFORCEMENT OF RULES AND REGULATIONS

When self-discipline fails, regulations for management of school behavior must be enforced by those directly responsible for the operation of the schools. School staff members will make appropriate efforts, individually, collectively, and cooperatively, with appropriate available community resources, to help each student gain acceptable self-discipline standards. Authority for such action is given in the School Powers Act and the Student Due Process Statute, I.C. 20-33-8, et. seq. The Board of School Trustees has established policy in the Policy Manual of the New Albany-Floyd County Consolidated School Corporation and appointed administrative officers to carry out those Policies as amended.

1. After School Detainment

Students may be detained after school, but only for a reasonable length of time (a "reasonable length of time" is determined by the child's age and other factors). Unusual delays should be reported to the parent via the district/school communication if possible.

2. Restraint and Seclusion

New Albany-Floyd County Consolidated School Corporation has a plan and policy 5620 in place for the use of restraint and seclusion, as a last resort, to control students only if there is an imminent risk of injury to the student or to another person and in emergency situations. A copy of this plan is located at the central office by calling 812-942-4200.

3. Teacher Temporary Dismissal

A teacher may dismiss a student from participation in any educational function under that teacher's charge and supervision for a reasonable period consistent with state/federal law and also the teacher handbook.

4. Suspension

A principal or designee may deny a student the right to attend school or to take part in any school function for a period of up to ten (10) school days.

- a. In Indiana, a suspension is defined as a disciplinary action whereby a student is separated from school attendance for a period of ten or fewer school days. Within 24 hours, or such additional time as is reasonably necessary, following a suspension, the principal/designee shall send a written statement to the student's parent(s) describing the student's conduct, misconduct or violation of any rule or standard and the reasons for the action taken. The principal/designee shall make a reasonable effort to hold a conference with the parent before or at the time the student returns to school. Failure of the parent to participate in a conference with the principal/designee does not justify extending the period of the student's suspension.

Students who have been suspended or expelled from the regular school setting, following applicable Indiana law, will not be permitted to attend or participate in any extracurricular activity during the time of their suspension/expulsion. Students who have been suspended or expelled are not permitted to participate in extracurricular practice, contests, or performances until the day of their return to the normal classroom setting following the suspension or expulsion.

Grounds for suspension or expulsion are student misconduct and/or substantial disobedience for which a student may be suspended or expelled include, but are not limited to the items in II.8 below. For more information on suspension and expulsion, please refer to [identify policy]Policy 5610.

5. Expulsion

a. An expulsion is:

- i. A denial of the right of a student to take part in any school function for any period greater than ten (10) days;
- ii. A separation from school attendance for the remainder of the current semester of current year unless the student is permitted to complete required examinations in order to receive credit for courses taken in the current semester or current year.

- b. In accordance with the due process procedures defined in this policy, a student may be expelled from school for a period no longer than the remainder of the current semester plus the following semester, with the exception of a violation Section II.8.f below.
 - a. An expulsion for violation of the rule against knowingly possessing, handling, or transmitting a firearm, while under the jurisdiction of the School Corporation, will be for a full calendar year, as set out in Article II, Section 8, f., below.
 - b. The expulsion process offers the opportunity for a student due process meeting (See Article III, below).
 - c. An expulsion that takes effect more than three (3) weeks before the beginning of the second semester of a school year must be reviewed before the beginning of the second semester. An expulsion that will remain in effect during the first semester of the following school year must be reviewed before the beginning of the school year. Such reviews shall be conducted by the Superintendent or his/her designee after notice of the review has been given to the student and the student's parent or guardian. The review is limited to newly discovered evidence or

evidence of changes in the student's circumstances occurring since the original expulsion meeting and may lead to a recommendation that the student be reinstated for that semester.

- d. A principal may require a student who is at least sixteen (16) years of age and who wishes to enroll after an expulsion to attend an alternative program.
- e. The Board has voted to not hear any appeals on the decision of the Expulsion Examiner.

6. Other Disciplinary Actions Which Do Not Constitute a Suspension or An Expulsion

- a. A principal, teacher or other school staff member who supervises students may discipline a student as necessary to ensure a safe, orderly, and effective educational environment by:
 - i. Counseling with a student or group of students;
 - ii. Conferencing with a parent or group of parents;
 - iii. Rearranging class schedules;
 - iv. Requiring a student to remain in school after regular school hours to do school work or for counseling;
Restricting athletic and other extracurricular activities, including removal from participation in such activities.
- b. A principal or designee may assign a student to:
 - i. A special course of study;
 - ii. An alternative educational program
- c. A principal or designee may remove a student from school sponsored transportation;
- d. The disciplinary actions listed in this Section do not constitute suspensions or expulsions, and the list of disciplinary actions are not exhaustive.

7. Application of the Grounds for Expulsion or Suspension

The grounds for expulsion or suspension, set out below, apply when a student is:

III. **PROCEDURE FOR HANDLING SUSPENSIONS AND EXPULSIONS FROM SCHOOL**

The Board of School Trustees of the New Albany-Floyd County Consolidated School Corporation has provided a procedure for the handling of student suspensions and expulsions from school. The basic premise of this policy is fairness. A full text of the procedure required by Indiana Law is available in the Administrative Services Center, 2813 Grant Line Road, New Albany, Indiana 47150, upon request. The following is a summary of that procedure.

1. Suspension Procedures: When a principal (or designee) determines that a student should be suspended, the following procedures will be followed in accordance with policy 5610. A meeting will be held prior to the suspension of the student. At this meeting, the student will be entitled to:
 - i. A written or oral statement of the charges;
 - ii. If the student denies the charges, a summary of the evidence against the student will be presented; and
 - iii. The student will be provided an opportunity to explain his or her conduct.

The meeting shall precede suspension of the student except where the nature of the misconduct requires immediate removal. In such situations, the meeting will follow the suspension as soon as reasonably possible following the date of suspension.

Following the suspension, the parent or guardian of a suspended student will be notified in writing. The notification will include the dates of suspension, describe the student's misconduct, and describe the action taken by the principal or his designee.

If, after an investigation, the principal or designee decides that expulsion is warranted for any student, he/she shall file a written charge with the Superintendent requesting that the student be expelled.

1. The School Corporation may vary from the discipline procedures in this handbook where appropriate to comply with 511 Indiana Administrative Code Article 7.
2. When a principal or designee recommends to the Superintendent that a student be expelled from school, the following procedures will be followed:
 - a. The Superintendent may conduct an expulsion meeting, or may appoint one of the following persons to conduct the expulsion meeting:
 - i. A member of the administrative staff who did not recommend that the student be expelled and who was not involved in the events giving rise to that recommendation; or
 - ii. Legal counsel.
 - b. The Superintendent or the person appointed to hold the expulsion meeting may continue the suspension of a student for more than the ten (10) school days of the principal's suspension and until the time of the expulsion decision, if he/she determines that the student's continued suspension will prevent or substantially reduce the risk of:
 - i. Interference with an educational function or school purpose; or
 - ii. A physical injury to the student, other students, school employees or visitors to the school.

However, a student may not be suspended from school pending a meeting on a student's proposed expulsion for an expulsion due to failure of legal settlement under I.C. § 20-33-8-17.

- c. An expulsion will not take place until the student and the student's parent or guardian are given notice of their right to appear an expulsion meeting conducted by the Superintendent or the person designated by the Superintendent.

- d. The notice of the right to appear must be in writing, delivered by certified mail or by personal delivery, contain the reasons for the recommended expulsion. and contain the procedure for requesting an expulsion meeting.
 - e. Failure by a student or a student's parent or guardian to request or to appear at an expulsion meeting shall be deemed a waiver of all rights administratively to contest the expulsion.
 - f. The Superintendent or the person designated to hold an expulsion meeting may issue subpoenas, compel the attendance of witnesses, and administer oaths to persons giving testimony at an expulsion meeting.
 - g. At the expulsion meeting, the principal or designee will present information to support the charges against the student. The student, parent or guardian will have the opportunity to answer the charges against the student, and to present information to support the student's position.
 - h. If an expulsion meeting is held, the person conducting the expulsion meeting will make a written summary of the evidence heard at the meeting, take any action found to be appropriate and give notice of the action taken to the student and the student's parent or guardian, by certified mail or personal delivery.
 - i. In accordance with Indiana Code, a student or parent may request an appeal to the Board of School Trustees on the action taken by the expulsion examiner unless the Board of Trustees has voted to not hear any appeals. The NAFC Board of Trustees voted not to hear any appeals. The ruling of the Expulsion Examiner is final.
3. Under Indiana law, judicial review of the Board of School Trustee's action, by the Circuit or Superior Court of Floyd County is limited to the issue of whether the School Corporation acted without following the procedure required by the student due process statute, I.C. 20-33-8 et. seq.

IV. SCHOOL SAFETY POLICY

The New Albany-Floyd County Consolidated School Corporation has adopted proactive safety policy governing students who commit, attempt to commit, or threaten aggressive acts toward persons (students, employees, or visitors) or property. This policy applies when a student is on a school bus, on school grounds, off school grounds at a school activity, function, or event, and while traveling to and from school or a school activity, function, or event. This policy may also apply when a student's conduct is unlawful and may reasonably be considered an interference with school purposes or an educational function, when such conduct occurs during weekends, holidays, school recesses, or during the summer when a student may not be attending classes or other school functions. Students who commit these acts will be suspended and may be expelled for up to one school year or one calendar year, in the case of firearms violations. Students will also be referred to the probation office or the prosecutor's office as required or appropriate. Students who make threats, whether spoken, written, by gesture, or expressed in digital means; and/or students whose behavior gives rise to a reasonable belief that the student is substantially likely to injure the student or others may be the subject to a Threat Assessment by the Corporation.

The school safety policy is implemented at each specific level of instruction (elementary, middle and high), and will not follow the student to the next level of instruction.

1. It shall be grounds for an immediate ten (10) days suspension pending expulsion for any student to possess, handle, use, threaten to use, demonstrate the intent to use or transmit weapons, firearms, or explosives. Except in instances involving firearms, upon the recommendation of the building principal, first-time offenders may be given the option of participating in an approved educational/counseling program outside the school corporation. The cost of such outside educational/counseling program shall be the responsibility of the student and the student's parents or guardians. The School Corporation may consider a reduction in the length of the expulsion upon satisfactory completion of this program.
2. A student will be expelled for a full calendar year for possessing, handling, or transmitting a firearm, as defined by Indiana law, while under the jurisdiction of the school corporation. Under I.C. 35-47-1-5, a "firearm" means any weapon that is capable of expelling or designed to expel or that may readily be converted to expel a projectile by means of an explosion. A student expelled under this provision will not be re-enrolled in the school corporation until the beginning of the semester following the end of the expulsion. The length of expulsion for possession, handling, or transmitting a firearm may be reduced by the Superintendent, if the circumstances warrant such a reduction.
3. First-time offenders who threaten or commit aggressive acts toward persons or property and who are not in possession of and have not handled, used, threatened to use, or transmitted weapons, firearms or explosives may be immediately suspended for up to five (5) school days. Such students shall also be required to meet with the school counselor upon returning to school.
4. The remainder of this policy notwithstanding, when a first-time offender has engaged in violent conduct or has continued to demonstrate aggressive behavior after being told by a school employee to cease and desist (students must be able to immediately demonstrate restraint and self-control) such student may be suspended for ten (10) school days pending expulsion. The students may, upon the recommendation of the building principal, be given the option of participating in an approved educational/counseling program outside the School Corporation. The cost of such outside educational/counseling program shall be the responsibility of the school district. The Superintendent may consider a reduction in the length of the expulsion upon satisfactory completion of this program.
5. Second time offenders who threaten or commit aggressive acts toward persons or property and who are not in possession of and have not handled, used, threatened to use or transmitted weapons, firearms or explosives shall be immediately suspended up to ten (10) school days. Such conduct may also be grounds for expulsion; however, an educational/counseling alternative to expulsion provided by an approved outside agency may be offered by the building principal to the student and his/her parents or guardians. If the educational/counseling alternative is offered, required documentation must be presented upon return to school.
 - a. This program will be designed to assist students in successfully managing and resolving conflicts in a nonviolent and non-aggressive manner, so that they may successfully complete school after experiencing the consequences of their violation of this policy.
 - b. If the outside educational/counseling program is chosen by the student and parents or guardians the student must attend all sessions of the program. Any cost for this program will be the responsibility of the student and the student's parents or guardians.

- c. If the student enrolls in the outside educational/counseling program and then withdraws or otherwise fails to satisfactorily complete the program, the building administrator shall immediately resume the expulsion process for such student.
 - d. If the student or his/her parents or guardians do not choose to participate in the outside educational/counseling program, the building administrator shall immediately resume the expulsion process for such student. Such student may be referred to the Floyd County Probation Office for any appropriate action.
6. Students who threaten or commit aggressive acts on more than two occasions may be immediately suspended for ten (10) school days pending expulsion.
7. If a student's behavior is a criminal act, in addition to school discipline, the school will also notify the proper authorities.

V. DRIVER'S LICENSE POLICY

The School Corporation reserves the right to prohibit students from obtaining drivers' permits and/or drivers' licenses and/or to revoke students' drivers' licenses under the applicable provisions of state law and school corporation policy. The policy may be implemented for students who are habitually truant (those who have more than ten uncertified absences in a semester), are suspended from school for a second time, and/or are expelled or excluded from attendance at Scribner Middle School. Scribner Middle School may also implement this policy for students under the age of eighteen (18) who withdraw from school, including those who withdraw from school in order to avoid the revocation process. The portion of this policy dealing with drivers' permits applies to students aged fourteen (14) and fifteen (15). The policy relating to the revocation of drivers' licenses applies to students under the age of eighteen (18). In the event that the process is implemented, a registered letter will be sent to the parent(s) or guardian(s) of the student. The student and parent(s)/guardian(s) will have due process rights. At the conclusion of the due process procedure if the student is determined to be in violation of this policy, the proper form will be sent to the Bureau of Motor Vehicles.

VI. SCHOOL BUS SAFETY CODE

All school children, while being transported on a school bus, shall be under supervision, direction, and control of the school bus driver, and shall be subject to the discipline of the bus driver and the governing body of the School Corporation.

The following rules have been instituted for the safety and comfort of our children and the efficient operation of our bus fleet.

Students must do the following:

1. Be at their bus pickups on time.
2. Wait their turns to load and unload the bus. Avoid standing or playing on the road while waiting for the bus.
3. The bus driver and bus monitors should be treated with respect.
4. Show consideration for the property where their bus stops are located. Damage and destruction at "stops" may result in the discontinuance of these "stops."

5. Nothing (arms, hands, heads, books, etc.) shall be allowed to protrude from open windows on the bus. Windows may only be opened or closed with the permission of the bus driver. Feet should be kept on the floor at the seats and not protrude into aisles of the bus.
6. Horseplay, littering, loud and boisterous conduct on the bus will not be allowed. This type of conduct distracts a driver and may result in a serious accident endangering every person on the bus.
7. Students must wear seat belts on buses where they are available.

VII. TELECOMMUNICATION

Student Access to the Internet

Users are legally bound to the terms and conditions of the Telecommunications Use Agreement. It is assumed that users have read the terms and conditions carefully and understand their significance including the understanding that any violation of these regulations is unethical, may constitute a criminal offense, that accessor's privileges may be revoked and school disciplinary action may be taken as well as appropriate legal action.

If a parent or guardian does not authorize the school to make Internet access available to their student, it is the parent's responsibility to inform the school in writing. Alternate activities of a suitable educational nature not requiring Internet access will be assigned to students whose parents have informed the school not to make Internet access available to their student.

VIII. NEW ALBANY-FLOYD COUNTY CONSOLIDATED SCHOOL CORPORATION TELECOMMUNICATIONS USE AGREEMENT

The New Albany-Floyd County Consolidated School Corporation firmly believes that there is a wealth of information and interaction on the worldwide computer network that will provide valuable resources for our students. The smooth operation of the network relies upon the proper conduct of the end users who must adhere to strict guidelines. Educational experiences are provided not only in the regular classroom, but also by a comprehensive extracurricular activities program. Therefore, removal from the extracurricular activities or from the classroom as a disciplinary measure is resorted to only when self-discipline fails.

It is the sincere hope of the Board of School Trustees that this Guide will be helpful to students, parents, and teachers in the effort to promote more democratic schools and continued good relations between students and teachers.

X. Every Student Succeeds Act

- a. **Parent's Right to Know:** Upon a parent's request, the School Corporation will provide information regarding the professional qualifications of their student's classroom teachers, including whether the student's teacher (a) has met Indiana's qualification and licensing criteria for the teacher's grade levels and subject areas, (b) is teaching under emergency or other provisional qualification/licensing status, or (c) has been subject to discipline of the teacher's license, and whether the student is provided services by paraprofessionals and, if so, their qualifications.
- b. **Testing:** Upon request, parents will be provided with information regarding student participation in assessments mandated by state and federal law, or by the School Corporation. More information about Indiana's testing requirements is available at:
<http://www.doe.in.gov/assessment>.

XI. The IAQ Coordinator shall serve as the lead contact person for matters related to indoor air quality in the facilities operated by the Corporation. The IAQ Coordinator (Leslie Beach) may be contacted at lbeach@nafcs.org and 812-942-4200.

XII. Meningococcal Disease: Indiana law requires each year that parents/guardians be informed “about meningococcal disease and its vaccine” (IC 20-30-5-18). Meningococcal disease is a dangerous disease that can strike children and youth. The disease can progress rapidly and within hours of the first symptoms, may result in death or permanent disability including loss of hearing, brain damage, and limb amputations. Symptoms of meningococcal disease often resemble the flu and can include a fever, headache, nausea, and stiff neck, making the disease difficult to diagnose. The bacteria that cause meningococcal diseases are transmitted through air droplets and by direct contact with an infected person. Fortunately, there is an immunization available and the U.S. Centers for Disease Control and Prevention recommends routine meningococcal immunizations at 11 to 12 years old. For teenagers, immunization is recommended at high school entry and incoming college freshman. Please talk with your child’s health care provider about meningococcal disease and vaccination.

XIII. Pesticide Use: On occasion, the Corporation may find it necessary to utilize pesticides in order to control a pest problem. When these occasions occur, the school will use the lowest risk products available. If higher risk pesticides must be used, notices will be sent to all individuals registered in the school corporation’s Pesticide Notification Registry. Parents, legal guardians, and school staff will be notified of specific pesticide applications made at the school. **To receive notification, you must be placed on the notification registry. Forms are available in each school’s office.** Notification will be given at least two days before planned pesticide applications during the normal school year. In addition, for pesticides applied anytime during the year, emergency application notifications will be given as soon as possible. Notifications need not be given for pesticide applications recognized by law to pose little or no risk of exposure to children or staff. The Corporation will keep records of pesticide applications and information about the pesticides used for two years. Anyone may request to review these records by contacting the corporation’s Director of Facilities at 812-942-4200.
